

PROJECT WORK ALERT NOTIFICATION

October 30, 2017

UPTOWN CAMPUS

Biology – North Podium Level Entrance

Replace Exterior Doors at Podium – Phase 01

Project / Work Order #: P-0648 (01XA93)

ESTIMATED START: 11/6/2017 6:00 AM
ESTIMATED END: 12/31/2017 4:00 PM

Project Description / Scope:

The overall project represents the first phase of the Uptown Campus Exterior Door Replacement project and will address the replacement of the main building entry doors at seven locations – Social Sciences (SS), Humanities (HU), Education (ED), Physics (PH), Chemistry (CH), **Biology (BI)** and the Performing Arts Center (PAC). Work includes new handicap accessible doors and hardware, power openers and other cosmetic enhancements to the lobby vestibule spaces.

The contractor will continue with the Entry Door Replacement Work at Biology – North (Work Zone 14) beginning Monday, November 06. Biology – South & West (WZs 12 & 13) are now accessible entrances / exits.

Work includes erecting construction fences, installing temporary partition walls, concrete demo/removals, structural lintel installation, electrical work and installation of new entry doors. Demolition work will be noisy but is scheduled for 12am (midnight) to 8am during workdays in order to minimize disruption to building occupants.

The entrance noted above will be closed to pedestrian traffic. The South & West entrances to the building at the podium level are open for use. Plan to use these entry/exit points at the building including alternate means through the basement level. Additional notices will be released as necessary.

POTENTIAL IMPACT ON SURROUNDING AREAS: (please check all that apply)
