

GABRIEL L. SCHLOMER

University at Albany, SUNY
Department of Educational & Counseling Psychology
Division of Educational Psychology & Methodology
259 Catskill Building
Email: gschlomer@albany.edu
Phone: 518-442-5150

EDUCATION

- 2012 – 2015 Post-Doctoral Fellow
Human Development and Family Studies/Biobehavioral Health
The Pennsylvania State University
Mentors: H. Harrington Cleveland and David J. Vandenberg
- 2010 Ph.D., Family Studies and Human Development
The University of Arizona
Dissertation: *Evolutionary Theory and Parent-Child Conflict: The Utility of Parent-Offspring Conflict Theory*
Mentor: Bruce J. Ellis
- 2005 M.S., General/Experimental Psychology
Western Illinois University
Thesis: *Parent-Child Conflict over Dating Relationships*
Mentor: Kristine M. Kelly
- 2003 B.S., Psychology (Minor: Anthropology)
Indiana State University
Honors Thesis: *Parental interference in children's romantic relationships: Is it motivated by fitness?*
Mentors: Virgil Sheets and Kathleen Heath

EMPLOYMENT

- 2024 Interim Chair, Department of Educational and Counseling Psychology
University at Albany, SUNY
- 2023 - present Division Director, Educational Psychology and Methodology
Department of Education and Counseling Psychology
University at Albany, SUNY
- 2021 – present Associate Professor
Division of Educational Psychology and Methodology
Department of Education and Counseling Psychology
University at Albany, SUNY

2015 – 2021 Assistant Professor
Division of Educational Psychology and Methodology
Department of Education and Counseling Psychology
University at Albany, SUNY

2010 – 2012 Research Scientist
The Arizona Center for Research and Outreach
The University of Arizona

OTHER PROFESSIONAL APPOINTMENTS

2017 – present Associate, Center for Social and Demographic Analysis (CSDA),
University at Albany, SUNY

2017 – present Associate, Center for the Elimination of Minority Health Disparities
(CEMHD), University at Albany, SUNY

AWARDS & HONORS

2018 Emerging Professional Award from the Norton School Council of Alumni and
Friends at the University of Arizona

2018 Invited Participant: *Increasing the Impact of our Science through Public
Outreach, Dissemination, and Scaling*. Jacobs Foundation Young Scholars
Alumni Meeting, Öhningen, Germany

2016 Early Career Travel Award, International Society for the Study of Behavioral
Development (ISSBD), Vilnius, Lithuania

2013 Invited Participant: *The Genetic Moderation (and Mediation) of Intervention
Efficacy*. Jacobs Foundation Junior Scholars Program, Öhningen, Germany

PUBLICATIONS¹ – Total = 54

Google Scholar Citations: 6,285 (Past Five Years: 33129); h-index: 19

Peer Reviewed Articles – Total = 45

Murray, J. & Schlomer, G. L. (in press). In search of hidden talents: Stress-adapted students,
classroom characteristics, and academic achievement. *EvoS Journal: Evolutionary Studies
and Higher Education*.

Yang, P., Pachman, S. L., Schlomer, G. L., Edin, K. J. (in press). Direct and indirect
longitudinal associations of mother and father engagement in middle childhood on
adolescent externalizing and internalizing behaviors. *Journal of Youth and Adolescence*.

WORK IN PROGRESS

Schlomer, G. L. (submitted). The relative importance of genes versus environments for predicting pubertal development.

Schlomer, G. L. & Sun, Q. (in preparation). How does aggression change during adolescence? A meta-analysis of differences by parent and child report.

Yang, P., Lippold, M. & **Schlomer, G. L.** (in preparation). Does lability in parental affective quality influence adolescent aggression? Beyond mean level and change effects.

