

Carlos E. Jimenez Gomez

1035 Van Antwerp Rd., Schenectady, NY 12309. USA • +1 (518) 867-6168 • carlosjimenez@ieee.org

EDUCATION

- **MS. in Data Science.** Open University of Catalonia (UOC), Spain. Master thesis field: Artificial Intelligence and open data (*Predictive analysis of open data on touristic use of New York City bike-sharing service*). July 2018.
- **MA. in Information & Knowledge Society.** Open University of Catalonia (UOC), Spain. Research master thesis field: Digital Government (*Determinants of e-Justice interoperability*). July 2011.
- **Graduate Certificate in Management Information Systems.** Polytechnic University of Catalonia (UPC). Barcelona, Spain. September 2009.
- **Bachelor in Computer Science and Management.** National Distance Education University (UNED), Spain. January 2008.

- **Certifications and specialization courses:**
 - **AI & Digital Transformation in Government.** University of Oxford - Saïd Business School. December 2025.
 - **IBM Cybersecurity Analyst.** Professional Certificate. 8 courses. IBM on Coursera. January. 2021.
 - **Homeland Security and Cybersecurity.** Specialization. 4 courses. University of Colorado System on Coursera. November 2020.
 - **Diploma in Law & New Technologies, and specialization courses on the Administration of Justice** of the Ministry of Justice and Center for Legal Studies and Specialized Training, Spain. 1991-2016.

PROFESSIONAL EXPERIENCE

- **Independent Consultant in Government/Justice Digital Transformation.** Since December 2009. Diverse projects and activities. (*) Compatible in parallel with full time positions:
 - **European Union-Argentina Cooperation Project on Digital Transformation and Technological Innovation.** Digital transformation expert for the European Union. Workshops (Strategy and Data Governance). March 2026 – May 2026.
 - **Pakistan. CODE.** Data analysis of criminal cases (crimes of rape, gang rape, and child sexual abuse) in the provinces of Islamabad capital district, Khyber Pakhtunkhwa, Punjab and Sindh. January 2026 – February 2026.
 - **Mexico - ISAP.** Invited speaker. Keynote on Government Digital Transformation. January 2026.
 - **European Union-Argentina Cooperation Project on Digital Transformation and Technological Innovation.** Digital transformation expert for the European Union. Workshops (Open Government). November 2025 – December 2025.
 - **Inter-American Development Bank.** Evaluation of results of the 2016 – 2020 national Digital Strategic Plan of the Dominican Republic, under a Digital Government perspective. November 2019 – May 2020.
 - **Peruvian Criminal Justice System Authorities (ACCEDE-PMSAJ).** Design of the National Interoperability Strategic Plan for the Criminal Justice System of the Republic of Peru (Departments of Justice, Department of Homeland Security, Attorney General / Prosecution; Supreme/Constitutional Court, Judiciary Power, National Police, and Prisons Authorities of Peru). March 2017- June 2017.
 - **Ministry of Justice of Spain – FIIAPP (*).** European Union expert appointed to support the Ministry of Justice of Tunisia (PARJ) for the improvement of the statistics unit. April 2016 – July 2016.
 - **Foundation Julio Ricaldoni, e-Government Network of Latin America and the Caribbean (*).** Diagnosis on public software in Latin America and the Caribbean. Development of an improved Public Software maturity model. October 2014, October 2016 (two phases).
 - **Spanish Agency for International Development Cooperation (AECID) (*).** Support to Department of Planning, Budget and Management of Brazil, with the development of the e-Government Interoperability Guide of

