

TERESA M. HARRISON

ADDRESSES:

Dept. of Communication, SS 359
University at Albany, SUNY
Albany, New York 12222
tharrison@albany.edu
phone: (518) 442-4883

EXPERIENCE:

University at Albany

Professor of Communication, 9/01 – present
Department of Communication

Collins Fellow, 5/13 – present

Faculty Fellow, 9/05 – present
Center for Technology in Government

Affiliated Faculty Member, 9/05 – present
Department of Informatics
College of Engineering and Applied Sciences

Faculty Athletics Representative, 2006-9/2015

Chair, Department of Communication
9/01 – 7/10, Interim Chair 7/12 – 12/12

Director of Undergraduate Studies
Department of Communication
9/03 – 7/10, 7/12 – 12/12

Rensselaer Polytechnic Institute

Adjunct Professor of Communication
Communication and Media (formerly
Language, Literature, & Communication)
9/01 – 8/10

Assoc. Dean, Graduate Programs & Research
School of Humanities and Social Sciences
7/1997 – 8/2001

Associate Chair, 9/96 – 6/97
Language, Literature, & Communication

Professor of Communication, 2001
Associate Professor of Communication, 88-00
Assistant Professor of Communication, 81-88
Rensselaer Polytechnic Institute
Troy, NY 12180

EDUCATION:

Ph.D. (1981) Communication
Bowling Green State University

MA (1975) Communication
Bowling Green State University

B.S. (1974) Political Science
Northern Arizona University

TEACHING EXPERIENCE:

A. Undergraduate:

Computer--Mediated Communication
Web Design for Community Networking
Introduction to Communication Theory
Introduction to the Communication Process
Communication Internship
Interpersonal Communication
Nonverbal Communication
Introduction to Speech Communication
Public Speaking
Arts & Sciences of Communication
Intercollegiate Debate Coach

B. Graduate:

New Media & Engagement
Computer--Mediated Communication
Communication and Technology
Communication Theory I
Communication Theory I (distance course)
Theory & Research in Organizational Com
Communication Theory II
Organizational Communication
Interpersonal Communication
Communication Research Methods
Prod., Tech., & Ind. Policy (team taught)

C. Doctoral Committees:

Chair, 5 in progress, 15 completed
Committee Member, over 30 completed

HONORS

Conference Award for Best Research Paper: Harrison, T., Dumas, C., DePaula, N., Fake, T., May, W., Atrey, A., Lee, J., Rishi, L., & Ravi, S. S. (2017). E-Petitioning and online media: The case of #BringBackOurGirls. In dg.o '17 **Proceedings of the 18th Annual International Conference on Digital Government Research**, (pp. 11-20). Staten Island, NY, USA, June 7-9, 2017. doi>10.1145/3085228.3085320 .

Collins Fellow, 2013. Awarded by University at Albany for extraordinary devotion to the institution.

Top Paper Award: Harrison, T. & Foldy, John. (2011). Reading, media ecology, and neuroscience. Presented at the annual conference of the National Communication Association, New Orleans, November, 2011. Media Ecology Division.

Winner of the 2008 John Wiley Best JASIST Paper Award: Harrison, T., Pardo, T., Gil-Garcia, J. R., Thompson, F., Juraga, D. (2007). Geographic information technologies, structuration theory, and the World Trade Center crisis. **Journal of the American Society for Information Science and Technology**, 58(14), 2240-2254.

Top Three Paper Award: Harrison, T., Stephen, T., & Falvey, L. (1999). Democracy and new communication technologies. International Communication Association. A “**Top Three**” competitive paper in the Communication Technology Division, May.

Awarded the Council of Communication Libraries, “**Prize for Excellence in Information Services**” for work associated with Comserve and the development of online bibliographic services for the communication discipline. May, 1993.

PROFESSIONAL SERVICE:

Proposal Reviewer, National Science Foundation 2012, 2008, 2002, 2001.

Proposal Reviewer, European Science Foundation, February 2008.

Planner, E-Networks and Democracy: Setting the Research Agenda, 1-day preconference planned and implemented for 2003 International Communication Association.

Member, Steering and Planning Committee, conference planning for Euricom colloquium held in Nijmegen, Netherlands, October, 2002

Chair, Organizational Communication Division, National Communication Association, 2001-2002.

Vice-Chair, Organizational Communication Division, National Communication Association, 2000-2002

Chair, Communication and Technology Division, International Communication Association, 2002-2004.

Vice-Chair, Communication and Technology Division, International Communication Association, 2000 -2002

Member, National Communication Association Task Force on the Future of Technology in the Discipline.

