Summary

Student Assistant positions are established for the purpose of providing valuable work experience to students while at the same time accomplishing necessary work for the campus with the recognition that they are students first. This procedure sets forth guidelines on the use of Student Assistant positions at the University at Albany.

Appointment Criteria:

Student Assistants are part-time positions in the non-competitive class of Civil Service with nonstatutory salary rates and are not assigned to a bargaining unit. No fringe benefits are provided to individuals in these positions, except as noted below. Their work status is temporary and no long-term commitments are possible. Student assistants are paid at an hourly rate only for hours actually worked.

Student Assistants must be paid at least the federal minimum wage. The maximum rates are set by the SUNY Office of University-wide Human Resources.

Individuals assigned to these positions during the academic year must be regularly enrolled students of the University at Albany for at least 6 credits during the semester of employment. Graduate students enrolled in courses numbered 899 and students in their final semester who need fewer than 6 credits will need their status verified before appointing. Individuals assigned to these positions over the summer must be enrolled in the State University of New York for summer classes or for the upcoming fall semester as half time students. Students of other SUNY campuses must provide proof of enrollment to Human Resources prior to appointment.

Student assistant positions fall into three basic levels of difficulty and should have appropriate pay distinctions:

1. Minimum level of specialized skills or previous work under the immediate supervision of an experienced employee. Only minimum training normally required.
2. Previous related experience required. Duties usually require considerable skill. Skills normally obtainable in previous work assignments, educational classes, or hobbies.
3. Para professional assignments. Expertise required, often as a result of student college training. Usually related to the student’s instructional program.

Work Hour Limits:

Student assistant hours of employment should not exceed 20 hours per week while classes are in session. Students who are in good academic standing may be allowed to work up to 25
hours/week while classes are in session. Students who are struggling academically should continue to be limited to 20 hours per week.

International students are limited per USCIS regulations to working no more than 20 hours per week while classes are in session.

All student assistant employment, including semester and summer breaks, is limited to a maximum of 25 hours per week total for all jobs. With prior approval from Human Resources for work assignments specifically associated with experiential requirements of an academic program an additional 4 hrs per week may be granted during breaks. Under no circumstances may students work more than 29 hrs/week to comply with SUNY Policy.

Student assistants may work more than one job on the student assistant payroll however the maximum number of hours per week cannot be exceeded in combined hours for all jobs.

Appointment Procedures:

All Student Assistant appointments will be made through the on-line Student Employment site accessed from the Human Resources/Payroll website www.albany.edu/hr. Appointments must be submitted prior to the student beginning work. All students must verify employment eligibility with the certification of Form I-9 within three days of employment.