- Brazil, for the Brazilian e-Government Interoperability Framework (e-PING). Analysis of the e-Government interoperability frameworks (NIF) in the European Union countries. July 2010 – October 2010.
- **Latin American Administration Centre for Development (CLAD) (*)**: Co-author of the Ibero-American e-Government Interoperability Framework (*Bases para una Estrategia Iberoamericana de Interoperabilidad*). Policy document signed by 21 countries at the XX Ibero-American Summit of Heads of State and Government. February 2010 – July 2010.
 - **Fundosa Technosite (European Commission project) (*)**. Country Policy Expert (Spain) in the project “Monitoring e-Accessibility in Europe” commissioned by the European Commission, DGISM. December 2009 – December 2011.
- **Principal Consultant and Digital Transformation Expert at the National Center for State Courts (NCSC)**. International Programs Division. USA. May 2023-February 2025 (Full Time).
 - Technical and specialized assistance, research, and training on digital transformation efforts and IT systems development in digital government. Assessments and recommendations on strategic multi-dimensional components for digital transformation, IT organizational assessments, assistance and participation in multidisciplinary collaborative efforts, participation in multi-stakeholder high level meetings, assistance in preparation of interoperability and data sharing protocols, technical direction and supervision, analysis, and projects under enterprise architecture. Presentations, training sessions and participation in activities related to digital transformation, innovation and artificial intelligence adoption, and technical coordination in specialized fora. Work with NCSC’s office in the United States, international field offices, and countries program counterparts in Africa, Asia, and Latin American and Caribbean countries:
 - Analysis and support by engaging key criminal justice system interlocutors at the Ministry of Justice, the Law and Justice Commission of Pakistan, and key stakeholders of the Republic of Pakistan, to design and implementation requirements of a comprehensive interoperable criminal justice case management system.
 - Assist the Court of Accounts of the Republic of Tunisia in developing and adopting a Digital Transformation Strategy, provide technical expertise to accompany the implementation of the Strategy, enabling interoperability, developing a new information system, and provide guidance and mentoring to the Court of Accounts, and/or other relevant GOT counterparts to manage change.
 - Specialized assistance and analysis necessary to accompany digital transformation efforts with program counterparts and help oversee the development, testing, and rollout of a digital platform for a new Prison Records Management System (PRMS) of the Republic of Tunisia.
 - Specialized assistance and analysis necessary in the elaboration and updating of the Republic of Tunisia Criminal Justice Interoperability Feasibility Study.
 - Specialized assistance and analysis necessary to the facilitation of an organizational assessment of the Ministry of Justice’s General IT Directorate of the Republic of Tunisia.
 - Specialized assistance in training addressed to strengthening anti-corruption institutional mechanisms in the Judiciary of Costa Rica. Digital and Open Justice panel within the RAGA Conference. June 2024.
 - Technical assistance and analysis of the Republic of Honduras Department of Anti-Corruption Fighting and Transparency organizational performance, under an Institutional and Human Capabilities Development methodology (HICD). May 2023-December 2023.
 - Specialized assistance in training addressed to strengthening anti-corruption institutional mechanisms in the Judiciary of Costa Rica. Council of the Central American Judiciary. May 2023.
 - Other innovation-related activities, such as presentations in NCSC training sessions on artificial intelligence adoption in courts and participation in the Artificial Intelligence implementers forum.
 - **TOP Judicial Sector and Information Systems Expert at the National Center for State Courts (NCSC)**. International Programs Division. USA. September 2018-April 2023. (80%-100%).
 - Specialized assistance and analysis to accompany the digital transformation efforts of Anti-corruption institutions, Courts, and other relevant government counterparts. Multi-stakeholder interoperability assessments, digital transformation readiness assessments, strategic planning and policy recommendations, digitalization strategies and support in change management, analysis and preparation of technical and

functional specifications, technical direction and supervision in projects implementation. Different countries in Africa, Asia, Middle East and Latin America and Caribbean:

- Specialized assistance and analysis to accompany the digital transformation efforts of the Anti-corruption institution (INLUCC), Court of Accounts and other relevant government of Tunisia institutions, overseeing the development and rollout of new electronic platforms and applications. December 2021-April 2023.
- Specialized assistance and analysis necessary to accompany digital transformation efforts at the Supreme Court of the Philippines, justice sector, and other relevant Government of Philippines (GOP). March 2023-April 2023.
- Technical coordination of the Justice in the Americas Forum on Open and Digital Justice. Within the framework of the IX Summit of the Americas. April 2022-June 2022.
- Specialized analysis and technical/policy recommendations on e-Justice, Open Justice, Open Data, and modernization business opportunities in Central American countries. May 2021-April 2023.
- Digital transformation readiness assessment, and support in the development of the digital transformation strategy of the Court of Accounts of the Republic of Tunisia. October 2021-November 2021.
- Technical support for the records digitalization strategy of the Court of Accounts of the Republic of Tunisia. February 2020-September 2021.
- Technical direction and support in change management, in the development of the government officials' assets declaration electronic platform of the Anti-corruption institution of the Republic of Tunisia. November 2018 – September 2021.
- Specialized assistance and analysis addressed to develop the Criminal Justice Chain Interoperability Roadmap of the Republic of Tunisia. July 2019 – February 2021.
- Specialized assistance, analysis, and development of roadmap to digitalizing archive records of the High Judicial Court of the Lebanese Republic. February 2019 – June 2019.
- Assessment of technical and functional specifications for the development of a government officials assets e-declaration platform for the Republic of Tunisia. September 2018 – November 2018.

