- Computer Science
- Economics
- Electrical & Computer Engineering
- Nanoscale Science and Engineering
- Political Science/Public Policy/
- Globalization Studies
- Pre-Law
- Psychology
- Urban Studies & Planning

Conditional ESL

Undergraduate admission available

The University at Albany offers conditional undergraduate admission to applicants who meet the academic requirements but not the English proficiency requirement. Through conditional admissions, students who complete Level Advanced 2 of the Intensive English Language Program (IELP) at the University at Albany will be able to meet the English proficiency requirement. Students who successfully complete the IELP will receive a TOEFL/IELTS/Duolingo waiver.
