**Education**

Ph.D. (Political Science) Stanford University, 1986.

Dissertation: *Political Reason and Public Freedom: A Critique of Max Weber's Theory of Politics*, 1986

M.A. (Political Science) Stanford University, 1971.

B.A. (Political Science) University of California, Berkeley, 1969.

**Positions**

Visiting Research Fellow Centre for Political Ideology and Department of Politics and International Relations Oxford University, Trinity Term (May-June 2011)

Associate Professor, Department of Political Science, University at Albany, State University of New York (1996-)

Assistant Professor, Department of Political Science, University at Albany, State University of New York (1990-1996)

Visiting Assistant Professor, Department of Political Science, University at Albany, State University of New York (1988-90)

Visiting Assistant Professor, Department of Political Science, University of Southern California (1985-88). (replacement appointment)

Lecturer, Department of Political Science University of Southern California (1984-85).

Instructor, European Culture Program, Occidental College (1981-82).

Teaching Assistant, Department of Political Science, Stanford University (1971-75, 1977-79)

## **Publications**

Book:

*Max Weber and Democratic Politics*. Cornell University Press, 1996. 237 pages (refereed). This book reinterprets Weber as a theorist who uses political sociology as part of a theory of political judgment. It demonstrates that he manipulates his political sociology so as to provide only partial tendencies when he seeks to discredit overly totalistic political projects he disagrees with and deterministic laws of politics when he seeks to discredit political commitments he disagrees with. It also examines the implications of Max Weber's account of political judgment and ethics for the theory of democracy. Finally, it provides a critical assessment of the meaning of his notion of political judgment for theories of strong democratic participation.

Articles and Chapters:

Chapter on “Weber’s Concept of Traditional Herrschaft Reexamined: Is it ever Superseded?” in *The Routledge International Handbook on Max Weber* ed. by Alan Sica Routledge. Published (Sept. 20, 2022) (refereed).

Chapter on “End of Democracy or Recurrent Conflict: Minimalist Democracy versus Political Equality” in book, *Robustness and the Fragility of Political Orders*, ed. by Ned Lebow. Cambridge Press (refereed). Forthcoming (Nov. 30, 2022). (refereed)

“Dynamics of Political Equality: Democratic Theory in Rousseau, Tocqueville, and Beyond” in the *Anthem Companion to Alexis de Tocqueville* (London: Anthem Press, 2019) 169-186 published May 30, 2019.

“Karl Mannheim and the Realism Debate in Political Theory” in the *Anthem Companion to Karl Mannheim* ed. By Volker Meja and David Kettler (London: Anthem Press, 2017).

### Other Publications

Articles on “democracy,” “oligarchy,” and “republic” in Neal Tate ed. *Governments of the World*, Farmington Hills: Macmillan (December, 2005). (refereed)

“Max Weber Among the Exiles: The Weber-Mannheim Project and the Launching of a Dynamic Political Science” in *Essays from the ‘No Happy End’ Workshop* ed. by David Kettler (Galda Wilch Publisher, 2002).

“Plebiscitary Democracy and Mass Protest” in *Insights into Democracy*, April, 1994, p. 3.

“Markets Against Democracy” in *Insights into Democracy*, April 1997.

### In Progress or To Be Submitted:

Chapter on “Weimar, and Postwar Political Science: The Case of Otto Kirchheimer” in Ned Lebow, Ludvig Norman eds. *Why Weimar?* Cambridge University Press.

Article co-authored with Zsofia Barta, on “Neoliberalism as a Problem of Democracy.”

Article on ““Is Social Citizenship Really Outdated or Not Yet Realized? T. H. Marshall Revisited” to be submitted to *American Political Science Review*

Article “The Boundaries of Egalitarian Citizenship: Dahl vs his critics and the Realism of Full Inclusion” to be submitted to *Politics, Philosophy, Economics*

Article on “Engagement and Withdrawal: Democratic Theory, Indignation, and the Dynamic Cycles of Protest” to be submitted to *Polity*.

