Overview

The year of 2017 is a productive year for UAlbany CI.

CI offered language instructions to more than 200 credit and non-credit students, and co-organized annual Chinese/Japanese/Korean Language Speaking Contest with EAS. CI organized 18 cultural events both on and off campus, with more than 2600 participants. With CI’s Speaker Series, CI organized 7 talks, bringing renowned China experts to UAlbany. More than 450 people participated in the Speaker Series. To further strengthen CI’s leadership role in China study, CI for the first time organized an international conference on Chinese cities. As part of CI’s Chinese Teacher Leadership School initiative, CI organized two one-day pedagogical training workshops for school teachers, faculty, and graduate students.

UAlbany CI has further deepened collaborations with the partner university in China SWUFE, with several ongoing collaborative projects. First, to promote research collaboration between UAlbany faculty and SWUFE faculty, CI has facilitated UA faculty’s visit and research presentations at SWUFE (e.g. Prof. Zai Liang in Sociology, Youqin Huang and Rui Li in Geography and Planning, Yu-hui Chen in University Library). A program is in place at SWUFE to facilitate UAlbany faculty’s visit and research collaboration with SWUFE faculty. Currently, Prof. Zai Liang and Prof. Youqin Huang have collaborative research projects with SWUFE colleagues. Second, CI is working with various UAlbany colleges/departments to develop joint-degree programs with SWUFE. Public Administration and International Business are two possible candidates.

CI has also significantly strengthened its services and engagement with the community. Strong partnerships have been developed with Albany Pine Hill Library, Guilderland Public Library, Chinese Community Center, Clarkson University (MA program in Teaching), YMCA, and General Electrics (GE). Language classes and cultural events have also reached other public schools in the capital district.

CI has experience personnel changes. The Assistant to the Director Xiaofang Cao was hired in Jan., 2017 and resigned in June, 2017 due to family reasons. A new Assistant to the Director Ling Li was hired in September, 2017.

Here is a list of events and activities CI has organized during the year 2017 (Unless noted, events are held at UAlbany uptown campus).
