Those that bring their vehicle back will be asked to move the vehicle off-campus at their own expense. Students entering their second semester that obtain “sophomore status” by virtue of their registration are still considered freshman. The student must complete two full semesters at a college/university or be 21 years of age or older to be exempt from the ban. Pre-college credits, advanced placement credits, CLEP credits and the like are not relevant to this regulation. Any credit awarded for coursework taken prior to high school graduation, or during the summer following graduation, does not change student status as freshman or first year college student. If you have questions please contact parking@albany.edu.
