

If you choose Environment, take 3 courses from 1 of the following areas:

- Environmental Science or related field
- Natural Resources or Wildlife Management
- Natural Resources Conservation
- Park Administration
- Wildlife Biology
- Forestry
- Biology, Botany or Ecology
- Geology

Sample Courses

ABIO 218	Introduction to Plant Biology
ABIO 401	Ecology
ABIO 432	Animal Behavior
AENV 250	Sustainable Development: Energy and Resources
AENV 365	Environmental Science Fieldwork Exp.
AGOG 407	Biogeography
AGOG 424	Landscape Ecology
APHY 202	Environmental Physics
AUSP 330	Principles of Environmental Management (AGOG)
AUSP 430	Environmental Planning (AGOG)
AUSP 432	Parks, Preservation, and Heritage Planning
AUSP 436	Landscape Planning and Workshop
IESE 301	Introduction to Environmental and Sustainable Engineering
IESE 381	Energy Engineering
IESE 411	Water and Wastewater Treatment
IESE 451	Water Resource Engineering
IESE 452	Groundwater Hydrology
IESE 471	Hazardous Waste Management
RPAD 366	International Environmental Policy
