

Application for Display Pyrotechnics/Flame Effect Permit

This form is to be used by any person or entity wishing to obtain a permit for display Pyrotechnics/ Flame Effects on New York State property pursuant to section 405 of the New York State Penal Law.

Instructions:

- Complete all sections

- Attach documents listed:

1. Diagram/map of the grounds or facility where the production is to be held, that shows the point at which the pyrotechnic devices are to be fired, the fallout radius for each pyrotechnic device used in the performance, and the lines behind which the audience is to be restrained.
2. List of operator qualifications.
3. List of Pyrotechnic/Flame Effect equipment and provide specifications.
4. Material safety data sheets (SDS) for the pyrotechnic material(s) to be used.
5. Certification of set, scenery rigging materials and all materials worn by performers in the fallout area to be inherently flame retardant or have been treated to achieve flame-retardancy.
6. Insurance: Proof of liability insurance or Bond, minimum one million dollars, for all products and operations. Bond or insurance shall run to the State of New York.
7. Copy of Operator's Certificate from the Department of Labor.

- Send to: Fireworks@dhSES.ny.gov

Note: Complete application with all required documentation must be received at least 5 business days in advance of the display date.
