Received: Sep. 2014-Feb 2015

Duration: In 6 months

Title: **To Promote Opportunities for Students in the Middle East for Higher Education** **\$50,000.00**

PI: Arash Alaei, Kamiar Alaei, Kevin Williams, Ray Bromley, Fardin Sanai

Received: May 2012

AMANT FOUNDATION (Kamiar Alaei, Arash Alaei, PIs) \$25,000.00
“Delivering Online Academic Courses for Displaced Syrian Students.”

UNIVERSITY AT ALBANY FOUNDATION (Kamiar Alaei, Arash Alaei, PIs) \$25,000.00
The university matched a challenging grant with an additional \$25,000 contribution to deliver online academic courses for displaced Syrian students

ANONYMOUS DONOR (Kamiar Alaei, Arash Alaei, PIs) **\$25,000.00**
To deliver online education courses to displaced Syrian students

UNDER REVIEW GRANTS

USAID – (Kamiar Alaei, Arash Alaei, PIs) **\$10,000,000.00**
“To Promote and Integrate a Rights-Based Approach in HIV/AIDS Prevention and Care Service for Key Populations in Tajikistan (TJ), Kazakhstan (KZ), Ukraine (U), and Kyrgyzstan (KY)” To address gaps in existing HIV/AIDS prevention and care programs for key populations these countries, including people who inject drugs (PWID), commercial sex workers (CSW), men who have sex with men (MSM), and will particularly focus on implementation of these services within prisons.

UKAID – (Kamiar Alaei, Arash Alaei, PIs, Nilanjan Sarkar) **£ 2,800,000.00**
“Higher Education in Afghanistan”

To identify gaps in the quality of, and access to higher education in Afghanistan that will be conducive to that country’s development by creating a partnership between Afghan, U.K., and U.S. institutions. This project aims to create a Center for Higher Education Improvement in Afghanistan and implement a training program for faculty to support innovative teaching pedagogics.

National Institute of Health (NIH) – (Kamiar Alaei and Arash Alaei, PIs, Ashely Fox Co-PI) **\$275,000.00**

“Advancing Structural Interventions to Address the Political Economy Surrounding Intravenous Drug Users in Afghanistan.” Aims to identify the gaps in existing research to understand the relationship between infected drug users and migration and displacement in Afghanistan, focusing on adult users.

National Institute of Health (NIH) – (Kamiar Alaei, Arash Alaei, PIs, Yuchi Young, Co-PI) **\$275,000.00**

“Developing a functional disability Construct for older HIV/AIDS individuals” To develop the content and domain structure of a novel HIV/AIDS Disability Construct; and assess the validity and applicability of this HIV/AIDS Disability Construct. Such a scale would serve a dual purpose for individuals and organizations: to inform interventions that foster functional independence and quantify the needs of a population for LTC resources.

USAID – (Kamiar Alaei, Arash Alaei, PIs) **\$247,000.00**

“Enhancing Legal Protections for Women, Children, and the Disabled Through Advanced Training for Afghan Advocates, Health Professionals and Legal Professionals on the Rights of Women, Children, and Persons with Disabilities” To ensure and increase access to, and inclusion of women, children, and persons with disabilities within social systems in Afghanistan. We seek to do this by improving the capacity of lawyers, health professionals, and civil society organizations to assist target populations (women,

children, and persons with disabilities) accessing and protecting their full range of human rights. We will also aim to combat discrimination against and exclusion of the

World Bank – (Kamiar Alaei, Arash Alaei, PIs, Hani Mowafi, Kaveh Khoshnood, Co-PI) \$900,000.00

“Higher Education in Syria” To develop a project to deliver higher education in the form of academic courses and Intensive English Language Program (IELP) to displaced Syrian students via online methods. The project for displaced Syrian students aims to facilitate higher education, and prevent these students from halting their education during displacement.

IREX – (Kamiar Alaei, Arash Alaei, PIs) \$44,000.00

“Maternal mortality and morbidity in Iraq” This project will increase the number of nursing and midwifery educators trained on relevant maternal and child health challenges at the Hawler Medical University (HMU) College of Nursing, It will also expand the capacity of nurses and midwives while expanding the use of resources to overcome maternal and mental health challenges in Kurdistan, Iraq. This would become a model of a locally sustainable, low cost and high impact

New York State Department of State (NYSDOS) – \$30,000.00

(Kamiar Alaei, Arash Alaei, PIs)

“HIV access among immigrant populations in New York” This project aims to understand the role social and cultural factors play in HIV transmission among Muslim communities in New York State (NYS) to “End the Epidemic by 2020,” especially since the NYSDOH AIDS Institute data collection efforts do not include religious preference.

