➢ To **approve** a time off request, click on the button in the approve column and submit.  
➢ Once a request has been approved the information will flow to the employee’s time record (if the approved request is for a date in the future, it will not show on their record until that date).

| 6    | Review the Time Record | ➢ The Pending Time Records Approval section is the second section on your Supervisor Work Roster.  
➢ To review a Classified employee’s time record, click on the Details link under their name. This will bring up the two week time record for your review.  
➢ Review information in the Record Hours section to ensure time in/out was entered accurately for all days worked. It is important to make sure that a (for AM) and p (for PM) were entered accurately to make sure the correct number of hours are accounted for.  
➢ Review the Summary section, specifically, the week 1 and Payroll Period Totals. Typically these will be 37.5 or 40 and 75 or 80 for full-time employees dependent on their schedule.  
➢ Review the Paid Hours section. This summarizes any Overtime or Holiday time to be paid.  
➢ Review the Time Charged section for accuracy. |
| 7    | Approve or Deny the Time Record | ➢ If the Time Record is accurate, click on the Approve button and the record will move from pending to approved status.  
➢ If the Time Record is not accurate, enter a comment in the box, explaining your reason for denying the record and click the Deny button. The Time Record will be returned to the employee with the comment for correction.  
➢ See full training document for information on the shift change indicator. |

| 8    | Employee Roster | ➢ The last section on the Supervisor Work Roster is the Employee Roster. This lists the employees whose Time Records you are responsible for and provides you with links to access their Time Records information.  
➢ It is important to review the “Next Timesheet Date” column on your roster. This date is the start date of the most recent time record that has not yet been approved. In the screenshot on the right, the top row lists 5/17/18 as the next timesheet date. This means that the record ending 5/16/18 has been approved. Ultimately, a supervisor is responsible to ensure all supervisees’ time records are up to date.  
➢ If [...] appears under an employee’s name, this indicates the employee is also a supervisor within your department. If you click on the [...] their supervisor work roster will be brought up, and you can review time records information for they employees they supervise. |

Please notify The Office of Human Resources if a Classified Employee’s daily schedule or pass days change. It is important that TAS is updated accordingly.
