Facilities for Living and Learning

Our unique campus was designed by the renowned architect Edward Durrell Stone and is an example of global modernist architecture. State-of-the-art research facilities, advanced cancer research, life sciences and nano-biotechnology. There is an art museum, sculpture studio, performing arts center, and athletic complex with an indoor and outdoor physical education facility. Students live in residence halls (quads) and in on-campus apartments. A bus service is convenient to all major shopping malls and downtown Albany.
