Alumni Association Welcome	25

A MESSAGE TO OUR GRADUATES

On behalf of the University at Albany, it is my distinct honor to congratulate you on the conferral of your degree. It took years of hard work, perseverance, and dedication, but you crossed the finish line on this remarkable achievement.

As you know, the coronavirus prevented us from holding our traditional Commencement Weekend in May 2020. While we had hoped to bring you back for a rescheduled ceremony, this was unfortunately not possible due to the ongoing public health crisis. However, I hope that you were able to participate in our excellent OneUAlbany Graduation Celebration on May 16, 2020; when you turn the page you will find photos and a link to this extraordinary virtual event.

You completed your UAlbany experience during an unprecedented and extremely challenging chapter in our history. The pandemic has brought incredible upheaval and devastating loss – and has left a permanent mark on each of us. We do not yet have a full reckoning of COVID-19's impact on the University and on society, but we know that you – our students – responded with patience, creativity, and compassion. This time has been difficult beyond measure, but I am confident the experience has created opportunities for personal growth that will serve you well in the future.

Lastly, I want to thank you for your unique and significant contributions to UAlbany. Through your scholarship and research; your participation in athletics, clubs, and community service; and through friendships and mentorship of your fellow students, you have made an indelible mark on this institution, and left it a better place than you found it.

As you join the ranks of 188,000+ proud UAlbany alumni worldwide, I assure you that the time, energy, and spirit you have invested in this degree will pay tremendous dividends throughout your life – and will enhance your every endeavor.

We are the Great Danes!

Sincerely,

Havidán Rodríguez
President

Michael Christakis
Vice President for Student Affairs

ONE UALBANY GRADUATION CELEBRATION

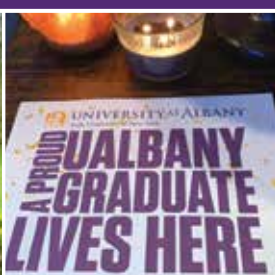

A Hollywood A-Lister. Powerful singing performances. Inspiring alumni messages. An emotional candle lighting shared by thousands. And a live broadcast from the Podium! UAlbany's graduation celebration on May 16 was epic in every way. In case you missed it, watch it at www.albany.edu/graduationcelebration. Congratulations to the historic Class of 2020! We're proud of you.

UNIVERSITY AT ALBANY

State University of New York

'Neath the Purple and

May 7, 1844

The State Legislature creates the New York State Normal School, the first state-administered institution of higher learning in New York.

December 13, 1844

David Perkins Page is named the chief officer, as principal, of the New York State Normal School. In 1847, he published *Theory and Practice of Teaching*, which became the most widely-used textbook in all of American teacher education.

December 18, 1844

The first day of classes is held at 115-121 State Street in a building owned by the City of Albany.

1845

The Teaching School opens. Later named the Milne School, it is reputed to be one of the first practice-teaching schools in the country.

January 1, 1848

Upon the death of David Perkins Page, George R. Perkins, the Normal School's first faculty member in 1844, becomes the second principal.

September 26, 1849

The Association of Graduates, predecessor to the Alumni Association, is established.

May 1850

Nine Native-American pupils are admitted. The first Native American to graduate is Harriet Twoguns, on July 13, 1865.

September 20, 1852

Samuel B. Woolworth becomes the third principal of the Normal School.

February 25, 1856

David Cochran becomes the fourth principal of the Normal School.

September 25, 1862

The Normal School Company E, comprised of approximately 100 faculty and students, is formed to fight in the Civil War. Led by professor of mathematics Capt. Albert N. Husted '45 and Capt. Rodney Kimball, the company engages in 17 battles, including Gettysburg.

December 1864

Oliver Arey becomes the fifth and final principal of the Normal School.

February 1, 1866

Kate Stoneman graduates. She will become the first woman lawyer in New York State.

June 28, 1877

Sensaburo Kudzo of Japan, the School's first international student, graduates.

