

UALbany Votes is a campus-wide non-partisan, civic engagement movement of student leaders, faculty, staff, and university partners.

The role of the UAlbany Votes Committee is to advance the civic engagement initiatives on campus and develop innovative and inclusive ideas that can be implemented throughout the year to create a culture for civic engagement.

Want to become a UAlbany Votes Ambassador?

An Ambassador will be provided training, resources and peer networking in support of their mission to help facilitate and increase voter registration, education, and engagement on campus and beyond. This includes voter registration drives, classroom presentations, and group workshops all with the theme of voter engagement. After election season UAlbany Votes Ambassadors will be invited to join the UAlbany Votes committee in creating a new action plan to create a more inclusive environment for civic engagement throughout the UAlbany community!
