The UAlbany Alumni Association Volunteer Admissions Program

The UAlbany Alumni Association in partnership and coordination with the Office of Undergraduate Admissions provides opportunities for alumni to support student admission efforts. The primary goal of this initiative is to help the Office of Admissions recruit and enroll the best and the brightest students and to continue to generate a competitive and diverse student body.

At the start of the new year, the Alumni Association rolled out an exciting program in collaboration with Admissions called the Postcards From Alumni project. Graduates of the Last Decade (GOLD) added a personal touch to UAlbany’s recruitment efforts by sending handwritten postcards to highly sought after high school seniors who were accepted into the University’s early action program. This project, like many of our other programs and events including UCAN, career panels and professional networking receptions, provides alumni an easy way to stay engaged with their alma mater and make a difference for current and future Great Danes.

The Alumni Association also built a dedicated page for the Alumni Admissions Program on the alumni website which includes a quick-start guide for volunteers, information for prospective students, and many other tools to make it easy for alumni to say YES to these volunteer opportunities!
