In addition, Governor Cuomo announced all students will be required to be vaccinated against COVID-19 upon final approval by the FDA of a COVID-19 vaccine with limited exemptions. That approval is imminent and could be as soon as mid-September, according to the FDA.

Both the U.S. CDC and NYS recommend that travelers be vaccinated before traveling internationally, however proof of vaccination is not required to enter the U.S. at this time. [Proof of a negative COVID test or recovery from COVID-19 is required](https://www.albany.edu/covid-19/vaccinate-ualbany) for air passengers entering the U.S.; this is required even if you are already fully vaccinated.

**Traveling to the US Soon? Make sure you have your documents ready!**

We look forward to welcoming new students to UAlbany and welcoming continuing students back! Please follow this checklist to make sure you have everything you need for immigration at the border:

**F-1 and J-1 Students Should Carry:**

1. A valid passport (with at least 6 months validity remaining)
2. A valid (unexpired) F-1 or J-1 visa
3. A valid (unexpired) F-1 I-20 or J-1 DS-2019. If this is your first time entering the U.S. you do not need a travel signature. But if you are returning to UAlbany after studying outside the U.S. you need a recent travel signature on your I-20 or DS-2019. The signatures are valid for 1 year for enrolled F-1 students and 6 months for J-1 students and F-1 students on OPT. Request the travel signature at least 1 week before your flight: https://www.albany.edu/isss/91185.php

4. Air passengers must have a negative COVID test or proof of COVID recovery: https://www.cdc.gov/coronavirus/2019-ncov/travelers/testing-international-air-travelers.html

5. Special note for J-1 students traveling from a country or region requiring a National Interest Exception (NIE) waiver to enter the U.S.: make sure you have a copy of the NIE paperwork from your embassy/consulate (sometimes this is the J-1 visa, sometimes it is a letter from the embassy/consulate). F-1 students are covered by a "blanket" NIE; the only paperwork needed is the F-1 visa.

   Please also contact your airline to confirm whether or not they require anything else for F-1 or J-1 student travelers.

   If you are already vaccinated for COVID-19, don't forget to have a copy of your vaccination documentation in case you are asked for that. You should also upload this documentation through the Student Health Portal.

Participants Needed: Research Project Focusing on Chinese Native Speakers

Are you a Chinese native speakers who are studying in the United States for more than 3 years? Have you ever wondered if the Chinese language affects your English writing and vice versa? Let's explore how your brain works with two languages in your bilingual mind by joining my research!

My name is Hanh Dinh. I am a PhD student at the Department of Educational Theory and Practice, School of Education at SUNY Albany. I am reaching out to you for my dissertation research because your input can help me to investigate how Chinese undergraduate and graduate students learn vocabulary and use two languages in their academic study. If you are interested in participating in this study, please contact me at mdinh@albany.edu to schedule a one-time 50-minute meeting via Zoom at your most convenient time. You will be given a questionnaire to complete within the meeting. Your identity and contact information will always be kept confidential, so a Zoom meeting does not require video or any recording. The compensation for your time is $15 Amazon e-giftcard.

Thank you so much for your consideration. I enclose a recruitment flyer for your reference.

Best wishes,
Hanh Dinh