### Books In Progress:

A book entitled *Political Equality: Movement and Counter-Movement*. This book is intended as an answer to the recent spate of works claiming that (liberal) democracy is at an end or is under a threat that might lead to its demise. This strand of political thought holds liberal democracy as a constant against which a variety of new threats ranging from populism to income inequality, to the breakdown of norms of political restraint are compared. Against this claim, I argue that what these commentators view as a radical new phase is in fact one moment in the cyclical struggle between the minimalist competitive model at the political-sociological core of liberal democracy whose logic is most clearly articulated in Schumpeter’s concept of competitive democracy as oligopolistic completion among parties and professional politicians, and the recurrent demand of citizens for a robust form of political equality. The argument that follows rests on what I call the Polanyi Analogy. The claim is this. Just as Karl Polanyi in *The Great*

*Transformation* argued that there is a constant struggle between the attempts of democracy to subdue and re-embed the self-regulating market under the collective demands of society and the attempts of the proponents of the self-regulating market to liberate it from political control and seek to untangle it from the institutions and norms of society, there is a *prior* struggle within liberal democracy whose political sociology is rooted in the minimalist model as initially laid out by Joseph Schumpeter. This struggle is between the proponents of political equality with respect to popular sovereignty seeking to subdue the competitive model in favor of the collective demands of the citizens and the proponents of the minimalist democratic seeking to displace all political equality to voting in competitive elections with the effect of liberating the parties and political elites to pursue political cartel arrangements using the resources of the state. Rather than seeking a harmonious relation between political equality and the minimalist model of democracy as is typical of much analytic political theory, the book seeks to trace the various permutations of this recurrent conflict across a number of areas in which political equality and liberal democracy are at odds--social citizenship, finance, deliberative democracy, transnational citizenship, immigration, social protest movements, and populism. The assumption guiding each discussion is that every attempt to find a harmonious reconciliation between political equality and the liberal state simply generates new versions of the conflict—sometimes, to use Polanyi’s language, representing a forward thrust for political equality, other times representing a countermovement in favor of the minimalist model of democracy.

Book on *Judgment and Examples in Political Theory* which examines the roles of examples in supporting generalizations in political theory.

An article or short book on the new political realism in political theory called “Three Types of Realism in Political Theory. This article discusses three different ways political theorists have understood the relation of political ideas to fields of political conflict. The article claims that attempts to test political categories and principles by the stress put on them by “real” politics can be analytically understood as following under three approaches: political reality based on existential claims about politics, political reality based on static sociological tendencies, and political reality based on a reflexive understanding of the relation of political ideas to their political sociological context. The latter means that what counts as political reality for a political theory is itself contested against other claims about political reality those concepts of political reality effect the actual field of political conflict itself.

### **Papers and Conference Participation**

Discussant Panel on “Property and Improperty in Early Modern Political Thought” at meeting of American Political Science Association, September 15-18, 2022.

Discussant at Poster Session at meeting of American Political Science Association, September 15-18, 2022

As member of the International Political Science Association Research Committee, RC 31 Political Philosophy, helped organize Conference, “Decolonizing Western Political Philosophy” University of Leiden, Leiden Netherlands, June 10, 2022.

Paper on “Liberal Democracy, Populism, and the Polanyi Analogy” and Chair of Panel, “Frontiers of Democratic Theory” at International Political Science Association Meeting online July 10-15, 2021.

Discussant and Chair on Panel on “Thinking with Arendt” at virtual meeting of the American Political Science Association, September 10-13, 2020.

Discussant on Panel on “Political Parties and Participation” at virtual meeting of the American Political Science Association, September 10-13, 2020.

Paper with Zsofia Barta, “Neoliberalism as a Crises of Democracy” given at the Meeting of American Political Science Association, Washington, DC, August 29 – September 1, 2019.

Chair on Panel “Democratic State Power, Blind-spots, and Resistance” at the Meeting of American Political Science Association, Washington, DC, August 29 – September 1, 2019.