Ad hoc reviewer (recent proposals and manuscripts): **Government Information Quarterly, Information Polity, Communication Research, Communication, Law, and Policy, Journal of Communication, The Information Society; The Teachers College Record; Journal of the American Society for Information Science; Handbook of Organizational Communication; Communication Yearbook.**

Managing Editor, **Electronic Journal of Communication/La Revue Electronique de la Communication**, 1992-present.

Co-Editor, State University of New York Press Series on Computer-Mediated Communication in Work, Education, and Society, 1993 – 2007.

Co-Director, CIOS, 1986 - present. Electronic bibliographic resources for communication scholarship provided in a Web environment.

Member, Editorial Review Board, **International Journal of Public Administration in the Digital Age**, December, 2014 – present

Review Panel Member, **Electronic Journal of E-Government**, 2013 – present.

Associate Editor, **New Media and Society**, 2000-present.

Associate Editor, **The Journal of Computer-Mediated Communication**, 1994-06; 2013-present

Associate Editor, **Javnost (The Public)**, 2005 – 2007.

Associate Editor, **Communication Quarterly**, 2001—2004.

Associate Editor, **Journal of Online Behavior**, 1997-2000.

Associate Editor, **Communication Research Reports**, 1998- 2001.

Associate Editor, **The Journal of Applied Communication Research**, 1994-1996.

Associate Editor, **Operant Subjectivity: Journal of the Society for the Scientific Study of Subjectivity**, 1993 - 1996.

Reader, Competitive paper submissions to the Organizational Communication Division, International Communication Association, 1996.

Reader, Competitive paper submissions to the Organizational Communication Division of the Speech Communication Association, 1990.

Outside Reviewer, Promotion and Tenure Cases (2013, 2012, 2011, 2010, 1995, 1994, 1992, and 1991)

Member, ICA Committee on Electronic Distribution of **Communication Theory**, 1990.

Member, SCA Task Force on Computer Applications, 1985--1988.

UNIVERSITY, SCHOOL, AND DEPARTMENTAL SERVICE:

University at Albany, 2001 – present:

Member, Dean of College of Emergency Preparedness, Homeland Security, and Cybesecurity, 2016

Member, Provost Search Committee, 2014

Faculty Athletics Representative, 2006-- 2015

Member, Search Committee, Director of Advising Services Center, 2013 –
Chair, Search Committee for Director of Athletics, Summer 2014
Member, Search Committee, Informatics Department, College of Computing and Information,
2013 – 2014
Member, First Year Studies Task Force, 2008
Member, Documentary Studies Search Committee, 2007-2008
Member, College of Computing and Information Search Committee, 2007-2008
Member, Advising Advisory Board, 2006 – 2008
Member, IT Advisory Board, 2006 - 2011
Chair, Selective Investment Committee, 2005 – 2007
Member, Search Committee, VP for Governmental Affairs and Public Relations, 2005
Member, Advisement Task Force, Summer 2004 – Spring 2005
Member, Search Committee for School of Information Science and Policy, Spring, 2004
Member, Search Committee, Vice-President for Research, 5/2003 -- 2004
Member, Task Force on Strategic Initiatives for Information Technology, 2001.
Member, Search Committee, Associate Vice-President for Research, 4/2002 – 7/2002.

Rensselaer Polytechnic Institute : (Selected)

Co-Chair, Wired Troy Task Force, 2000-2001.
Member, Presidential Search Committee, 1998.
Member, Commission on Electronic Citizenship, Spring, 1997 - 1998.
Member, Rensselaer Community Relations Committee, Fall, 1997 – 2001.
Member, Institute Writing Requirement Task Force, Spring 1996
Senator, Rensselaer Faculty Senate, Fall 1995 - Spring 1997 (Elected)
Member, Rensselaer Faculty Senate Committee on Teaching Evaluation, Fall 1995 - Fall, 1996.
Acting Chair, Dean of School of Humanities and Social Sciences Search Com., Oct.- Dec., 1995
Member, Dean of School of Humanities & Social Sciences Search Com., Jan. 1995 - June 1996.
Member, President's Task Force on Consolidated Student Services, Fall 1993.