GRANT FUNDING

Federal

2013 Role: Consultant
Impact of Fathers on Risky Sexual Behavior and Decision-Making in Daughters
National Science Foundation - Development and Learning Sciences
Principal Investigator: Bruce J. Ellis
Duration: 8/15/2013 – 8/14/2016
\$299,737 Total Costs

Foundations and Other External Sponsors

2019-2022 Role: Co-I
PI: Michael Pluess
Bridging the Information Gap in Sensitivity Research
Jacob's Foundation
Duration: 2/1/2019 – 12/31/2022
\$10,000 Direct Costs

2013 Role: PI
The Genetic Moderation of a Safer Sex Intervention: Tests of Differential
Susceptibility on Reproductive Outcomes
Jacob's Foundation
Duration: 11/1/13 – 7/21/15
\$39,808 Direct Costs

Internal Funding (University at Albany, SUNY)

2018 Role: PI
Father Absence and Age at Menarche: Tests of Epigenetic Intermediaries
University at Albany FRAP A
Duration: 5/1/18 – 4/30/20
\$10,000 Direct Costs

Proposals Not Funded

2021 Role: PI
Genetic, Environmental, and Epigenetic Etiology of Puberty
*Eunice Kennedy Shriver National Institute of Child Health and Human
Development (NICHD)*
\$208,000 Direct Costs

- 2021 Role: PI (subaward)
Polygenic Analyses of Preventative Interventions to Reduce Substance Use
National Institutes on Drug Abuse
PI: H. Harrington Cleveland & David Vandenberg
Duration: 9/1/2021 – 8/31/2023
\$94,762 Total Costs
- 2020 Role: PI (subaward)
PI: H. Harrington Cleveland
Polygenic Analyses of Prevention Interventions to Reduce Substance Use
National Institutes of Drug Abuse (NIDA)
Status: Impact Score: 31; Percentile: 13 (awaiting final funding decision)
\$275,000 Direct Costs (subaward: \$57,400)
- 2020 Role: PI
Gene-Environment Interactions and Epigenetic Mechanisms of Pubertal
Development
*Eunice Kennedy Shriver National Institute of Child Health and Human
Development (NICHD)*
Status: Impact Score: 41; Percentile: 23
\$450,000 Direct Costs
- 2020 Role: Senior Personnel
MRI: Acquisition of High Performance Computing Nodes to Support an
Accessible Research and Teaching Instrument
National Science Foundation
Principal Investigator: Alan Chen
Status: Under review
\$415,528 Direct Costs
- 2018 Role: PI (subaward)
PI: H. Harrington Cleveland
Genetic Links to Adolescent Affiliation with Substance Using Peers and Evidence
Based Preventative Intervention Strategies
National Institutes on Drug Abuse (NIDA)
\$1,684,037 Direct Costs (subaward: \$154,400)
- 2016 Role: PI
The Common Factor for Risky Sex and Substance Use: Genetic Influence
and Intervention Moderation
National Institutes on Drug Abuse (NIDA)
\$275,000 Direct Costs

CONFERENCE PRESENTATIONS

Sun, Q. & **Schlomer, G. L.** (2024). *Guidelines for reporting growth modeling analysis results: key insights for meta-analysis*. Annual Meeting of the American Psychological Association (APA). Seattle, WA.

Schlomer, G. L. (April, 2024). *Epigenetic age acceleration and reproductive outcomes in women*. NorthEastern Evolutionary Psychology Society (NEEPS). Niagara Falls, NY.

Murray, J., Hill, C., Sykes, I., Woodward, J., & **Schlomer, G. L.** (April, 2024). *Stress-adapted teachers pave the way for stress adapted students: A potential benefit of in-group bias in K-12 educational contexts*. NorthEastern Evolutionary Psychology Society (NEEPS). Niagara Falls, NY.

Sun, Q. & **Schlomer, G. L.** (2024). *Guidelines for reporting growth modeling analysis results: key insights for meta-analysis*. UAlbany Showcase. Albany, NY.

Sun, Q., Murray, J., Huynh, L., Zhao, J., Elacqua, N., Agne, R., Om, I., Ferreira, I. & **Schlomer, G. L.** (April, 2023). *Developmental changes in adolescent aggressive behaviors predicted by multiple reporters: A systematic review and meta-analysis*. UAlbany Showcase. Albany, NY.

Schlomer, G. L. (April, 2023). *Genetic vs. environmental explanations for variation in age at menarche*. NorthEastern Evolutionary Psychology Society (NEEPS). New Paltz, NY.