**TEACHING EXPERIENCES AND NEW EDUCATIONAL PROGRAM
DEVELOPMENT**

Clinical and Non Clinical Courses

Selected Innovative Interdisciplinary Educational Programs:

- 2016-2017** Co- Principal Investigator of Developing and Delivering Higher Education Program for Internally Displaced Syrian Medical Students. To understand the situations and barriers to education faced by displaced Syrian students, the GIHHR in collaboration with Syrian faculty members, launched the first phase of the program in July 2016. The first phase of the program offered three academic courses and two levels of IELP. This phase includes delivery of Genetics to 320 students, Head and Neck Anatomy to 353 students, Medical Terminology to 542 students, Intermediate Level IELP to 80 students, and

Upper-Intermediate Level IELP to 30 students. All courses are offered fully online, access from students' smartphones, and free of charge for internally displaced Syrian students.

- 2015-2017** **Principal Investigator of federally funded grant in leadership, environmental health and sustainable development** to develop an educational program to develop and deliver over 60 academic sessions and training of trainers mentorship for over 300 mid-career professionals.
- 2015-2017** **Principal Investigator (PI) of federally funded grant in global health and international law** to develop over 20 academic sessions and training of trainers mentorship for over 120 legal and health professional, medical students and law students in collaboration with several faculty members from University at Albany, Albany Law School, and University of Oxford among others.
- Fall, 2014** **PI of a Graduate Advance Certificate Program in International Health and Human Rights** established through the partnership among the Global Institute for Health and Human Rights (GIHHR) the University at Albany School of Public Health (SPH) and the Rockefeller College of Public Affairs and Policy Department of Political Science (ROCK) with partnership of Albany Law School, Union Graduate College, and Albany College of Pharmacy, to be offered to students and professionals.
- Fall, 2014** **PI of a proposal of 3-in-1 degree program**, a joint degree program of **Master of International Affairs (MIF), Master of Law (LLM), and Health and Human Rights Certificate** is a two-year program established through a collaboration of Global Institute for Health and Human Rights, Rockefeller College, and Albany Law School.

Taught Courses (overall course evaluation, SIRF: 4.80-4.95 out of 5)

Spring, 2017 **The Honors College, University at Albany, State University of New York, Albany, NY**

TPOS/TSPH 272 International Health and Human Rights: an Interdisciplinary Approach

Fall, 2016 **Global Medicine and Human Rights Seminar, L-LC, University at Albany**

Fall, 2016 **School of Public Health, HSPH 486/586
Rockefeller College, RPOS 486/586**

Health and Human Rights: an Interdisciplinary Approach University at Albany, State University of New York, Albany, NY

Spring, 2016 **Global Health Diplomacy and Human Rights, University at Albany**

- Spring, 2016** The Honors College, University at Albany, State University of New York, Albany, NY
TPOS/TSPH 272 Health and Human Rights: an Interdisciplinary Approach
- Fall, 2015** Global Medicine and Human Rights Seminar, L-LC, University at Albany
- Fall, 2015** School of Public Health, HSPH 486/586
Rockefeller College, RPOS 486/586 *Health and Human Rights: an Interdisciplinary Approach* University at Albany, State University of New York, Albany, NY
- Spring, 2015** Global Health Diplomacy and Human Rights, University at Albany
- Spring, 2015** The Honors College, University at Albany, State University of New York, Albany, NY
TPOS/TSPH 272 Health and Human Rights: an Interdisciplinary Approach
- Winter, 2015** Global Health Essentials training course at Weill Cornell Medical College
- Fall, 2014** HSPH 486/586 RPOS 486/586 *Health and Human Rights: an Interdisciplinary Approach* University at Albany, State University of New York, Albany, NY
- Winter, 2014** Psychiatric Grand Round at Yale Medical School, Continuing Medical Education (CME)
- Winter, 2014** Internal Medicine Grand Round, Mount Sinai Medical School, Continuing Medical Education (CME)
- Spring, 2014** Internal Medicine Grand Round, Yale Medical School, Continuing Medical Education (CME)
- Spring, 2014** The Honors College, University at Albany, State University of New York, Albany, NY
TPOS/TSPH 272 Health and Human Rights: an Interdisciplinary Approach
- Spring, 2013** The Honors College, University at Albany, State University of New York, Albany, NY
TPOS/TSPH 272 Health and Human Rights: an Interdisciplinary Approach

Summer, 2013 Global Health Essentials training course at Weill Cornell Medical College

Spring, 2013 Pediatric Grand Round at Albany Medical College, Continuing Medical Education (CME)

Spring, 2013 Internal Medicine Grand Round at Albany Medical College, CME

Fall, 2012 Guest Lecturer at Global Health Course, Harvard School of Public Health