Paper with Zsofia Barta, “Neoliberalism as a Crises of Democracy” given at the Council of European Studies Conference, Madrid, June 20-23, 2019.

Paper on “Dynamics of Political Equality: Democratic Theory in Rousseau, Tocqueville, and Beyond” delivered at Conference on *Reading Tocqueville in the 21st Century* at Providence College, October 5-6, 2018.

Discussant and Chair on Panel, “Egalitarianism and Social Democracy” at Meeting of American Political Science Association, Boston, August 30-September 3, 2019.

Paper on “Neoliberalism as a ‘Political’ Dilemma” at Western Political Science Association Meeting, March 29-31, 2018.

Discussant on Panel, “Whither Rationality, Whither Politics? Contesting the Neoliberal State” at American Political Science Association Meeting in San Francisco, August 31-September 3.

Discussant and Chair on Panel “Equality” at Western Political Science Association Meeting in Vancouver, Canada, April 13-15, 2017.

Paper on “Political Equality between Populism and Liberalism: A Defense of Left Populism” delivered at American Political Science Association Meeting in Philadelphia, September 2-4, 2016.

Discussant for panel on “Leadership and Governance” at American Political Science Association Meeting in Philadelphia, September 2-4, 2016.

Organized and participated in Roundtable on John Medearis, *Democracy is Oppositional* for the Western Political Science Association Meeting, March 24-26, 2016.

Discussant and Chair on Panel on “Political Judgments” Western Political Science Association Meeting, March 25, 2016.

Lecture on “Engagement and Withdrawal” on panel on “Political Disobedience: Revisiting Political Resistance,” Ankara University, November 13, 2015.

Invited lecture on “Democracy as a Problem for the Rich” at the Metropolitan Technical University, Ankara, Turkey, November 12, 2015.

Paper: “Weber’s Scientific Clarification of Politics—Restraining Professorial Authority” to be delivered at the Society for American Intellectual History Conference in Washington DC, October 15-18, 2015.

Paper: “The Boundaries of Egalitarian Citizenship,” for panel I organized on “Immigrants and Democratic Theory: A Problem Only for Outsiders?” American Political Science Association Meeting in San Francisco, September 3-6, 2015.

Paper: “The Rich as a Problem for Democracy or Democracy as a Problem for the Rich?” for Conference on “The Rich as a Democratic Problem,” University of Southampton, UK. June 24-25, 2015.

Discussant for panel, “Digital Publics,” American Political Science Association Meeting in Washington DC, August 28-31, 2014.

Chair and Discussant on Panel on Comparative Political Theory International Political Science Association, Montreal, July 20-25, 2014.

Paper “The Boundaries of Egalitarian Citizenship: Dahl vs his critics and the Realism of Full Inclusion” delivered at the International Political Science Association, Montreal, July 20-25, 2014.

Section Head: Critical and Normative Theory, Western Political Science Association Meeting April 15-20, 2014, Seattle Washington.

Discussant on and organizer of panel, “How ‘real’ is Realism in Political Theory”  
Western Political Science Association Meeting April 15-20, 2014, Seattle Washington.

Papers on “Time, Development, and Modernity: Combining Cyclical Recurrence and Tendentia Developments in Modern Political Theories—A Matter of Political Judgment?” and “Equality, Rights, and Citizenship: Political Equality as Fundamentally Expansive Concept” at Seminar on *Relating Ideologies: The migration of ideas between political thought systems* 11-13 December 2013, University of Virginia USA Sponsored by the University of Nottingham's Centre for Advanced Studies and the Schools of Politics and History

Paper on “The Left Egalitarian Embrace of *Equal Opportunity* and its Problems” delivered at the Western Political Science Association meeting in Hollywood CA, March 28-30, 2013.

Paper on “Democratic Theory and Finance” delivered at the International Political Science Association meeting in Madrid, Spain, July 8-12, 2012.

Participant Roundtable on “Franz Neumann’s *Behemoth*” (contribution: “Neumann’s Two Images of Democracy in *Behemoth*”) at the Midwest Political Science Association, April 11-14, 2012.

