General Student Questionnaire

Opening
The College of Emergency Preparedness Homeland Security and Cybersecurity (CEHC) (the new home of the former Department of Information Science and the Master of Science in Information Science (MSIS) Program) at the University at Albany is conducting a survey of students in the MSIS program to gauge your overall impression of the program, its curriculum and courses, and facilities.

This survey was last conducted in Fall 2017 and some of you may have completed this questionnaire. We are cordially asking you to take a few minutes from your busy schedules and complete this questionnaire for the current year, by January 31st. Also, please answer the open ended questions and provide us with your comments/feedback. Your responses are very much appreciated. They will be used to revise and improve the MSIS curriculum as well as provide a better experience for current and future students.

This questionnaire is anonymous and no personal information will be collected. To ensure anonymity, please avoid including any personal information when replying to the open-ended questions.

Thank you very much for your participation.
