-  Counts towards the GD AND your Electives AND may also count towards your Major, Minor or Gen Ed Requirements!

*See the back of this sheet for more information about the Global Distinction.

Prepared by CIEGS – 2018

What the Global Distinction Program can do for you!

Global Distinction is a new University at Albany Milestone (appearing on the bottom of your official transcript upon completion) conferred upon students who complete a structured set of life-changing, international academic experiences that produce a globally competent graduate. Today's employers and graduate school programs seek students who have the right balance of disciplinary knowledge and real-world problem-solving skills. In today's highly globalized society, scientists, artists, employees, and small business owners all need to master inter-cultural communication skills. Global Distinction meets that need through

- 2 years (4 semesters) of **foreign language** acquisition or the equivalent in proficiency
- **Interdisciplinary, globally-oriented coursework**, including 1 course that includes a focus on
 - Culture-Area Studies or Inter-Cultural Competency (**Culture**)
 - International Development or Economics (**Development**)
 - International Relations, Migration, or Human Rights (**Transnational**)
 - a Capstone Research Project that is approached with a global lens (if your Major requires a research seminar/paper)
- **International immersion** via a **study abroad** semester and an 8-10 week summer **internship/research** opportunity

You can graduate on time!

With the guidance of your academic advisors for your Major, Minor and the Global Distinction (GAP Director Dr. Annette Richie; email arichie@albany.edu for an appointment), you will find your "best fit" university for your study abroad semester and your summer internship or lab research placement. The "extra" language and interdisciplinary, globally-oriented coursework can be completed at UAlbany or abroad, or applied from your Transfer, Advanced Placement, and University in the High School courses. *Culture*, *Development* and *Transnational* courses can be found in various Majors and Minors and many fulfill Gen Ed requirements.

The GD program is within your financial reach!

You can use financial aid and most UAlbany scholarships for studying and interning abroad as you are earning UAlbany credit! Global Distinction participants will be eligible for a **Flight Voucher** to apply towards studying, interning, or researching abroad.

Global Academic Programs offers its own **scholarships**, including the World Within Reach Scholarship Fund and The Joan N. Savitt Scholarship for Study Abroad. Learn more at <http://www.albany.edu/studyabroad/scholarships-grants.php>. Jacqueline Ledermann, GAP Assistant Director, advises on external scholarship applications, such as the NSEP Boren Scholarship, the Benjamin A. Gilman International Scholarship, and the Critical Language Scholarship. Some nations and overseas universities that we partner with also offer their own scholarships. Amounts and eligibility criteria vary.

Study abroad in your Major at these UAlbany partner universities (these are just a few examples)!

(Students will find applicable coursework in International Relations, Law, Leadership, and Public Administration.)

Argentina: Universidad del Salvador (USAL, Buenos Aires)

Australia: University of Notre Dame of Australia (Freemantle and Sydney); University of Wollongong (Wollongong)

China: Beijing Normal University (Beijing); Fudan University (Shanghai); Peking University (Beijing); Sichuan University (Chengdu)

Denmark: Aarhus University (Aarhus); Study Abroad in Scandinavia (DIS Copenhagen)

Dominican Republic: Universidad Iberoamericana (UNIBE, Santo Domingo)

Finland: Abo Akademi University (Abo-Turku and Vaasa); University of Helsinki (Helsinki)

France: University of Grenoble-Alpes (Grenoble)

Germany: University of Applied Sciences 7 (Berlin, Bremen, Muenster, Munich, and Osnabruck)

India: Symbiosis University (Pune)

Ireland: Foundation for International Education (Dublin); National University of Ireland, Galway

Israel: Ben-Gurion University of the Negev (Beer Sheva); The Hebrew University of Jerusalem (Jerusalem); University of Haifa (Haifa)

Italy: Bocconi University (Milan); Università Cattolica del Sacro Cuore (Milan)
