

UNFIT FOR DEMOCRACY

THE ROBERTS COURT
AND THE BREAKDOWN
OF AMERICAN POLITICS

=====
**A talk about his new book
by Professor Stephen
Gottlieb.** Brought to you by University at
Albany Department of History, Department of
Political Science, and Albany Law School.

Gottlieb has written a stunning book about democracy. ... This is a work about law, political science, and history and is filled with important insights about what causes democracies to succeed or fail. The book culminates in a forceful critique of the Roberts Court and how it has damaged American democracy. This is an important book, impressive in its scope and its analysis, and the cautions it offers for the future of democracy in the United States.

—Erwin Chemerinsky
Dean and Distinguished Professor of Law
University of California, Irvine, School of Law

GOTTLIEB
THURSDAY, FEB 25
2:30-5:30
Humanities Room 354
A talk, Q&A
session, reception
and book signing.

Brought to you by
“The Venture Fund” to
promote the collaborative
degrees JD and MA in
History.