Paper on “Democracy and the Veto Power of Finance: The Challenge of Banking to Democratic Theory” delivered at the Western Political Science Association meeting, March 21-25, 2012.

Panel Member on Roundtable: “Rights and Realism,” meeting of the American Political Science Association, Seattle September 1-4, 2011.

Paper on “Ideologies of Economic Populism in America and their Subversion by the Right” for conference on “Transformations of Populism in Europe and the U.S.: History, Theories and Recent Tendencies,” at SUNY, Buffalo State on April 8-9, 2011.

Discussant for panel on “Participation and Protest” at meeting of Association for Political Theory in Portland Oregon, October 21-23, 2010.

Paper on “Engagement and Withdrawal—Democratic Theory, Indignation, and the Dynamic Cycles of Protest” to be delivered at the meeting of the American Political Science Association in Washington DC, September 2-5, 2010.

Paper on “Contesting Political Equality,” delivered at the meeting of the American Political Science Association in Toronto, Canada, September 3-6, 2009.

Paper on “Contextualizing Political Equality: Political Equality as an Essentially Expansive Concept” delivered at the Western Political Science Association meeting, Vancouver, Canada, March 19- 21, 2009.

Paper on “A Postwar Encounter Without Pathos: Otto Kirchheimer's Critical Response to the New Germany” delivered at the Conference on First Letters of German Emigres to Post-War Germany, Trinity College, November 14-15.

Discussant on Panel, “Capitalism and its Critics,” Association for Political Theory Conference, Wesleyan University, October 9-12 2008.

Discussant on Panel “Economic Justice and the Politics of Solidarity,” meeting of the American Political Science Association in Philadelphia, August 28-31, 2008.

Paper on “Cosmopolitan Citizenship: An Extension of Domestic Struggles for Political Equality?” delivered at the International Studies Association, March 26-29, 2008, San Francisco.

Discussant on panel, “Weberian Themes,” Conference of Association of Political Theory, October 11-14, 2007 University of Western Ontario, London, Canada.

Paper on “The Subversion of Economic Populism” delivered at meeting of American Political Science Association, Chicago, August 30-September 2.

Paper on “Political Theory, Political Science, and the Problem of Ideology” delivered at meeting of American Political Science Association, Philadelphia, August 31-September 3.

Paper on “Contextualizing Political Theories in Fields of Political Conflict” delivered at meeting of Midwest Political Science Association, Chicago, April 20-23, 2006.

Paper on “Is Social Citizenship Really Outdated? T. H. Marshall Revisited” at meeting of the Western Political Science Association, March 16-18, 2006.

Paper on “Political Maxims and Transgressive Examples in Machiavelli” delivered at meeting of the American Political Science Association, Chicago, September 2-5, 2004.

Paper on “Max Weber’s *Protestant Ethic* as Hypothetical Narrative of Original Accumulation” delivered at the Conference “Max Weber and the Spirit of Modern Capitalism - 100 years later” organized by Max Weber Studies and the British Sociological Association, Toynbee Hall London, June 11-12, 2004.

Colloquium and Commentary, Cornell University, May 4, 2004.

Paper on “Max Weber’s ‘Objectivity’ essay: Social Science or Political Advice?” delivered at the conference on Max Weber’s essay on Objectivity in the Social Science: “100 Years of ‘Objectivity,’” March 25-27, 2004 at the University of Montreal.

Paper on “Cosmopolitan Citizenship versus the Claims of Territorial States” delivered at the meeting of the International Studies Association in Montreal, March 17-20, 2004.

Paper on “Does Democracy Really Require Complex Equality?” delivered at the meeting of the American Political Science Association, Philadelphia, PA, August 28-31, 2003.

Paper on “Machiavelli’s ‘New Prince’: Paradigmatic Example or Fiction?” delivered at Hudson Mohawk Conference on Political Thought, University of Massachusetts at Amherst, April 11, 2003.

Paper on “Machiavelli’s ‘New Prince’: Paradigmatic Example or Fiction?” delivered at the Midwest Political Science Meeting in Chicago, April 3-6, 2003.