Schlomer, G. L. (April, 2023). *Genetic vs. environmental explanations for variation in age at menarche*. Society for Research on Adolescence (SRA). San Diego, CA

Schlomer, G. L. (March, 2022). *The influence of harshness and unpredictability on female sexual development: Addressing gene-environment interplay using a polygenic score*. Society for Research on Adolescence (SRA). New Orleans, LA.

Yang, P., **Schlomer, G. L.**, Lippold, M. A., Feinberg, M. E. (November, 2021). *Longitudinal discrepancy in adolescent aggressive behavior problems: Differences by reporter and contextual factors*. National Council on Family Relations (NCFR). Virtual due to COVID19

Schlomer, G. L. (March, 2020). *Polygenic contributions to the father absence/age at menarche association: A replication and extension*. Society for Research on Adolescence (SRA). San Diego, CA. (Cancelled due to COVID19)

Schlomer, G. L. (March, 2019, Symposium Chair). *Peer influences on child and adolescent social competencies: Evaluating genetic and environmental influences*. Society for Research on Child Development (SRCD). Baltimore, MA

Schlomer, G. L., Cleveland, H. H., Vandenberg, D. J., & Feinberg, M. (March, 2019). *Longitudinal peer influences on adolescent externalizing behavior problems are moderated by a*

genetic susceptibility gene score. Society for Research on Child Development (SRCD). Baltimore, MA

Schlomer, G. L. & Cho, H. (July, 2018). *Genetic and environmental contributions to age at menarche: Interactive effects of father absence and LIN28B*. Human Behavior and Evolution Society (HBES). Amsterdam, Netherlands.

Schlomer, G. L. (April, 2018, Symposium Chair). *Developmental approaches to gene-environment interaction studies*. Society for Research on Adolescence (SRA). Minneapolis, MN.

and developmental stage: A gene-intervention-development interaction. Society for Research on Adolescence (SRA). Baltimore, MD.

Wolf, P. S. A., Cleveland, H. H., Vandenberg, D. J., **Schlomer, G. L.**, Feinberg, M. E., Greenberg, M. T., & Spoth, C. (April, 2016). *The role of oxytocin receptor gene (OXTR), average peer drug use, and alcohol use in the PROSPER intervention study.* Society for Research on Adolescence (SRA). Baltimore, MD.

Wolf, P. S. A., Cleveland, H. H., Vandenberg, D. J., **Schlomer, G. L.**, & Feinberg, M. E. (April, 2016). *Relations among OXTR gene score, peer drug use, and alcohol use in 9th graders.* Society for Research on Adolescence (SRA). Baltimore, MD.

Vandenberg, D. J., **Schlomer, G. L.**, Cleveland, H. H., Schink, A. E., Feinberg, M. E., Neiderhiser, J. M., Greenberg, M. T., Spoth, R. L., & Redmond, C. (October, 2015). *Interaction between genotypes at OPRM1 and CHRNA5 and an adolescent substance prevention intervention on smoking during high school.* American Society of Human Genetics (ASGH) Annual Meeting. Baltimore, MD.

Schlomer, G. L., Cleveland H. H., Vandenberg, D. J., Feinberg, M., Greenberg, M., Redmond, C., Spoth, R. (May, 2015). *Findings from the gPROSPER Project.* Society for Prevention Research (SPR) Conference. Washington, DC.

Hair, K., Vandenberg, D. J., Cleveland H. H., **Schlomer, G. L.**, Griffin, A. M. (May, 2015). *From buccal to Bonferroni in genetically informative prevention research I: The initial stage for development, execution, and analysis of a genetically informed prevention study.* Society for Prevention Research (SPR). Washington, DC.

Vandenberg, D. J., Hair, K., Cleveland H. H., **Schlomer, G. L.**, Griffin, A. M. (May, 2015). *From buccal to Bonferroni in genetically informative prevention research II: Execution of genotyping and preliminary analysis of genetic data.* Society for Prevention Research (SPR). Washington, DC.

Cleveland H. H., Vandenberg, D. J., Hair, K., **Schlomer, G. L.**, Griffin, A. M., Wolf, P. (May, 2015). *From buccal to Bonferroni in genetically informative prevention research III: Operationalizing and analyzing genetic variance from SNP to GWAS and in-between.* Society for Prevention Research (SPR). Washington, DC.