Member, First Year Studies Advisory Committee, 1993 – 1997.
Member, Humanities and Social Sciences Curriculum Committee, 1990-1992 (Elected)
Member, Dean's Committee on Educational Policy and Planning, 1991-1993 (Elected)

Chair, Departmental Resource Committee, 1996-1997
Chair, Ad Hoc Committee on Departmental Governance, 1994 (Elected)
Departmental Ombudsperson, Spring 1995 (Elected)
Member, Curriculum Committee on Electronic Media, Arts, & Communication, 1995 - 1996
Chair, Financial Aid Committee, 1995 - 1998
Member, Financial Aid Committee, 1991 - 1998
Member, Appointments, Promotion, and Tenure Committee, 1988 - present
Member, Graduate Studies Committee, 1982 - 1990
Member, Undergraduate Studies Committee, 1991-1995

CONFERENCE PRESENTATIONS (since 1988):

Harrison, T. (2015). Electronic petitioning: New directions in digital democracy. Conference on Digital Democracy, Fundação Getulio Varas (FGV), Sao Paulo, Brazil, October. (invited plenary speaker)

Hagen, L., Harrison, T., Uzuner, O., Fake, T., Lamanna, D., & Kotfila, C. (2015). Introducing textual analysis tools for policy informatics: A case study of e-petitions. Presented at the 16th Annual International Conference on Digital Government Research, Phoenix, AZ, May 2015.

Dumas, C., LaManna, D., Harrison, T., Ravi, S.S., Hagen, L., Kotfila, C., & Chen, F. (2015). E-petitioning as collective political action in *We the People*. Presented at **ICConference 2015**, Newport Beach, CA, March 24-27.

Hagen, L., Uzuner, O., Kotfila, C., Harrison, T., & LaManna, D. (2015) Understanding citizens - direct policy suggestions to the federal government: A natural language processing and topic modeling approach. Presented at **Hawaii International Conference on Systems Sciences**, Kauai, HI, January 6, 2015.

Cook, M., & Harrison, T.M. (2014). Using public value thinking for government IT planning and decision making: A case study. Presented at the 15th Annual Digital Government Research Conference, Quebec City, Canada, June, 2014.

Dumas, C., Lamanna, D., Kotfila, C., Hagen, L., Gervais, N. Ravi, S.S., Harrison, T., Chen, F., and Uzuner, O. Examining political mobilization of online communities through e-petitioning behavior in *We the People*. Presented at Social Media & Society, September 27, 2014. Toronoto, CA.
<http://smsociety14.socialmediaandsociety.com/event/86eb3745a9bcd4ead4a2d80c5b55e859#.VKrqcWTF9Xw> (competitively selected).

Harrison, T. M., Dumas, C., Kotfila, C., Lamanna, D., Ravi, S.S. (2014). *We the People*: U.S. e-petitioning as technology-mediated social action. Accepted for presentation at the Annual Conference of the International Communication Association, Seattle, WA. (competitively selected)

Yang, J. Y., Rickard, L. N., Harrison, T. M., & Seo, M. (2014). Applying the risk information seeking and processing model to examine support for climate change. Accepted for presentation at the Annual Conference of the International Communication Association, Seattle, WA. (competitively selected)

Harrison, T., & Sayoga, D. S. (2013). Open budgets and open government: Beyond disclosure in pursuit of transparency, participation and accountability. Presented at the 14th Annual Digital Government Research Conference, Quebec City, Canada, June, 2013. (Nominated for Top Paper award, competitively selected)

Sayoga, D. S., & Harrison, T. (2012). Effects of the Internet and sociocultural factors on budget transparency and accountability. 13th Annual Digital Government Research Conference. University of Maryland, June 2012. (competitively selected)

Harrison, T.M. Constructing scholarly communication in practice: Gifts from Wendy Leeds-Hurwitz. Presented at the annual conference of the International Communication Association, Phoenix, May, 2012. (competitively selected panel)

Harrison, T and Foldy, John. (2011). Reading, media ecology, and neuroscience. Presented at the annual conference of the National Communication Association, New Orleans, November, 2011. (competitively selected, Top Paper in Media Ecology Division)

Harrison, T., Guerrero, S., Burke, G. B., Cook, M., Cresswell, A., Helbig, N., Hrdinová, J., & Pardo, T. (2011). Open government and e-government: Democratic challenges from a public value perspective. Presented at the 12th Annual Digital Government Research Conference, June. (competitively selected)

Harrison, T. (2011). The evolving medium is the message: McLuhan, medium theory, and cognitive neuroscience. Presented at the annual conference of the International Communication Association, Boston, May. (competitively selected)

Harrison, T., Zappen, J., & Watson, D. (2009). Children's use of government information systems: Design and usability. Presented at the 10th National Conference on Digital Government Research. Digital Government Research Center. (competitively selected)

