

RF-Employees: University at Albany CAMPUS ADVISORY

To All UAlbany Research Foundation Employees,

As you may be aware [Governor Cuomo's Executive Order 204](#) recognizes June 19, 2020 as Juneteenth, a holiday for New York State employees.

The RF will also be observing this holiday. For those employees required to work, you are eligible for a floating holiday.

Instructions on how to complete your time record will be posted on the RFHR website.

Sincerely,

Tracey A. Williams
Director, RF Human Resources