- **E-Justice Functional Expert (State courts administration).** February 2007 – August 2016. (Full time).
 - **Information Systems Division of the Department of Justice of Catalonia. *E-Justicia.cat* Program** Barcelona, Spain.
 - Within the modernization program addressed to implement the full paperless courts in Catalonia, person in charge of the functional requirements and digital transformation analysis, for the digital justice system core subsystems (judicial digital case management, digital procedure, and electronic documents).
 - Person in charge of the change management, and lead trainer of trainers on systems/modules: police digital e-warrants management, e-filing, e-signature, digital procedures management, e-records, e-registry, e-evidence, attorney extranet, and e-notifications.
 - Supervision of key performance indicators' implementation for the new Business Intelligence tool.
 - Awards: Spain's Judiciary Council "Quality of Justice" awards, (2012, 2013, 2014), and Barcelona's recognition as European Capital of Innovation (European Commission "iCapital" award, 2014).

- **Administration of Justice. Officer of the Court (Court operations federal civil service).** November 1991 – January 2007. (Full time).
 - **Ministry of Justice of Spain** Barcelona/Seville/Valladolid/Avila, Spain.
 - Different positions and responsibilities (court assistant and clerk) in different courts (appeal, district, trial, county, town), jurisdictions and areas (bankruptcy, criminal, violence against women, civil, family, administrative law, labor and employment).

TEACHING

- **Academic Advisor / Tutor**

- **Open University of Catalonia (UOC University), Spain. Department of Informatics, Multimedia, and Telecommunications.**
 - *Academic advisor for the Master in Data Science graduate program (Online, Asynchronous). Barcelona, Spain. Each semester (since July 2019).*
 - Provide academic advising for the Master's in Data Science program, guiding an average of 120 students per semester in academic planning, course selection, career development, and program engagement.
 - Support students in navigating interdisciplinary challenges within data science studies.
 - Serve as a member of the Admissions Committee to the Master's Program in Data Science (since June 2024), collaborating with UOC faculty and staff to evaluate applicants and determine admissions decisions.
 - *Academic advisor for the Preparatory Course for Admission to the Master's Program in Data Science. (Online, Asynchronous). Barcelona, Spain. Each semester (since June 2024).*
 - Advise students enrolled in the preparatory program, which provides foundational undergraduate-level data science coursework for applicants lacking key prerequisites for the master's program
- **Master Thesis Advisor**
 - **Politecnico di Milano and Universidad Politécnica de Madrid. POLI.DESIGN, Italy.**
Master's thesis advisor within the Artificial Intelligence for Public Services Master's program. Since May 2026.
 - Supervised master's theses as primary thesis mentor.
 - **Open University of Catalonia (UOC University), Spain. Department of Law and Political Science.**
Master's thesis advisor and thesis examiner, within the Master's in Public Administration and e-Government. January 2019 – July 2021
 - Supervised master's theses as primary thesis advisor and served as thesis examiner.
- **Adjunct Professor**
 - **University at Albany, State University of New York, USA. Rockefeller College of Public Affairs & Policy.**
Courses taught within the Information Technology and Management specialization:
 - *Managing Technology-Driven Change.* Online asynchronous. Undergraduate course (August 2019 – January 2021).
 - *The Justice System in the 21st Century: Management, Innovation, and Emergent Technologies.* Online asynchronous. Graduate course (May 2019 – January 2021).
 - **Other Universities.**
Previously taught at Pompeu Fabra University, Rovira i Virgili University, and La Salle Business & Engineering School University (Spain), as well as Continental University (Peru) (July 2008 – July 2016).
- **Trainer of public officials.** Programs on Transparency, Open and Digital Government, Open and Digital Justice. Executive training (remote and onsite). Programs sponsored by high authorities of different countries and multi-lateral international public organizations (Colombia, Costa Rica, Dominican Republic, Mexico, Peru, Spain). July 2009-April 2023.