Griffin, A. M., Cleveland H. H., **Schlomer, G. L.**, Vandenberg, D. J. Feinberg, M., Greenberg, M., Spoth, R., Redmond, C. (May, 2015). *Differential intervention effects on sensation seeking and substance use based on genotype.* Society for Prevention Research (SPR). Washington, DC.

Schlomer, G. L., Cleveland, H. H., Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., Spoth, R. L., & Redmond, C. (March, 2015). *False Positives in GxE Research? A Replication Attempt of Brody, et al. (2009).* Society for Research on Child Development (SRCDD). Philadelphia, PA.

Cleveland, H. H., **Schlomer, G. L.**, & Vandenberg, D. J. (March, 2015). *Strengthening candidate gene x environment interaction research*. Society for Research on Child Development (SRCD). Philadelphia, PA.

Cleveland, H. H., **Schlomer, G. L.**, Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., Spoth, R. L., & Redmond, C. (March, 2015). *Differential intervention effects during early- and mid-adolescent alcohol use by 5-HTTLPR among rural American adolescents*. Society for Research on Child Development (SRCD), Philadelphia, PA.

Griffin, A., Cleveland, H. H., **Schlomer, G. L.**, Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., Spoth, R. L., & Redmond, C. (March, 2015). *Evidence of differential susceptibility: Individual differences in intervention effectiveness on sensation seeking*. Society for Research on Child Development (SRCD), Philadelphia, PA. [Selected for the *Focusing on the Strategic Plan* poster session]

Hartman, S. **Schlomer, G. L.**, & Belsky, J. (March, 2015). *Decomposing effects of early unpredictable environment on later development*. Society for Research on Child Development (SRCD). Philadelphia, PA.

Vandenberg, D. J., **Schlomer, G. L.**, Cleveland, H. H., Schink, A. E., Feinberg, M. E., Neiderhiser, J. M., Greenberg, M. T., Spoth, R. L., & Redmond, C. (February, 2015). *CHRNA5 genotype interacts with a school-based intervention to reduce high-school smoking*. Society for Nicotine and Tobacco Research. Philadelphia, PA.

Vandenberg, D. J., **Schlomer, G. L.**, Cleveland, H. H., Schink, A. E., Feinberg, M. E., Neiderhiser, J. M., Greenberg, M. T., Spoth, R. L., & Redmond, C. (January, 2015). *A school-based intervention reduces high-school smoking based on genotype at the alpha5 nicotinic receptor subunit gene (CHRNA5)*. Penn State Annual Addiction Symposium. Hershey, PA.

Cleveland, H. H., **Schlomer, G. L.**, & Vandenberg, D. J. (January, 2015). *GxE interactions involving a large-scale substance use intervention: Analytic strategies and early findings*. Penn State Annual Addiction Symposium. Hershey, PA.

Codner, T., Cleveland, H. H., & **Schlomer, G. L.** (July, 2014). *Risky business: Young adult's sexual attitudes and their impact on intervention effectiveness*. Annual McNair/SROP Research Conference. State College, PA.

Griffin, A., **Schlomer, G. L.**, Cleveland, H.H., & Vandenberg, D. (June, 2014). *Differential trajectories of mid- to late- adolescence alcohol use*. Behavior Genetics Association (BGA) Conference. Charlottesville, VA.

Schlomer, G. L., Fosco, G. M., Cleveland, H. H., Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., & Spoth, R. L. (March, 2014). *Differential susceptibility to interparental relationships on adolescent internalizing: Different processes for different genotypes*. Society for Research on Adolescence (SRA). Austin, TX.

Griffin, A., **Schlomer, G. L.**, Cleveland, H. H., & Vandenberg, D. J. (March, 2014). *Differential susceptibility to effects of peer pressure and positive friend support on alcohol use during adolescence*. Society for Research on Adolescence (SRA). Austin, TX.

Schlomer, G. L., Cleveland, H. H., Vandenberg, D. J. (October, 2013). *Population stratification is more than ethnicity. A description and empirical example using gPROSPER*. Integrating Genetics and Social Sciences (IGSS). University of Colorado at Boulder.

