

## Project Compliance Verification

*This compliance verification list contains selected UA guidelines and standards most often miss-coordinated by consultants, resulting in a less than successful project. This completed list shall be submitted to the campus by the A/E at each project delivery phase.*

	<b>Standard and Guideline Priority</b>	<b>Complies</b>	<b>Statement of Non-Compliance</b>
1	<b>Building Management Systems</b> Siemens Honeywell	Yes/No	
2	<b>High Temp/Hot Water System</b> Design of pressure and temperature Variations and differentials	Yes/No	
3	<b>Medium Voltage Requirements</b> Primary feeder cables Configurations Splicing methods	Yes/No	
4	<b>Door Hardware and keying systems</b> Residence Hall key system Academic key system	Yes/No	
5	<b>Card Access</b> Card swipe device Electical door hardware	Yes/No	
6	<b>High Performance Building Guidelines</b>	Yes/No	
7	<b>Data/Voice and AV Equipment</b> Design and control systems Projection and screen	Yes/No	
8	<b>Ceiling Systems and design</b> ACT product and design	Yes/No	
9	<b>FFE</b> Laboratory equipment MEP coordiantion Modular furniture electrical requirements	Yes/No	
10	<b>Signage and way-finding</b> Exterior and Interior Review and Approval by OCP	Yes/No	
11	<b>PSI</b> PSI drawings PSI numbering system	Yes/No	
12	<b>Submittal Log</b> Design consultant management Submittal Exchange preferred	Yes/No	
13	<b>Lighting Master Plan</b> Energy efficient technology Approvals to add new technologies	Yes/No
