Occupancy Class:
B Business

Construction Type:
V

Emergency Egress or Escape Routes:
First Floor – an exit discharge can be found at the Northwest corner of the building.

All building occupants shall seek these marked means of egress routes and exit the
building using the nearest exit once the audible and visual notification signals of the fire
alarm system have been activated.

Procedures for Critical Employees:
Assigned Residential Life staff may check rooms and encourage building occupants to
exit on their own way out of the building. No building occupants shall loiter in or re-enter
the building during an alarm of fire.

Procedures for Use of Elevators During Emergency:
Elevators shall not be used as a means of egress during an alarm of fire.

Procedures for Assisted Rescue:
Persons unable to exit the building on their own, shall seek refuge in one of the fire
rated egress stair towers.

Accountability Procedures:
Residential Life staff shall account for their employees and students once they have
exited from the building.
Identification of Personnel Responsible for Rescue:

Personnel from the City of Albany Department of Fire and Emergency Services shall be tasked with performing rescues and providing medical assistance in buildings under an alarm of fire.

No University at Albany employee or student shall be required to enter a building under an alarm of fire in order to perform a rescue or provide medical assistance.

Preferred and Alternative Means of Notifying Occupants of Fire or Emergency:

Persons discovering a fire in the building, shall alert building occupants by pulling the manual fire alarm pull station located near an exit discharge door.

Preferred and Alternative Means of Reporting Fires:

Persons discovering a fire in the building, shall report said fire by pulling the manual fire alarm pull station located near an exit discharge door.

Additionally, persons can contact the 911 dispatcher by using a Blue Light automatic-dial telephone (located on lampposts throughout Freedom Quad), dialing 518-442-3131 from a cell phone, or dialing 911 from a campus phone.

Further Information about Evacuation Plan:

Further information about this Evacuation Plan / Emergency Action Plan may be obtained by contacting the University at Albany Code Administration – Fire Safety at 518-442-3400. Fire Safety Manager Eric Fletcher can provide more information about this plan.

Training:

The University at Albany shall provide a minimum of four emergency evacuation drills per year. Two drills shall occur in the Spring semester, two drills shall occur in the Fall semester, and a fifth drill may occur in occupied buildings during the Summer. All building occupants shall participate in these drills.