Cleveland, H. H., Vandenberg, D. J., & **Schlomer, G. L.** (October, 2013). *Differential intervention effects on alcohol use by single gene and multi-locus candidate gene dopamine scores*. Integrating Genetics and Social Sciences (IGSS). University of Colorado at Boulder.

Vandenberg, D. J., **Schlomer, G. L.**, & Cleveland, H. H. (October, 2013). *The big step of bringing function to genetic associations: Taking advantage of the ENCODE Project*. Integrating Genetics and Social Sciences (IGSS), Boulder. CO.

Schlomer, G. L., Cleveland, H. H., Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., & Spoth, R. L. (April, 2013). *DRD4 repeat polymorphism X maternal insensitivity on externalizing behavior modified by a school based prevention/intervention: The gPROSPER project*. Society for Research on Child Development (SRCD). Seattle, WA.

Cleveland, H. H., Vandenberg, D. J., **Schlomer, G. L.**, Feinberg, M. E., Greenberg, M. T., & Spoth, R. L. (April, 2013). *An examination of differential intervention effects on substance use by specific genetic variance among rural American adolescents*. Society for Research on Child Development (SRCD). Seattle, WA.

Schlomer, G. L. & Belsky, J. (March, 2012). *Maternal age, investment, and parent-child conflict: A mediational test of the terminal investment hypothesis*. Society for Research on Adolescence (SRA), Vancouver, BC. Canada.

Hawkins, S. A., **Schlomer, G. L.**, Fisher, G., & Borden, L. (March, 2012). *Double duty: Experiences of youth in dual military families*. Society for Research on Adolescence (SRA). Vancouver, BC, Canada.

Hawkins, S. A., **Schlomer, G. L.**, Bosch, L., Casper, D., Wiggs, C. B., Card, N., & Borden, L. (November, 2011). *Parental deployment and children: A review of the literature since 2001*. The National Council on Family Relations (NCFR). Orlando, FL.

Casper, D., Card, N., Bosch, L., Wiggs, C. B., Hawkins, S. A., **Schlomer, G. L.**, & Borden, L. (November, 2011). *Psychological and academic problems of children of deployed military service members: A meta-analysis of quantitative research*. The National Council on Family Relations (NCFR). Orlando, FL.

Schlomer, G. L., Hawkins, S. A., & Borden, L. (November, 2011). *Methodological challenges and areas for future research*. The National Council on Family Relations (NCFR). Orlando, FL.

Schlomer, G. L., Borden, L. M., Hawkins, S. A., Schaller, A., & Wiggs, C. B. (April, 2011). *DOD-USDA partnership: Program quality in after-school and youth programs*. The Children, Youth, and Families at Risk Conference (CYFAR). Chicago, IL.

Borden, L. M., Hawkins, S. A., Langbert, L., **Schlomer, G. L.**, & Wiggs, C. B. (April, 2011). *The multidisciplinary partnership for strengthening child care and youth development: Highlights from the Arizona Center for Research and Outreach*. The Children, Youth, and Families at Risk Conference (CYFAR). Chicago, IL.

Belsky, J., Ellis, B. J., & **Schlomer, G. L.** (March, 2011). *Environmental determinants of adolescent life history strategy: Distinguishing harshness and unpredictability*. Society for Research on Child Development (SRCD). Montreal, Quebec, Canada.

Ellis, B. J., Belsky, J., & **Schlomer, G. L.** (January, 2011). *Environmental determinants of life history strategy: Distinguishing harshness and unpredictability*. Society for Personality and Social Psychology (SPSP). San Antonio, TX.

Ellis, B. J., Belsky, J. & **Schlomer, G. L.** (June, 2010). *Environmental determinants of early Life history strategy: Distinguishing harshness and unpredictability*. Human Behavior and Evolution Society (HBES). Eugene, OR.

Ellis, B. J., **Schlomer, G. L.**, Tilley, E. H., & Butler, E. A. (November, 2009; Plenary Address). *The impact of paternal investment on risky sexual behavior in daughters: A quasi-experimental design*. International Association for Relationship Research (IARR). University of Kansas, Lawrence, KA.

Ellis, B. J., Figueredo, A. J., Brumbach, B. H., & **Schlomer, G. L.** (May, 2009). *Fundamental dimensions of environmental risk: The impact of harsh versus unpredictable environments on the evolution and development of life history strategies*. Human Behavior and Evolution Society (HBES). Fullerton, CA.

