UPTOWN CAMPUS

Building Location(s): PE Building – Pool & Gymnasium
Rehabilitate the Physical Education Building – Alert 01
Project / Work Order #: WO 23-01502

ESTIMATED START: 9/30/2022 7:00 AM
ESTIMATED END: 11/30/2022 4:00 PM

Project Description / Scope:
SUCF Project - Rehabilitation of the entire PE Gymnasium (including asbestos abatement) including installing new athletic flooring, room dividers, bleachers, sound / scoreboard systems and other athletics/recreation amenities; Pool Area work includes asbestos abatement, removal of pool equipment/filtration systems, and infill of the pool basin with the installation of a new structural slab to allow for additional programmed recreational space to be built at a future date.

*** As part of the SUCF project above, the campus will be independently installing conduit, cabling and power to support the needed broadcast infrastructure in the Gymnasium. Work will take place in and around the following Basement Level areas: Men’s & Women’s Locker Areas, adjacent toilet/shower rooms, storage rooms and some vestibule areas in the vicinity. All other work in this project will take place in the Gymnasium area currently closed for another project. ***

Additional Alert Notices Will be Distributed As Needed During the Course of the Project

POTENTIAL IMPACT ON SURROUNDING AREAS: (please check all that apply)