Paper on "Unnatural selection:" Max Weber's Concept of ‘Auslese’ and His Criticism of the Reduction of Political Conflict to Economics” delivered at the International Studies Association Meeting, February 25-March 1, 2003 in Portland, Oregon.

Chair and Discussant on panel “Justifying Privacy” at the APSA Convention in Boston, August 29-September 1, 2002.

Paper on “Translating Max Weber: Exile Attempts to Forge a New Political Science” delivered at the conference on “Contested Legacies,” Bard College, August 13-15, 2002

Paper on “Against Neo-Schumpeterian Theories of Democracy” delivered at the Midwest Political Science Meeting in Chicago, April 25-28, 2002.

Discussant on Panel, “Machiavellian Moments” at the American Political Science Association Convention in San Francisco, August 29-September 2, 2001.

Paper on “Max Weber Among the Exiles” delivered at the Conference on “Happy End? Emigre Intellectuals in the UK and USA” at Bard College, February, 15-19, 2001.

Paper on “Sociological Prudence and Political Choice: Weber, Mannheim, and Dynamic Political Theory” delivered at the APSA Convention in Washington D.C. August 31-September 3, 2000.

Chair and Discussant on panel, “Historical Perspective on the State” at the APSA Convention in Washington D.C. August 31-September 3, 2000.

Paper on "Why a Citizenship-Driven Concept of Equality Still Makes Sense" delivered at the Midwest Political Science Meeting in Chicago, April 15-17, 1999.

Paper on "Political Equality and Community" delivered at the APSA Convention in Boston, Sept. 3-6, 1998.

Paper on "Deliberative and Associative Democracy and the Problem of Power Struggle" delivered at the APSA Convention in San Francisco, August 29-Sept. 1, 1996,

Chair, Participant, and Organizer of Panel on "Pateman's *Participation and Democratic Theory* 25 Years After" for APSA Convention in Chicago, 1995.

Paper on "Realism as 'Concrete Phantasy': The Problem of Left Political Judgment in Antonio Gramsci" delivered at the New York Political Science Association, New York City. April 29, 1995.

Paper on "Political Judgment and Paradigmatic Examples" delivered at the American Political Science Association, New York City, September 1-4, 1994.

Paper on "Economic Logic of Modernity, The Political Logic of Economics in Max Weber" delivered on a Panel on "Political Theory and Markets" American Political Science Association, Washington D. C. September 3-6, 1993.

Paper on "Economic Logic of Modernity, The Political Logic of Economics in Max Weber" delivered on a Panel on "A Dialogue on Weber" New York Political Science Association, New York City. April 23-24, 1993.

Paper on "Political Sophistication and Direct Democracy" delivered at the meeting of the American Political Science Association August 29 to September 1, 1991.

Organized panel on "Political Judgment and Participatory Democracy" at the meeting of the American Political Science Association, 1991.

Discussant, panel on Radical Democracy and Modernity, New York Political Science Association in New York City, April 12, 1991

Paper on "Personhood and Democracy in Max Weber" delivered at the Columbia University Seminar in Political Thought, November 16, 1990.

Discussant, panel on Theory and Practice, New York Political Science Association in Albany, April 11, 1990

Paper on "Personhood and Democracy: Max Weber's Hidden Political Argument" delivered at the APSA Convention San Francisco, 1990.

Paper on "Democratic Autonomy, Political Ethics, and Moral Luck" delivered at the APSA Convention in Washington D.C., 1988 as part of panel on Democracy and Modernity.

Paper on "Max Weber: Political Ethics and the Irrationality of Mass Politics" delivered at the APSA Convention in Chicago, 1987 as part of panel on Max Weber, Leadership, Mass Politics, and Modernity.

Discussant on panel on Recent Feminist Theory, Western Political Science Association Meeting, Eugene, Oregon (Spring, 1986).

Discussant on panel on Feminist Theory, Western Political Science Association Meeting, Las Vegas, Nevada (Spring, 1985)