Jackson, J. J., Ellis, B. J., **Schlomer, G. L.**, & Garber, J. (May, 2009). *Development of reproductive strategies: Infusing the Belsky, Steinberg, and Draper model with sexual selection*. Human Behavior and Evolution Society (HBES). Fullerton, CA

Schlomer, G. L., Ellis, B. J., & Garber, J. (April, 2009). *Mother-child conflict and sibling relatedness: A test of hypotheses from parent-offspring conflict theory*. Society for Research on Child Development (SRCD). Denver, CO.

Ellis, B.J., **Schlomer, G. L.**, Tilley, E. H., & Butler, E. A. (April, 2009). *The impact of harsh paternal discipline on risky sexual behavior in daughters*. Society for Research on Child Development (SRCD). Denver, CO.

Jackson, J. J., Ellis, B. J., **Schlomer, G. L.**, & Garber, J. (April, 2009). *Gender-specific developmental pathways: Synthesizing the Belsky, Steinberg, and Draper model with sexual selection*. Society for Research on Child Development (SRCD). Denver, CO.

Ellis, B. J., **Schlomer, G. L.**, Tilley, E. H. & Butler, E. A. (February, 2009). *Influence of fathers on regulation of daughters' sexual development: A life history approach*. Society for Personality and Social Psychology (SPSP) Evolutionary Psychology Pre-Conference. Tampa, FL.

Bourassa, A., **Schlomer, G. L.**, Tilly, E. (2008). *Harsh paternal discipline and risky adolescent sexual behavior: A sibling study*. The University of Arizona Student Showcase. Tucson, AZ. [1st place award, University of Arizona Student Research Showcase, Undergraduate Student Division: Social Science and Law]

Schlomer, G. L., Ellis, B. J., & Garber, J. (June, 2007). *Mother-Child Conflict in Half Sibling Families: A Test of Hypotheses from Parent-Offspring Conflict Theory*. Human Behavior and Evolution Society (HBES), Williamsburg. VA.

Schlomer, G. L. & Kelly, K. M. (January, 2005). *What adolescents' want and what parents expect: Romantic relationships and parent/offspring conflict*. Society for Personality and Social Psychology (SPSP), New Orleans. LA.

Kelly, K. M., Grahe, J. E., Tee, A., **Schlomer, G. L.**, & Perry, S. L. (April, 2004). *Daily rejection experiences: A longitudinal study of affective responses*. Midwestern Psychological Association (MPA). Chicago, IL.

Schlomer, G. L., Heath, K. M. & Sheets, V. L. (June, 2003). *Parental interference in children's romantic relationships: Is it motivated by fitness?* Human Behavior and Evolution Society (HBES). Lincoln, NE.

Anderson, U., **Schlomer, G. L.** & Sheets, V. L. (June, 2003). *Reproductive value and parent/offspring conflict*. Human Behavior and Evolution Society (HBES). Lincoln, NE.

Sheets, V. L., **Schlomer, G. L.**, Sletkov, I., & Lugar, R. (June, 2002). *Patterns of jealousy in Russia versus the United States*. Human Behavior and Evolution Society (HBES). Rutgers, NJ.

INVITED PRESENTATIONS

Schlomer, G. L. (February, 2020). *Genetic and evolutionary models of child development: A presentation of a program of research*. Department of Psychology, University of New Mexico. Albuquerque, NM

Schlomer, G. L. & Reddy, C. (November, 2019). *Environmental influences on epigenetic aging and its influence on pubertal development*. The 2nd Annual President's Forum on Health Disparities, University at Albany, SUNY

Schlomer, G. L. (September, 2019). *Considering replication in cGxE research*. Department of Family, Youth and Community Sciences, University of Florida. Gainesville, FL

Schlomer, G. L. (March, 2019). *Beyond genes versus (or plus) environment approaches to father absence and age at menarche research*. Society for Research on Child Development (SRCD) Evolution and Development Pre-Conference. Baltimore, MA

