2nd Combined Symposium
April 5-6, 2019
Call for Papers

Faculty, Scientists and Engineers from:

- The Physics, Chemistry and Biological Sciences Departments of the University at Albany,
- The Albany and Utica Campuses of SUNY Polytechnic Institute,
- Engineers from Industrial Partners, and
- Engineers from Albany Fabrication Cleanrooms

are invited to submit applications for oral talks or posters.

Due Date: Friday March 8th

The event is scheduled in Albany, NY for Friday April 5 at SUNY Polytechnic Institute, and Saturday April 6 at UAlbany. Professors and engineers are invited to give new, conference-style 20-minute presentations that are understandable by faculty from diverse technical backgrounds.

A poster session/reception will occur during the evening of Friday April 5 at SUNY Poly. Posters are welcome from faculty, engineers and graduate students. Please register by Friday March 8th at: https://webapp.sunypoly.edu/forms/792-2/. Late submissions will be accepted as posters.
