

## Funding Opportunity Search Sites and Tools

- **Grants.gov** [www.grants.gov](http://www.grants.gov) is the single access point for over 900 grant programs offered by the 26 Federal grant-making agencies, allowing organizations to electronically find and apply for competitive grant opportunities.
- **Catalog of Federal Domestic Assistance (CFDA)** [www.cfda.gov](http://www.cfda.gov) contains detailed program descriptions for more than 2,300 Federal assistance programs.
- **Federal Agency Websites** (various) provide information on previous, upcoming, current, and future funding opportunities typically organized by division, institute, or directorate.
- **proposalCENTRAL** [proposalcentral.altum.com](http://proposalcentral.altum.com) is an e-grantmaking website shared by many government, non-profit, and private grant-making organizations.
- **NYS Grants Gateway** [https://grantsgateway.ny.gov/IntelliGrants\\_NYSGG/module/nysgg/goportals.aspx](https://grantsgateway.ny.gov/IntelliGrants_NYSGG/module/nysgg/goportals.aspx) serves as the primary outlet for New York State agencies to post upcoming and available funding opportunities.
- **Philanthropy News Digest** [www.philanthropynewsdigest.org](http://www.philanthropynewsdigest.org), a daily news service of the Foundation Center, is a compendium, in digest form, of philanthropy-related articles and features culled from print and electronic media outlets nationwide. The listing of competitive RFPs are updated daily.
- **Foundation Center** [www. http://foundationcenter.org/](http://www.foundationcenter.org/) maintains a comprehensive database on U.S. and, increasingly, global grant-making foundations and corporations (subscription required).
- **Weekly Networks of Excellence Funding Opportunities:** A listing of external funding opportunities relevant to SUNY's six Networks of Excellence culled from the resources above. Please email Kimberly Eck, Manager of Collaborative Proposal Development, [kimberly.eck@rfsuny.org](mailto:kimberly.eck@rfsuny.org) if you would like to be added to her weekly email listserve.
- **VIVO** <http://www.vivoweb.org/> is an open source semantic web application originally developed and implemented at Cornell. When installed and populated with researcher interests, activities, and accomplishments, it enables the discovery of research and scholarship across disciplines at that institution and beyond.