Schlomer, G. L. (February, 2018). *Environmental influences on adolescent health risk behaviors: A genetic approach*. Department of Human Development and Family Studies, The Pennsylvania State University. State College, PA

Schlomer, G. L. (September, 2018). *Environmental influences on adolescent health and risk behaviors: A genetic approach*. Department of Family, Youth and Community Sciences, University of Florida. Gainesville, FL

Schlomer, G. L. (August, 2018). *Ignite Session: Gene-environment interaction research*. Jacobs Foundation Young Scholar Alumni Meeting. Öhningen, Germany

Schlomer, G. L. (November, 2017). *The Strong African American Families Program and the Albany Minority Health Task Force*. Meeting of the Albany Minority Health Task Force. Albany, NY.

Schlomer, G. L., Cleveland, H. H., Vandenberg, D. J., Feinberg, M. E., Greenberg, M. T., & Spoth, R. L. (April, 2013). *DRD4 repeat polymorphism X maternal insensitivity on externalizing behavior modified by a school based prevention/intervention: The gPROPSEER project*. Jacobs Foundation, Öhningen, Germany

TEACHING

University at Albany, SUNY (Albany, NY)

Graduate

EPSY 522 Adolescent Development

EPSY 623 Advanced Developmental Psychology

EPSY 726 Gene-Environment Interplay

EPSY 750 Education Research and Design

Undergraduate

EPSY 250 Understanding Research in Human Development

EPSY 330 Introduction to Statistics in Human Development

University of Arizona (Tucson, AZ)

Graduate

FSHD 537a Introduction to Quantitative Analysis

Undergraduate

FHSD 117 Human Development and Family Relations

FCSC 201 Introduction to Statistics

FCSC 202 Introduction to Research Methods

FSHD 377 Adolescence

Spoon River College (Macomb, IL)
PSYCH 130 General Psychology

Doctoral Dissertation Committees

Chair

Christopher Reddy (Spring 2022). Examining the potential of epigenetic age to mediate the relationship between adverse childhood experiences and locus of control using the ALSPAC cohort

Panpan Yang (Spring 2021). Bidirectional associations between adolescent aggressive behavior with parental monitoring efforts and parental knowledge.

Jessica Murray (Spring 2021). Stress adapted students, academic achievement, and classroom characteristics.

Hyun-Jin Cho (Fall 2020). The hypothesized path model between parental factors and personal factors on condom use und the genetic influence of *5-HTTLPR* among adolescents.

Member

Emilia Pawloski (Spring, 2023). Gestational epigenetic aging: Prenatal influences and early life associations.

Jana Lewis. (Fall 2020). Examining gender differences in student outcomes following Diagnostic Assessment and Achievement of College Skills (DAACS).

Jessica Lamendola (Spring 2019). Using a complementarity mixed-method design to assess the relationship of a hierarchical STEM mentoring model.

Awards Students Received

Panpan Yang	2020 - University at Albany, SUNY Benevolent Association Research and Creative Activity Grant
Hyun-Jin Cho	2017 - Society for Research on Child Development Neimark Student Travel Award
Brianna A. Yates	2016 - 3 rd Place Award: John Sr. and Kimlyn Patishnock University Libraries Award for Information Literacy. Awarded for poster presentation, <i>Gene-environment interactions between the androgen receptor gene and parent spousal status on age at menarche and risky sexual behavior in college-age women</i> . Penn State Undergraduate Research Exhibition. University Park, PA.

SERVICE**Department**

2024	Interim Chair, Department of Educational and Counseling Psychology
2023 – present	Director, Division of Educational Psychology and Methodology
2023 – present	Chair, Human Development Undergraduate Committee
2023 – present	Member, PhD Admissions Committee
2023 – present	Member, Comprehensive Exam Committee
2021 – present	Chair, Graduate Student Enrollment Committee (ad hoc)
2021	Member, Renewal Committee for Assistant Professor (Service)
2021	Chair, Administrative Budget Task Force (ad hoc)
2021 – present	Member, Human Development Undergraduate Committee
2020 – 2021	Chair, Human Development Undergraduate Committee
2019 – present	Learning and Development Comprehensive Exam Committee Member
2017 – 2019	Educational Psychology/Human Development Assistant/Associate Search Committee (ad hoc)
2016 – 2019	Chair, Learning and Development Comprehensive Exam Committee
2016 – present	Webmaster - Division of Educational Psychology and Methodology
2015 – 2016	Member, Learning and Development Comprehensive Exam Committee
2015 – present	Statistics and Methodology Comprehensive Exam Grader

