Campus Center

Partial Electric Shutdown

Project / Work Order #: 01A56

ESTIMATED START: **5/1/2015 10:00 PM**

ESTIMATED END: **5/2/2015 5:00 AM**

Project Description / Scope:

There will be a shutdown of selected electric panels at the Campus Center this coming Friday from 10 pm until Saturday at 5 am as part of the Electrical upgrades pertaining to the Campus Center Expansion. The only area affected will be the basement level (food service level) and will primarily affect wall outlets and the elevator lights. As a result, the elevators will not be in service during this period. To minimize start-up problems once the power has been restored, it is recommended that all staff and students who have offices in the building shut down their computers prior to this shutdown.
