The Sustainability Coordinators meet on the first Tuesday of each month from 12-1 pm in AS 122.

The Office of Sustainability is currently recruiting department representatives to serve on the Sustainability Coordinator’s Committee. Our goal is to have a participant from every division and major department on campus. If you know of a good candidate, please email gogreen@albany.edu.

Sustainability Assessment Update
◊ The first round of interviews have been completed, generating a list of potential actions to improve.
◊ The presentation given at our last meeting and the report will be made available on Blackboard.
◊ Next Steps: Convene decision maker workshops to prioritize actions and simultaneously conduct outreach events to spread the word about our assessment. Email gogreen@albany.edu if you would like to be involved in outreach.

Blackboard Page
In an effort to reduce paper consumption, the Office of Sustainability has created a Blackboard page with available digital resources. Sustainability Coordinators have access to brochures, guides, flyers, special events, archived Coordinator’s Circulars and more. The page is located under the “Community Tab” on Blackboard.

Professional Development Opportunities
◊ Co-host a “Speak Sustainability” lunch series about getting involved in the sustainability movement as a staff member.
◊ Become a liaison for your office by signing up for the Green Workspace Challenge or Office Composting Program. You can find out more information at albany.edu/gogreen in the “Featured Tab” on the homepage.

Recognition
Terra Awards - recognizes a student, faculty and a staff member for innovation in sustainability on campus
*You can find the above form at albany.edu/gogreen “Featured Tab” on the homepage.