APPLIED RESEARCH

- **Independent researcher. Applied research grants awarded by the Department of Justice of Catalonia (Spain) (*):**
 - Open Justice: transparency and closeness to citizens in the context of Open Government. 2014.
 - Impact of the Information Technology regulation on the Administration of Justice. 2012.

AWARDS, PUBLIC RECOGNITIONS, AND EXCELLENCE CERTIFICATIONS

- **Institute of Electrical and Electronics Engineers (IEEE) Computer Society.** Golden Core Award. 2020.
- **IEEE Society on Social Implications of Technology.** Distinguished Lecturer. January 2015 – December 2025.
- **IEEE Computer Society.** Distinguished Visitor. January 2014 – December 2016.
- **IEEE.** IEEE Senior Member. Since 2014.
- **United Nations Development Programme.** Online Volunteer of the Year Award. 2005.

BOARDS, PROFESSIONAL ASSOCIATIONS AND COMMITTEES

- **New York State Academy for Public Administration (SAPA).** Fellow. Since May 2024.
- **Association for Computing Machinery (ACM)** member since 2010. Member of the ACM United States Technology Policy Committee (since 2022).
- **IEEE Computer Society** member since 2005. Elected member of the Board of Governors (2022-2024) and (2019-2021); Strategic Planning Committee (2020); Smart Cities Ad-Hoc Committee (2020-2021); Nominations Committee (2020); Audit Committee (2019); MGAB vice chair (2017-2018); Special Technical Communities Executive Committee chair (2017-2018).
- **IEEE** member since 2005. Member of the Ad-Hoc Committee on Coordinating IEEE's Response to Multimedia based Digital Reality Technologies (2023); Artificial Intelligence Standards Committee (2021); Division VIII Nomination Committee (2020).
- **IEEE-USA.** Member of the Artificial Intelligence Policy Committee. Since 2021.
- **IEEE Technology and Engineering Management Society** member since 2013.
- **IEEE Society on Social Implications of Technology** member since 2010.

VOLUNTEERING & COMMUNITY SERVICE

- **Refugee and Immigrant Support Services of Emmaus (RISSE).** Interpreter (English, Spanish, French). Albany, NY. Since 2026.
- **Association for Computing Machinery (ACM).** Participation in elaboration of different ACM US technology policies' recommendations. Since 2022.
- **Institute of Electrical and Electronics Engineers (IEEE):** Different positions and responsibilities in IEEE and IEEE societies at country and global levels. Since 2005.
- **IEEE Standards Association:** Participation on Artificial Intelligence Standard Working Groups: IEEE P7999 Series of Standards on Integrating Organizational Ethics Oversight in Projects and Processes Involving Artificial Intelligence (Since 2025); IEEE P3119 Standard for the Procurement of AI & Automated Decision Systems (since 2021); IEEE 7001-2021 Standard for Transparency of Autonomous Systems (2021); IEEE P7003 Standard for Algorithmic Bias Considerations (2019-2021); IEEE P2863 Standard for Recommended Practice for Organizational Governance of Artificial Intelligence (2020-2024).
- **Medical Reserve Corps (MRC). Albany & Schenectady Counties.** New York State Department of Health Countermeasure Data Management System (CDMS) data operator and COVID-19 vaccinator assistant. Albany & Schenectady Counties POD. April 2021-October 2024.
- **NYS Citizen Public Health Leader Training Program.** Cornell University (eCornell). 16 h. April 2021.
- **Reopening Task Force Technology Deployment/Support Sub-Committee.** Niskayuna Central School District (Niskayuna, NY). June-August 2020.
- **United Nations Volunteers.** Online Volunteering. 2004-2005

SKILLS

- **Languages:** Proficient in Spanish, English, French and Catalan.
- **Computer:** Different languages, systems, tools and methodologies. Among other: R, Python, SQL, NoSQL, ArcGIS, Carto, Tableau, MS Visio, MS Office Suite, MS Windows, Linux, MacOS.
- **Professional:** Multidisciplinary. Cultural competencies. Teamwork. Adaptability. Willingness to learn. Multicultural sensitivity/awareness. Self-motivated/ability to work without supervision.

PUBLICATIONS

- **Author of 7** book chapters, 12 articles, 20 conference papers, 5 technical reports. Editor of one book. Guest speaker (Keynote) at 7 international conferences. Guest Editor (special issue) in several high impact factor publications. Main publications (*):