Eisenberg, B., & Harrison, T., (2008) . NCA Round Table Proposal: Envisioning the Future of Networked Information Resources: A Communication Perspective. Competitively selected proposal submission, National Communication Association, San Diego, November, 2008

Zappen, J., Harrison, T., & Watson, D. (2008). A new paradigm for designing E-government: Web 2.0 and experience design. Presented at **DG2008, the 9th National Conference on Digital Government Research**, 5/19/08, Montreal, CA. (competitively selected)

Harrison, T., & Barthel, B. (2008). Wielding new media: Exploring the history of engagement with the collaborative construction of media products . Presented at The Long History of New Media Preconference at the annual meeting of the International Communication Association, 5/22/08, Montreal, CA. (competitively selected)

Harrison, T. (2008). Whither community networking in the age of Web 2.0? Presented at the annual conference of the Eastern Communication Association, 5/1/08, Pittsburgh, PA. (competitively selected panel proposal).

Harrison, T., & Zappen, J. (2007). Children's use of community information systems. Presented at the annual meeting of the National Communication Association. November, 2007, Chicago. (competitively selected)

Zappen, J., Adali, S., & Harrison, T. (2006). Developing a Youth-Services Information System for City and County Government: Experiments in User-Designer Collaboration. Presented at DG2006, the 7th National Conference on Digital Government, May 2006. (competitively selected)

Harrison, T. (2005). Respondent: Panel on Organizational Communication. Presented at the annual conference of the National Communication Association, November, 2005, Boston.

Harrison, T., & Zappen, J. (2005). Building sustainable community information systems: Lessons from a digital government project. Presented at DG.O 2005: The National Conference on Digital Government Research, Atlanta, GA, May 2005. (competitively selected)

Harrison, T., & Zappen, J. (2005). The Connected Kids Information System. Presented at the Spotlight Panel: Evolving Research in Computer-Mediated Communication. Annual convention of the Eastern Communication Association, Pittsburgh, April, 2005. (invited)

Harrison, T. (2005). Respondent. Panel on Organizational Communication; panel on Communication and Technology. Presented at the annual conference of the International Communication Association, May, 2005, New York City.

Gil-Garcia, J. R. Harrison, T., Juraga, D., Pardo, T., & Thompson, F. (2004). The Structuring of GIS Technologies: The World Trade Center Crisis as a Change Episode. Competitively accepted poster presentation at the annual meeting of the American Society for Information Science and Technology, November, 2004.

Harrison, T. (2004). Respondent. Moving Forward/Looking Back: Paradoxes of the “Humanized” Organization. Panel presented at the annual conference of the National Communication Association, November, 2004, Chicago.

Harrison, T., Gil-Garcia, J.R., Juraga, D., Pardo, T., Thompson, F. (2004). The coming of age of GIS. Presented at Learning from Crisis: A Research Symposium on the World Trade Center Response. Center for Technology and Government. Albany, NY. June. (invited speaker)

Harrison, T.M., Adali, S., Zappen, J.P. (2004). Project Highlights: Connected Kids: Designing Database Software for Web-based Information Dissemination to Multiple Audiences. Presented at the National Conference of Digital Government Research. May, 2004.

Zappen, J.P., Harrison, T.M., & Gilbert, C.G. (2004). Technical Communication and Civic Engagement: Building an Information System for a Local Community. 7th Annual Conference, Association of Teachers of Technical Writing, San Antonio, Texas, March 2004.

Harrison, T.M. (2003) Panelist, Editor’s Roundtable. Annual meeting of the Association of Internet Researchers, October, 2003.

Zappen, J.P., & Harrison, T.M. (2003). Activity Theory as a Methodology for Assessing Users' Intentions: Design of a Multipurpose Information System to Support Collaborative Youth-Services Work. Workshop: Applying Activity Theory to CSCW Research and Practice, 8th European

Conference of Computer-Supported Cooperative Work, Helsinki, Finland, September 2003.
(competitively selected)

Zappen, J.P., & Harrison, T.M. (2003). Intention and motive in information-system design. Workshop: Digital Cities 3: Local Information and Communication Infrastructures: Experiences and Challenges, International Conference on Communities and Technologies, Amsterdam, The Netherlands, September 2003. (competitively selected)

Pomerantz, A, Williams, C., Harrison, T., Barnett, G., Jacobson, T. & Feeley, T. (2003). Family Discussion and Notification of Organ and Tissue Donation.. National Communication Association, Miami, November 2003. (competitively selected)

Zappen, J. & Harrison, T. (2003). Intentionality and Intertextuality in ICTs: Designing an information system for a local community. Presented at E-Networks and Democracy: Setting the Research Agenda, Preconference at the International Communication Association, San Diego.

