Project / Work Order #: P-0648 (01XA93)

ESTIMATED START: 8/15/2017 6:00 AM
ESTIMATED END: 8/25/2017 4:00 PM

Project Description / Scope:

The overall project represents the first phase of the Uptown Campus Exterior Door Replacement project and will address the replacement of the main building entry doors at seven locations – Social Sciences (SS), Humanities (HU), Education (ED), Physics (PH), Chemistry (CH), Biology (BI) and the Performing Arts Center (PAC). Work includes new handicap accessible doors and hardware, power openers and other cosmetic enhancements to the lobby vestibule spaces.

The contractor will be working to re-install vestibule ceiling components at each of the building entries where the ceiling was previously removed pending the installation of new doors. Door work in most of these areas is being delayed to Summer 2018.

Building entrances may be temporarily closed to pedestrian traffic during the work. Plan to use other alternate entry points at the building including through the basement level. Additional notices will be released as necessary.
