

University at Albany Visitor Health Screening

Name

Phone Number

Please select the applicable answer for each of the below questions and submit the screening on the day of your campus appointment to the office you will be visiting via email before arriving on campus. University offices need to retain this form until the end of the Fall 2020 term.

Are you currently experiencing or have you in the past 48 hours experienced a fever, chills, shortness of breath, difficulty breathing, loss of taste or smell or any other known symptom of COVID-19?

Have you been in close proximity or had proximate contact with anyone in the last 14 days who has tested positive for COVID-19 or had symptoms of COVID-19?

Have you tested positive for COVID-19 in the past 14 days?

Did you travel to a state with significant community spread of COVID-19 designated by New York state for travel quarantine for longer than 24 hours within the past 14 days?

If you answered Yes to any of the questions above, you will not be allowed to enter the UAlbany campus. Please contact the University office you are planning to visit to reschedule your appointment.

Please be aware that you will be required to abide by the below rules during your campus visit:

You will need to wear a mask that covers your nose and mouth while on campus.

You will need to wash or sanitize your hands upon arriving on campus.

You will need to remain physically distanced from others on campus at all times when possible.
