

University at Albany Visitor Health Screening

A visitor is any individual who is not a current UAlbany student, staff and faculty member. Visitors are not allowed in University buildings on any of our campuses without an appointment with a current student, staff or faculty member — who is considered their host.

Please visit albany.edu/covid-19 and closely review the University’s Visitors & Events protocol before coming to any UAlbany campus.

While on campus, you must wear a mask that covers your nose and mouth and remain physically distanced from all others. You must also wash/sanitize your hands upon arrival.

Please do not come to campus if you have tested positive for COVID-19 in the past 14 days, are experiencing any symptoms, believe you have been exposed to COVID-19, or have not met New York State quarantine and testing requirements.

Please fill out this health screening on the day of your campus appointment and email it to your host before you arrive on campus.

Your full name: _____ Your phone number: _____

Your host’s full name: _____

Your host is a:

- Current UAlbany student
- Current UAlbany faculty member
- Current UAlbany staff member

Reason for your visit: _____

What day and time will you be visiting UAlbany? _____
