Responsibilities:

- Housing Managers will be responsible for assisting in the overall management and daily operations of their assigned living areas. This includes, but is not limited to, regularly visiting the apartments within their area (recording these interactions), disseminating information and programming updates, and performing health and safety checks of residents and apartments.
- Each Housing Manager must be a positive role model - creating, facilitating, and maintaining a living and learning atmosphere that is conducive for individual student growth, as well as community development, within the residential unit.
- Housing Managers will recognize that individual performance and appropriate behavior is critical to the successful operation of one’s area and that performance can be reviewed at any time if deemed necessary by their supervisor. The Department of Residential Life can terminate your service as a staff member before the end of the appointment end date based on poor performance, academic status, or violations of the University’s Community Rights and Responsibilities. Should your performance as a Housing Manager not meet the expectations set forth in this document, you will be subject to consequences ranging from a verbal warning to termination.
- Housing Managers will be expected to staff their respective office (Empire Commons, Freedom, or Liberty) on a weekly basis while on duty. Please note that weekend duty responsibilities are rotated among the staff. *Housing Managers must be available for 2 weekday duties every week.*
- Housing Managers will participate in weeknight and weekend duty rotation for the apartment complex serving as Housing Manager on Duty. The Housing Manager on Duty responds to all incidents in their designated area.
- Additional duties include: administrative and operational functions of the apartment complex, including, but not limited to, check-in and checkout procedures, continuing student housing sign-up, staff selection, and facilities-related functions in conjunction with Apartments Maintenance personnel. These duties may require staffing complex offices during operational hours.
- Housing Managers are required to attend all staff meetings, training sessions, one on one meetings, staff development activities, in-services, workshops, and other departmental events unless their absence is approved in advance by their direct supervisor or the Assistant Director.
- Housing Managers must complete all departmental assessment surveys.
- Housing Managers must complete all programming requirements as outlined in the University Apartments Programming Manual.
- Housing Managers are expected to abide by the policies outlined in the Job Description, Community Rights and Responsibilities, the Terms & Conditions of the University Residence Halls License, and the Student Staff Handbook. Staff must conduct themselves in conformity to University policies at all times. Staff will behave as positive role models for residents both on and off campus. When making personal and work-related decisions, staff will understand that he/she is a representative of the Department of Residential Life in addition to being a student. The Department expects staff members to make decisions that best represent the Department and the University at Albany.
- Staff will follow all outlined policies and procedures at all times. Abuse of authority, privileges, and/or benefits will not be tolerated.
- University Apartments do not close during University intersessions, and operates on limited schedules during these breaks, during which staff are expected to work.
