WELCOME
It is a pleasure to welcome you to the 31st Annual University at Albany Multicultural High School Achievers Award Program. We, here at the University at Albany, share with great pride, the accomplishments of our high school achievers from the Capital District and beyond. This program provides the University the opportunity to reflect and reward high school seniors from this community who have distinguished academic records and who are involved in numerous school and community activities. Their achievements already are many, and we look forward to following their accomplishments as they move forward to college and, later, their careers.

We acknowledge with gratitude the role that our achievers’ parents, family members, and counselors have played in helping them to arrive at this day.

Our heartfelt congratulations and ongoing good wishes are with you today and always.

WELCOME
