RF-Employees: University at Albany CAMPUS ADVISORY

To All UAlbany Research Foundation Employees,

We have been advised that the Research Foundation Pilot Telecommuting Program will be extended into 2022. It is not anticipated that there will be any changes to the program.

You should work with your supervisor to determine whether your Telecommuting Plan may continue along with the extension to the program beyond 12/31/2021. There is no need to submit a new application if the current plan in place is to continue after 12/31/2021.

Supervisors, unit heads and senior leadership must follow the considerations and factors established in the RF Telecommuting Policy.

Please contact RFHR at 437-4500 or rhr@albany.edu with any questions.

Sincerely,

James A. Dias, Ph.D.

Vice President for Research
RF-SUNY Operations Manager
University at Albany
