Estimated costs for the 2022-2023 academic year. They are subject to change without notice by official action of the SUNY Board of Trustees. Fees are dependent upon actual registration. The fees reflected on your University at Albany bill may be different.

Use these cost estimates to determine the amount of financial support you need to show through bank statements and letters of support when you request an I-20 or DS-2019 form.

You must be a full-time student (12 credits for undergraduate and 9 credits for graduate studies) unless you have permission from ISSS to have a Reduced Course Load.

As part of a UAlbany student's overall budget, the university incorporates the cost of a computer. While the cost of a computer is not included in the above tuition and fees estimate, international students are expected to provide their for their own computer needs.