Fall, 2012 Guest Lecturer at Global Health Course, SUNY Downstate Medical College

Fall, 2012 Guest Lecturer at Medical School of University of Illinois in Chicago

Spring, 2012 Guest Lecturer at School of Public Health, Johns Hopkins University

Fall, 2012 Guest Lecturer at Cancer Epidemiology course, School of Public Health, University at Albany

Fall, 2012 Guest Lecturer at Medical School, University of Wisconsin at Madison

Spring, 2012 Guest Lecturer at Global Health Course, Weill Cornell Medical College

2000-2005 Lecturer at Kermanshah University, Medical School and School of Public Health
Clinical Rotation training Topics: HIV/AIDS, Addiction, Prevention, Care and Management

SELECTED TRAINING WORKSHOPS

Spring, 2017 Co-Organizer of the first Workshop on Consortium for Health Education in Conflict (CHEC) in collaboration with Yale Medical School, Yale SPH, Harvard Humanitarian Initiative, South Carolina and SUNY-University at Albany

Summer 2016 Co-Organizer of the 2016 International AIDS Conference in Durban, South Africa, leading a discussion on the nature of the HIV epidemic within cultural, social, religious and governmental perspectives and how they can affect HIV care.

- Fall, 2016** **Co-Organizer of the first IREX-federally funded Workshop** on Global Health for 75 faculty members of Kurdistan of Iraq, Hawler Medical University, Iraq
- January 2016** **Co-Organizer of the Second High Level Consultation Meeting on HIV in Conservative Settings** at Bahcesehir University in Istanbul, Turkey to discuss the HIV epidemic among key population. This was sponsored by the OPEC Fund for International Development.
- Fall, 2015** **Co-Organizer of the first IREX-federally funded Workshop** on Global Health for faculty members of Kurdistan of Iraq, SUNY- University at Albany
- Spring, 2013** **Co-Instructor of the first WHO/PAHO Workshop** on Health and Human Rights to improve health conditions in prisons
- Spring, 2013** **Co-Instructor of Socio-Economic Development Monthly Seminars, University at Albany, State University of New York, Albany**
- Summer, 2012** **Co-Instructor of the second UN/WHO/PAHO Workshop** for the representatives from Ministry of Health, Ministry of Justice and Prison Organizations of El Salvador to improve health conditions in prisons of El Salvador
- Spring, 2012** **Co-Instructor of the first UN/WHO/PAHO workshop** to improve health conditions in prisons in the Latin American Region; the workshop hosted over 100 representatives of Ministry of Health, Ministry of Justice and Prison Organizations from 9 different countries of the Latin American region in El Salvador
- Fall, 2012** **Co-Instructor of Socio-Economic Development Monthly Seminars, University at Albany, State University of New York, Albany**
- 2002-2007** **Series of Continuing Medical Education (CME) workshops**
The CMEs were designed for medical doctors and senior staff at conferences in a number of cities including: Tehran (annually), plus Isfahan, Kermanshah, Zahedan, Mashhad, Shiraz, and Yazd. The CMEs were mainly focused on HIV/AIDS, addiction, prevention and care, and local and national management.
- 2004-2007** **Masih Daneshvari Hospital, Tehran**
HIV/AIDS, TB and Harm Reduction of Drug, Policy and Management
Presented to a group of doctors and senior staff from Iraq, Afghanistan, Tajikistan, Kirgizstan, Uzbekistan, Azerbaijan, Armenia, and Saudi Arabia

- 2004** **Skill Training Workshop on HIV/AIDS and Islamic Culture**
XV International AIDS Conference, Bangkok
- 2004** **Training Workshop of Peer Counselors of HIV/AIDS**
International Symposium of New Tactic in Human Rights, Ankara, Turkey
- 2003** **Evaluation of Treatment Services for Substance Use Disorders**
With the cooperation of WHO, UNODC and IUMS, Tehran
- 2003** **National Strategic Plan, Drug Abuse Treatment/Prevention of HIV/AIDS**
With the cooperation of UNAIDS and UNODC, Tehran
- 2002** **Panelist on Impact of Drug Abuse (RAPID) on HIV/IDU**
UN/WHO, EMRO, Cairo

