Project Description / Scope:

In the early morning of Friday, November 24th, OGS will be shutting off the main water supply for the University's uptown campus so that maintenance work can be performed. During the time period from 6am on 11/24 until 12pm on 11/27 the uptown campus will be relying on our secondary water supply. Therefore the campus will be on restricted water use, during which time campus-supplied water should not be used unless absolutely necessary.