January 25, 1884

Evelena Williams becomes the first known African-American graduate of the School.

1890

The institution becomes the New York State Normal College, with a mission of preparing secondary-school teachers.

January 31, 1893

Ruth Dakin Sherrill receives the School's first bachelor's degree, a bachelor's in pedagogy.

June 16, 1896

The first master's degree – in pedagogy – is awarded to Harriet Wright Burton.

1905

The institution becomes a four-year liberal-arts college for secondary-school teacher training, with the authority to confer the B.A., B.S., and the forerunner of an M.A. in education degrees.

October 28, 1909

The first three buildings of the downtown campus are dedicated. In 1929, they will be named Husted, Draper and Hawley halls.

June 21, 1910

Javier Adriansen of Chiclayo, Peru, becomes the School's first Latin-American graduate.

April 30, 1914

The School becomes the New York State College for Teachers, the formal recognition that the school is a liberal-arts college for teachers.

1929

Milne Hall, Page Hall, and Richardson Hall open, doubling the size of the campus.

June 9, 1930

The institution receives its first known research grant: a five-year award from the Spellman Foundation to study child development, pre-school learning, and parental education.

September 1935

The College's first on-campus dormitory, a women's residence hall, opens. In 1941, it is named Pierce Hall in honor of Anna E. Pierce, former student (Class of 1884), teacher, dean of women, and a prime mover in the fundraising campaign for the building.

1935-38

Murals funded by the federal Works Progress Administration (WPA) are painted in Hawley Hall.

June 17, 1940

Marcia Brown graduates. She will become the first three-time winner of the Caldecott Medal, the American Library Association's highest award for illustrators of children's picture books.

1942-45

More than 500 students and alumni serve in the Second World War and support the war effort. At least 19 lose their lives in the conflict.

April 8, 1961

Gov. Nelson A. Rockefeller approves the State University of New York's revised master plan, calling for the establishment of comprehensive state university centers in Stony Brook, Binghamton, Buffalo, and Albany.

August 1962

New York Gov. Nelson A. Rockefeller leads the groundbreaking for the uptown campus. The institution is renamed the State University of New York at Albany and becomes a University Center within SUNY.

1962-63

The College of Arts and Sciences and professional schools of Education, Business, and Library Science are created.

January 1963

The SUNY Board of Trustees votes to impose tuition on all students for the first time, beginning in Fall 1963. Tuition is \$200 per semester for New York resident undergraduates and \$300 for non-residents.

June 16, 1963

The first doctoral degree, an Ed.D., is awarded to James Arthur Conway of the School of Education.

1844

the Gold, let thy history unfold...

1965-68

The School of Social Welfare, the Graduate School of Public Affairs (now Rockefeller College of Public Affairs and Policy), and the School of Criminal Justice are created in 1965, 1966, and 1968, respectively.

Fall 1966

The first classes are held on the Academic Podium of the uptown campus.

October 5, 1967

The University Art Gallery (now Art Museum) is dedicated by Gov. Nelson A. Rockefeller.

1968

The Educational Opportunities Program (EOP) is established.

September 1984

The Collins Fellow, a unique faculty designation among the nation's universities, is established.

1985

The School of Public Health opens as a partnership between the University and the New York State Department of Health.

Fall 1988

Freedom Quadrangle becomes the first new residential hall to open at the University since Fall 1970. It is also the first residence hall to have apartment-style accommodations.

December 1992

The University's first athletic fieldhouse, the Recreation and Convocation Center, opens.

1993

The University is named a Center for Advanced Thin Film Technology by New York for its work in the emerging field of nanotechnology. UAlbany becomes a worldwide leader in this science, establishing a school and then the College of Nanoscale Science and Engineering. The college becomes a separate SUNY institution in 2013.

May 15, 1994

Sixteen students from the Class of 1994 are selected as the honorary 100,000th graduate of the institution.

