Office hours: after class each Friday, or by appointment

**Course objectives**
Students will learn about the history, architecture, and culture of the city of Washington—both the nation’s capital and the “real” city. They will learn how national politics has affected the city’s growth, both within and outside the federal core. They will also learn how to interpret historical and contemporary architectural and planning decisions as interpretations of national self-understanding. To solidify learning about these interactions, individual and team assignments will use (or critique) the theses in assigned readings by applying them to structured observations of the city’s buildings, neighborhoods, infrastructure, and spaces.

**Class times**
Meetings for RPOS 341 and 495z will be back-to-back on Fridays, starting at 9:00am (unless otherwise notified), in the 1st floor classroom at the Woodley Park residence hall. Some classes will involve (or be supplanted by) field trips. Ending times will vary; students are expected to be available all day each Friday for required activities.

**Books & readings**

- To be purchased and read (as indicated below) before you arrive in Washington.

Also recommended: Any good guide book to Washington, DC.

One other book is listed on the syllabus for POS 495Z. All other required readings will be available on Blackboard.

**COURSE POLICIES  RPOS 341, 342, & 495z**

**Attendance**
Attendance and active participation in class is expected every week, barring legitimate medical
excuses (following UAlbany guidelines). Any unexcused absence or lateness may result in a reduction in the student’s final grade. Family visits are not acceptable reasons for missing class.

**Internet and laptops**
Students will need to conduct online research to complete the assignments in this course. Use of laptops for note-taking is permitted, and laptops may be used for some in-class group work. However, use of any electronic device during class (including laptops) for non-class-related purposes is prohibited, and may result in loss of classroom laptop privileges and/or temporary confiscation of the device in question.

**Academic Honesty**
Students are expected to adhere to the University at Albany’s regulations concerning academic honesty: [http://www.albany.edu/eltl/academic_integrity.php](http://www.albany.edu/eltl/academic_integrity.php). Read these guidelines carefully, make sure you understand all provisions, and follow them in all your courses. Pay particular attention to the need for citations even when paraphrasing or summarizing material. Violation of these rules will result in severe penalty (usually failing the assignment and/or the course, depending on the violation) as well as referral to the appropriate academic authorities.

**Papers & assignments**
Short papers for RPOS 341 should be 2-3 pages each. Internship logs and informational interview write-ups for RPOS 342 should be 1-2 pages each.

Papers must be typed, double-spaced, with 1 inch margins, in 12-point Times New Roman (or closely comparable) font. Proofread carefully. Given the professional orientation of this program, points will be deducted for sloppy work (poor grammar, typos, etc.).

All RPOS 341 papers and assignments are due (hard copy) on the date on which they are listed the syllabus, unless otherwise noted in class. RPOS 342 logs and write-ups should be submitted via email by the date indicated. Late papers will incur a penalty of ⅓ grade (e.g., from a B+ to a B) per calendar day late.

**Grading**

**RPOS 341** (3 credits, A-E)

*Individual work*
- 4 short papers @ 10% each (4 papers) or 5% (lowest-scoring paper) 45% total
- Class preparation and participation 10%

*Team work*
- 3 team presentations @ 15% each 45%

**RPOS 342** (9 credits, S/U)

A grade of S requires:
- Satisfactory performance and punctual attendance for internship
- Completion of all 4 internship logs, 2 informational interviews and write-ups, and internship evaluation
COURSE SCHEDULE  RPOS 341 & 342
Readings and assignments/papers are due on the date for which they are listed.
Note that some extracts may include more than the required portion; students are welcome, but not required, to read further.
