Full-time employees with appointments of 3 months or more are required to join a retirement system within 30 days of their hire date.

Part-time employees have the option to join a Retirement System at any time.

ERS/TRS membership begins on the date that a retirement election/application has been received and processed. ORP membership begins on the date the eligible appointment started, if ORP is elected within 30 days of that date.

Once an election is made, employees are generally not allowed to change or withdraw from their selected retirement system during current or subsequent employment with any SUNY or community college campus.

An election can only be changed if there is an:

- Chiropractic and physical therapy;
- Home Care Advocacy Program (home care, durable medical goods, supplies);

- You may need referrals for specialists or pre-certification for certain tests/services.
- Co-payments, co-insurance, and additional information for each HMO is included in the Choices booklet.

Generally, coverage is limited to providers within your HMO’s network, unless prior authorization is received from the HMO or in the event of an emergency. Details can be obtained directly from the HMO.
Pre-Tax Contribution Program (PTCP)

If electing **PRE-TAX** status (PTCP):

- Premiums are paid *before* Federal, State, and SS taxes are calculated, reducing taxable income.
- Lesser income is reported to SSA, which may affect your SS pension.
- Outside of an annual option period, you can *not* cancel or reduce coverage from family to individual without 30-day notice of a qualifying event.

If electing **AFTER-TAX** status:

- Premiums are paid *after* Federal, State, and SS taxes are calculated.
- You have the flexibility to cancel or reduce coverage without a qualifying event or option period.

*If you enroll after your 42-day waiting period: You automatically default to *after-tax* status. You can only make changes in pre/after-tax status during an annual option period for the next plan year.*
During annual option transfer period, you may:
- Switch NYSHIP plan options;
- Make changes in pre/after tax status;
- Switch from family to individual;
- Cancel pre-tax coverage *without* a qualifying event.

This period generally occurs in November and/or December (dates vary annually). Changes take effect at the start of the pay period closest to January 1.

Look for Option Transfer updates in the fall from HR and Civil Service, and check “Benefits News & Events” at [https://www.albany.edu/hr/benefits.php](https://www.albany.edu/hr/benefits.php).
NYSHIP and Changes in Job Status

Leave Without Pay (LWOP)

- You may be responsible for full-share premiums, depending on the type of leave.
- You should receive a letter from Benefits within 10 days from the start of your LWOP. This letter will outline options to continue, suspend, or cancel coverage.
- If you do not receive a LWOP letter within 10 days, please contact Benefits.
- Civil Service will bill you directly if you are on LWOP for one or more payroll periods.
- Bills will be sent to your home, so please make sure your current address is on file.
NYSHIP Eligibility during Fall Only

- You are entitled to employer-funded NYSHIP coverage until approximately mid-March.
- Civil Service will directly bill you for your regular employee premium after you are no longer on the payroll.
- You should receive a notice with details by mid-January. If not, contact Benefits.
If you are paid bi-weekly throughout the academic year and not over the summer months, your health insurance eligibility may extend during a period when you are not on the payroll.

If employed during both the Fall and Spring semesters, your eligibility runs through early September.

You will have 6 extra spring deductions to pay for summer coverage in advance.

If in pre-tax status, you cannot cancel coverage or stop extra spring deductions without 30 days’ notice of a Q.E., such as new eligibility for Medicaid, Medicare or employer group coverage. (Note: Moving outside of NYS or the USA is not a QE to cancel NYSHIP.)

You should receive a notice with details by April 1. If not, contact Benefits.
NYSHIP after Employment Ends

- Employer-funded coverage extends for approximately 28 days after your last day of benefits-eligible employment.

- After coverage ends, you may continue NYSHIP group benefits under COBRA.
  - COBRA is currently available for a maximum of 36 months.
  - COBRA premiums are the full (employer + employee) share + a 2% administrative fee.
  - Notify Benefits in writing within 30 days if dependents lose eligibility (due to divorce, end of domestic partnership, etc.), to preserve their COBRA rights.
  - The NYS Department of Civil Service administers and bills for COBRA coverage.
  - Civil Service will specify a 60-day period in which to elect COBRA.
To meet the current general eligibility requirements, you must:

1. Have a total of at least 10 years of eligibility for employer-funded NYSHIP coverage;
2. Be enrolled in NYSHIP at the time of separation from NYS service; and
3. Meet the minimum age requirement for retirement (based on tier).

Unused sick leave (up to 200 days) is converted into a monthly credit that offsets NYSHIP retiree premiums.

Employees who meet the first two requirements upon leaving NYS service may continue coverage as vestees (by paying full premiums) until they reach minimum retirement age.
You are represented by United University Professions (UUP).

Membership is not required but provides the ability to vote and purchase personal lines of insurance (i.e., disability, home, auto, and additional life insurance beyond the basic benefit).

UUP offers a basic $6,000 life insurance policy.
There is no cost to you for individual or family coverage.

Your eligibility starts after 42 days of benefits-eligible employment.

Enrollment is SEPARATE from NYSHIP.

You MUST submit a separate enrollment form directly to UUP to activate coverage.

Call (518) 640-6680 if you have questions or visit www.uupinfo.org.

Participating Providers generally accept UUP’s schedule as payment in full and submit claims on your behalf.

Non-Participating Providers are paid by employees who must submit claims for reimbursement according to the fee schedule.
