

# And build 50 hours of related volunteering/interning or work experience

Teaching:

- in a classroom
- with a community outreach organization
- in a formal tutoring capacity
- The subject of the teaching may be English as a Foreign/Second Language, special education, drama, or a STEM subject

Advanced School of Education students can:

- practice teaching, in elementary and secondary schools, through the Pathways into Education program (PIE)

Students with high grades in introductory STEM courses are hired by departments and the Academic Support Center (particularly through CSTEP), to tutor students in these courses

Working/volunteering:

- UAlbany Writing Center
- Conversation Partner with CIEGS Intensive English Language Program (IELP)

Students are paid to tutor in English Learning Centers at exchange partner universities.