Academic Advising

- 2000-present** Chair, Co-Chair, committee member, advisor or mentor to several undergraduate, master, doctoral students, medical students, law students and post doc fellows for their academic, dissertations and research projects
- 2011-2015** Founding Director and Academic advisor of International Academic Program for over 25 Iranian undergraduate and graduate students and 20 online students at SUNY
- 2011-present** Supervisor, mentor and academic advisor of undergraduate and graduate students from different universities such as Oxford, Princeton, UNC Chapel heal, Boston University, Brandies, Maryland, Albany Medical College, Albany Law School, etc. for their research projects and dissertations
- 2014-2015** Research supervisor and mentor of over 60 interns each semester at the GIHHR
- 2002-2008** Founding Director and summer advisor of Iranian American students to implement summer internship in Iran (15-25 students from Ivy League universities)

CONSULTING AND ADVISEMENT

- 2014** **Consultant to World Justice Forum, Rule of Law Index**
- 2013** **Consultant to Guidelines on Human Rights Education for Health Workers**

Office for Democratic Institutions and Human Rights (ODIHR)
<http://www.osce.org/odihr/105053>

- 2013** **Co- editor of series of UN/PAHO/WHO Modules** on different topics of health (HIV, Addiction, TB, Hepatitis, STI, etc.) and human rights for prisoners (under final review by WHO/PAHO)
- 2012** **Co- author of the First UN/WHO/PAHO Framework on Health and Human Rights for prisoners**
- 2006** **Consultant to UN/WHO Technical Reference Group**
Guide to starting, Managing and scaling up needle-syringe Programs
- 2004** **Official Comment to International Consultant to UN Reference Group**
Preparing the guidelines and policies for ARV in HIV/IDUs
- 2003** **UN/WHO Temporary Advisor on Harm Reduction in ICRDRH; Thailand**
- 2002** **UN/WHO/Eastern Mediterranean Regional Office Temporary Advisor on HIV/AIDS in Regional Advisory Panel on Impact of Drug Abuse; Cairo**
- 2002** **UN/WHO/ Eastern Mediterranean Regional Temporary Advisor on TB in IUATLD; Montreal**
- 2004** **Advisor to the Iranian National Council of Provincial Representatives, “Shoraye Aliey Ostanha”**
- 2003** **Advisor to the Director of Iran’s National Health and Care Department of Prisons Organization**
- 2002** **Member of National Committee of Harm Reduction of Iran’s Center for Disease Control, Ministry of Health**

MAIN MEDIA APPEARANCES

Selected Scientific Journals reports on Alaeis’ injustice trial in Iran due to their HIV/AIDS work

Iranian HIV docs charged.

New Scientist; 1/24/2009, Vol. 201 Issue 2692, p7

The article asserts that the imprisonment of prominent Iranian doctors Kamiar and Arash Alaei may impede relations between medics in the west and Iran and that it threatens global public health.

International AIDS Society calls for release of Iranian physicians.

Infectious Disease News; Sep2008, Vol. 21 Issue 9, p31

The article reports on the call of the International AIDS Society (IAS) for the release of Kamiar Alaei and Arash Alaei, two brothers and internationally respected clinicians from Iran arrested without being charged in June 2008.

Iran holds two HIV specialists in jail without charge.

Moszynski, Peter // **BMJ: British Medical Journal** (International Edition); 9/20/2008, Vol. 337 Issue 7671, p654

The article reports on increased concern throughout 2008 for the welfare of Arash and Kamiar Alaei, two brothers and world-renowned specialists in HIV and infectious diseases

Endangered Scholars Worldwide.

Clegg, John // **Social Research**; Spring2009, Vol. 76 Issue 1, preceding p1

The article presents information on scholars who have been imprisoned for their political beliefs and actions.

Jailed Iranian AIDS doctors lose court appeal.

Clegg, John // **Nature**; 4/23/2009, Vol. 458 Issue 7241, p958

The article reports that Iranian brothers and physicians Kamiar and Arash Alaei, who conducted HIV research, were sentenced to jail for allegedly conspiring with the U.S. to overthrow the government.

Health workers protest at unfair trial in Iran of two HIV and AIDS doctors.

Moszynski, Peter // **BMJ: British Medical Journal** (Overseas & Retired Doctors Edition); 1/17/2009, p133

The article reports that medical practitioners worldwide are protesting the trial of Iranian HIV and AIDS physicians Arash Alaei and Kamiar Alaei.

Iran holds AIDS doctors.

Butler, Declan // **Nature**; 9/18/2008, Vol. 455 Issue 7211, p269

The article offers information on the status of the Arash and Kamiar Alaei, two doctors who achieved international acclaim for their progressive HIV-prevention program. Both men were missing after they were arrested before their scheduled flight to Mexico to speak at the 17th International.

Jailed for success.

Rosenberg, Tina // **Prospect**; Oct2012, Issue 199, p44

The author comments on the government policies concerning HIV/AIDS reduction in Iran. She cites the imprisonment of HIV specialists Kamiar and Arash Alaei after being accused of related to the U.S.
