\* Unit Norm reflects the mean, median, and standard deviation for all courses in this unit at this course level.

\*\* University Norm reflects the mean, median, and standard deviation for all courses at ECU at this course level.

Note: Response rate numerator may include students who only made comments; rate may not reflect late adds/drops.

## SOIS of Standard Face-to-face Courses - Comments Fall 2008

Course Name	Question 24 - Strengths	Question 25 - Suggestions	Question 26 - Additional Comments
MATH 4331 001 (008)		Book with better explained examples	
MATH 4331 001 (008)	Extremely helpful study guides, ability to earn credit for homework, professor is knowledgeable and helpful.	Perhaps some in-class quizzes to cushion the percentage weight of the 3 tests.	Great professor!