November 3, 1994

President William J. Clinton becomes the first sitting U.S. president to visit the campus.

June 30, 1997

The new Center for Environmental Sciences and Technology Management (CESTM) is dedicated. It houses the Atmospheric Sciences Research Center, the Center for Advanced Thin Film Technologies, incubator businesses, and the Albany office of the National Weather Service.

March 1998

The Science Library, the first new academic space on the UAlbany campus in 35 years, opens, initiating a 20-year period of physical growth.

September 1999

The University begins its first year of competition at the NCAA Division I level.

2000

For the first time, the University is designated a Research 1 University by the Carnegie Classification of Institutions of Higher Education.

October 13, 2004

The 194,000-sq.-ft. Life Sciences Research Building opens. It will foster research and development in the biosciences and eventually house The RNA Institute.

August 2013

The new School of Business building opens. Two years later it is named the Massry Center of Business in recognition of a \$5.25 million gift from the Massry family to support the School of Business and key University-wide initiatives.

September 14, 2013

A new 8,500-seat football stadium opens. The facility will later become known as Bob Ford Field at Tom & Mary Casey Stadium.

November 16, 2014

Women's field hockey advances to the NCAA Tournament semifinals, the first trip to a Division I Final Four in school history.

Summer 2015

The University completes the first installation of New York State Mesonet, a network of what will become 126 weather stations across the state providing the most advanced early warning weather-detection system in the country.

September 29, 2015

The University and Albany Law School announce a deeper affiliation that creates new academic opportunities for students.

October 8, 2015

UAlbany receives a \$10-million gift to its athletics program from the Bernard and Millie Duker Children's Foundation, established by William Duker '75, Sharon Casey Duker and William Duker. In recognition, the football stadium is named Tom & Mary Casey Stadium in honor of Sharon Duker's parents.

2015

The new College of Emergency Preparedness, Homeland Security and Cybersecurity and the College of Engineering and Applied Sciences are inaugurated.

February 26, 2018

Men's lacrosse is ranked as the No. 1 team in the nation — a first for any UAlbany Division I team and any Division I program in the State of New York system. In May, the Great Danes advance to the NCAA Final Four.

April 19, 2018

Groundbreaking occurs for the Emerging Technology and Entrepreneurship Complex (ETEC), an interdisciplinary academic and research center focusing on weather, climate, emergencies and disasters, and entrepreneurial opportunities.

ONCE A GREAT DANE, ALWAYS A GREAT DANE!

Congratulations and welcome to the University at Albany Alumni Association!

For more than 150 years, the University at Albany Alumni Association has been keeping alumni connected – to each other and to their *alma mater*. The UAlbany community extends well beyond the campus, with alumni in every state and more than 115 countries. We urge you to tap into the power of this 180,000-strong network!

All UAlbany graduates are automatically considered members of the UAlbany Alumni Association. There are many services and programs offered to you, including the UAlbany Career Advisory Network (UCAN), Graduates of the Last Decade (GOLD) and affinity-based programs that will help you stay connected to the groups you participated in as a student. Our engagement opportunities are modified for virtual platforms, too – so you won't have to worry about missing out on the perks of your most valuable network.

ALMA MATER

College of the Empire State
Mother of an army great,
Thou the molder of our fate,
Thee we sing today.
Thine the hand we clasp so strong,
Holding tho' the years be long,
Thou the burden of our song,
Thee we sing today.

Ways of pleasantness are thine,
Leading where in wisdom's shrine,
Joy and cheer, and hope divine,
Ever dwell for aye.
Thine the voice whose call we hear,
Thine the hand which holds us near,
Thine the heart, so true, so dear,
Cherished, loved away.

Wisdom's duty heeds thy call,
Ever in Minerva's thrall,
Pass the torch from one to all,
Guide each destiny.
'Neath the Purple and the Gold,
Let thy history unfold,
Sons and daughters, young and old,
Hail to Albany.
