

**UAlbany's Department of Anthropology, the Institute of Mesoamerican Studies, and AGSO invite you to the premiere of the documentary:**

# **Alfarería yucunchana: Traditional pottery-making in the Mixteca Alta, Oaxaca**

*March 8, 2019 at 3:30-5:30 PM  
Fine Arts 126, reception to follow*

The film is the result of research and documentation efforts led by UAlbany professor Veronica Pérez Rodríguez with support from National Geographic. It is the first film that visually documents traditional knowledge, Mixtec language terms, and practices associated with this ancient and endangered craft.

*Film in Spanish and Mixtec with English subtitles.*
