### THE GUNPOWDER PLOT.

A. D. 1605.

#### THE PRINCIPAL CONSPIRATORS.

Copied from a rare Print published at the time (in 1605). Under which is an explanation in Latin, translated as follows—  
The particulars of the Gunpowder Plot are here presented to the world in a manner that is both true and interesting. The names of the principal conspirators are here inserted, with their several parts of the design. The names of the principal conspirators are here inserted, with their several parts of the design. The names of the principal conspirators are here inserted, with their several parts of the design.

#### FAÇ-SIMILE OF THE LETTER WRITTEN TO LORD MONTGOMERY.

FROM US TO THE UNIVERSITY OF THE AUSTRIAN EMPIRE.

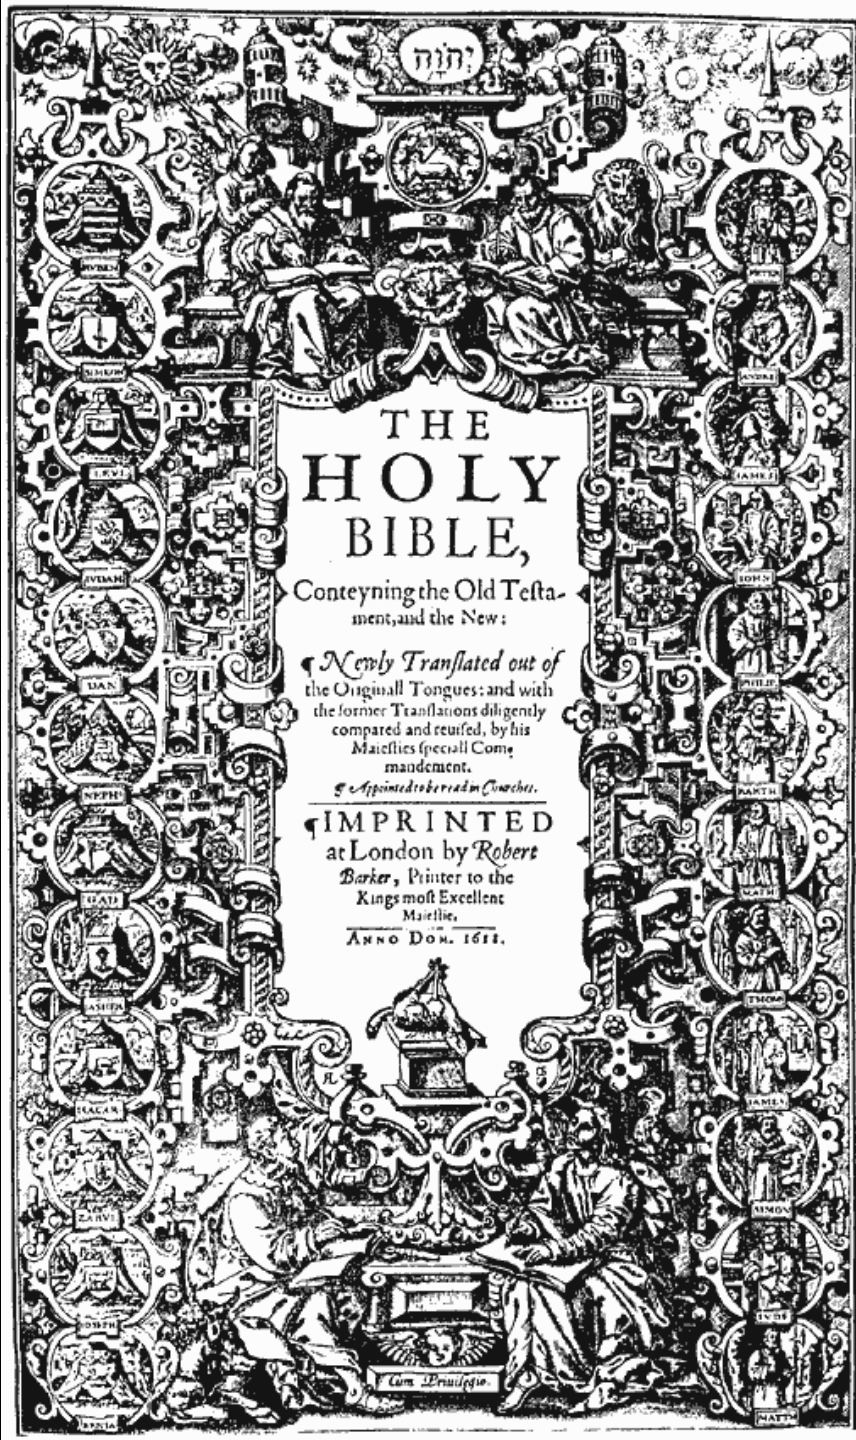

My lord, out of the love I bear unto some of your friends  
I shall never of your prerogative they for your  
advise you as your leader your eye to some  
excuse to quit of your attendance at this parliament  
for good and evil hath come in to punish the  
of this time and I have not forgotten of this advertisement  
but rather your feet into your country where you  
were expect the visit in faith for though we have no  
apparatus of arms for yet I say they shall receive a letter  
from this parliament and yet they shall not see who  
writes them this comes it is not so be contented because  
I may do your good and can do you no harm for the  
danger is passed as soon as you have heard the letter  
and I hope god will give you the grace to make good  
use of it to whose holy protection commend you

To the right honorable  
The lord Montgomerie
