Help make sure your retirement is ready when you are.

Halfway? Already? Retirement has a way of creeping up on people. Before you know it, you’ll be depending on all the money you saved and invested. But there’s still time.

It may be time to give your retirement savings a checkup. TIAA’s workshop leader will provide information to help you determine where you need to be in your retirement savings and how to get back on track if you’re behind:

- Find out how much you should be saving
- Discover different investment vehicles and how they can work together to help you reach your retirement goals
- Learn what’s competing for your retirement savings