School/College Service

2023 – 2024	SOE Academic Council (December to January)
2019 – 2022	SOE Faculty Council

University Service

2023 – 2024	Provost's Leadership Academy
2021 – present	First Gen Scholars Program
2020	Research Subgroup of the Academic Continuity Workgroup (ad hoc)
2018 - 2020	Committee on Research Space Allocation

Professional Service

2018	Society for Research on Child Development Abstract Reviewer, <i>Panel 2: Biological Processes: Neuroscience and Genetics</i> . SRCD 2019. Student Co-Reviewer: Emily Rodabaugh
2017 – present	Editorial Board, <i>Journal of Youth and Adolescence</i>
2016 – 2017	Guest Editor, <i>Prevention Science</i> , Special Issue on Incorporating Genetics in Prevention Science: Considering Methodology and Implications
2015 – 2020	Consulting Editor, <i>Journal of Research on Adolescence</i>
2015	Society for Research on Adolescence Abstract Reviewer, <i>Panel 13: Neurobiological Mechanisms</i> . SRA 2016.

- 2014 Reviewer for Special Issue on Paternal Investment: Determinants of Father's Involvement with their Children, *Human Ethology Bulletin*. Guest Editors: Jaroslava Varella Valentova & Marco Antonio Corrèa Varella
- 2014 Grant Reviewer, *National Science Foundation*, Behavioral and Cognitive Sciences
- 2014 Book Reviewer for *Genetics of Psychological Well-Being*. Editor: Michael Pluess, Oxford University Press.
- 2013 Society for Research on Adolescence Abstract Reviewer, *Panel 9: Biological Processes and Evolutionary Perspectives*. SRA 2014.
- 2013 Reviewer for Special Section on Planned Missing Data Designs, *International Journal of Behavioral Development*. Editor: Todd D. Little
- 2013 Reviewer for Special Issue on Evolutionary Psychology, *Journal of Experimental Child Psychology*. Editor: David F. Bjorklund
- 2012 Reviewer for Special Section titled Beyond Mental Health: An Evolutionary Analysis of Development Under Risky and Supportive Environmental Conditions, *Developmental Psychology*. Editor: Bruce J. Ellis
- 2010 – 2011 Editorial Board, *Journal for Specialists in Group Work*

Community Outreach

- 2016 - 2020 Task Force for the Elimination of Minority Health Disparities

Ad Hoc Reviews

Development and Family Journals: *Child Development*; *Developmental Psychology*; *Development and Psychopathology*; *Journal of Research on Adolescence*; *Journal of Youth and Adolescence*; *Journal of Adolescent Health*; *Journal of Child Psychology and Psychiatry*; *Journal of Abnormal Child Psychology*; *Infant and Child Development*; *Journal of Experimental Child Psychology*; *International Journal of Behavioral Development*; *Family Relations*; *Journal of Marriage and Family*

Psychology and Sociology Journals: *Psychological Science*; *Psychological Bulletin*; *Frontiers in Psychology*; *Scientific Reports*; *Journal of Educational Psychology*; *Translational Psychiatry*, *Criminology*; *Journal of Research on Crime and Delinquency*; *Review of General Psychology*; *Japanese Psychological Research*; *The Social Science Journal*; *Health Psychology*; *Personality and Individual Differences*; *Journal for Specialists in Group Work*

Biology and Anthropology Journals: *Genes, Brain, and Behavior*; *Evolution and Human Behavior*; *Evolutionary Behavioral Sciences*; *American Review of Human Biology*; *American Journal of Human Biology*; *Evolutionary Psychology*; *Economics and Human Biology*; *Human Nature*; *Brain and Behavior*; *Human Ethology Bulletin*; *Hormones and Behavior*

Student co-Reviewers: Christopher Reddy; Panpan Yang; Hyun-Jin Cho; Xian “Stella” Li, Jessica Murray, Emily Rodabaugh, Jana Vanderslice-Barr
