The University at Albany’s Office of Student Involvement recognizes and values the benefit of undergraduate fraternal organizations. Close friendships, mentoring relationships, leadership opportunities, intercultural growth, community service and philanthropy programs, alumni engagement, and an emphasis on campus involvement are hallmarks of the fraternity and sorority experience at UAlbany. Our partnership with national and international headquarters helps to convey the importance of, and hold members accountable to, the founding principles of these organizations.

Currently there are 18 recognized fraternities and 18 recognized sororities. These organizations are governed by their Sub-Governing Council and are overseen by Mrs. Alvarez-Peña. These groups do not have houses off campus or any residence hall space assigned to them but they are allowed to use campus facilities for their activities. Thirty-three of these recognized groups are affiliated with national Greek organizations and one is a long-standing local group. If at any time you have questions about the recognition status of an organization, please contact Mrs. Alvarez-Peña or visit our website: www.albany.edu/involvement.

UAlbany does not recognize the following organizations. It is a violation of our Student Code of Conduct to affiliate with these organizations.
