We invite you to visit our website http://www.albany.edu/schoolpsych/ for comprehensive information about our Doctor of Psychology (PsyD) and Certificate of Advanced Study (CAS) programs in School Psychology.

It is predicted that the need for school psychologists will increase 20% over the course of the next few years. Increasing school enrollment, in addition to heightened focus on mental health, is driving the demand for more school psychologists.

DID YOU KNOW THAT THE #2 BEST SOCIAL SERVICES JOB IS THE SCHOOL PSYCHOLOGIST (US NEWS AND WORLD REPORT 2018 RANKING)