Adali, S., Chatterjee, M., Clegg, C., Dalwadi, M., Dayal, R., Zappen, J., & Harrison, T. (2003). Searching with continuous query exploration. DG.03, National Conference on Digital Government Research, May 18-21, 2003.

Harrison, T., & Zappen, J. (2002). Methodological and theoretical frameworks for the design of community information systems. Euricom Conference on E-Networks and Democracy. October, Catholic University of Nijmegen .

Harrison, T. M. (2002). Methodological and theoretical approaches to the study of community information systems: Preliminary observations. Presented at the Summer Institute of the Social Science Research Council, June 4-8, 2002. Columbia University, New York City [Invited and travel funded]

Zappen, J., Harrison, T., Moore, V., & Williams, A. (2002). Designing a collaborative community information system. Presented at Shaping the Network Society: Patterns for participation, action, and change. Directions and Implications for Advanced Computing (DIAC-02) Conference. May 16-20, Seattle, WA. (competitively selected)

Adali, S., Harrison, T.M., & Zappen, J. P. (2002). Connected Kids: Community information system design and development. Presented at DG.02K: Second National Conference on Digital Government Research, May 20-22, 2002. Los Angeles CA.

Harrison, T., Zappen, J., & Moore, V. (2002). Notes on designing a collaborative community information system. Presented at the Technologies 4 Communities conference, sponsored by Rensselaer Polytechnic Institute, with collaboration from the University at Albany, April 6, 2002.

Mings, S., & Harrison, T. (2001). Youth audience uses of online newspapers. Competitively selected paper presented at the International Communication Association, Washington, DC, May.

Harrison, T. (2001). Respondent. "Top Three Papers" panel of the Communication and Technology Division. International Communication Association, Washington, DC, May.

Harrison, T. (2000). Connected Kids: Engaging organizational communication in developing a community information system. Presented at Engaged Organizational Communication in the New Economy: Technology, Globalization, and the Quality of Work Life -- A Pre-convention Conference sponsored by the Organizational Communication Division, National Communication Association, November. (invited presentation)

Harrison, T., Zappen, J., & Prell, C. (2000). Transforming new communication technologies into community media. Competitively selected panel devoted to community networking. Conference of the Association of Internet Researchers, University of Kansas, September.

Harrison, T. (2000). Respondent. "Top Three Papers" panel of the Communication and Technology Division. International Communication Association, Acapulco, May.

Mings, S., & Harrison, T. (2000). The audience for online newspapers: Maturing use of a young medium. International Communication Association, Acapulco, May. (competitively selected)

Harrison, T., & Zappen, J. (1999). Writing across the community: Integrating new communication technology and service education. Fourth Writing Across the Curriculum Conference, Cornell University, June. (invited featured speakers)

Harrison, T., Stephen, T., & Falvey, L. (1999). Democracy and new communication technologies. International Communication Association. A "top three" competitive paper in the Human Communication Technology Division, May.

Mings, S. & Harrison, T. (1999). Examining the intersection of the online and print newspaper audience. International Communication Association, May. (competitively selected paper)

Harrison, T. (1999). Empowering communication scholars: How should e-journals be integrated into the disciplines? (Panel participant) Eastern Communication Association, April. (competitively selected panel)

Pearson, J., Allen, B. J., Morreale, S. P., Harper, V. B., Harrison, T., Muir, S. A., Nelson, P. E., Pucel, J. K. & Ratliffe, S. A. (1998). Technology and education in the communication discipline. Report of the Task Force on Technology in the Discipline – Pedagogy Committee. National Communication Association, November.

Harrison, T., et al. (1998). Town and gown at the dawn of a new century: Collaboratively building community networks. (Panel participant) National Communication Association, November. (competitively selected panel)

Harrison, T., & Porter, D. (1998). The Rensselaer Coalition for Community Networking. Empire State Reports Infrastructure Conference, October. (invited panel participant)

Harrison, T., Porter, D., & Stephen, T. (1998). The Rensselaer Coalition for Community Networking: A town-gown collaboration in building electronic community. Educom. Orlando, October. (competitively selected presentation)

Harrison, T., & Stephen, T. (1998). Multitasking on the electronic frontier. National Federation of Abstracting and Information Services. February, 1998, Philadelphia. (invited plenary speakers)

Harrison, T. (1997). Researching and creating electronic community networks. National Communication Association, Chicago. (Invited, "Share the Wealth" presentation)

Harrison, T., & Stephen, T. (1997). Teaching the graduate course in computer-mediated communication. (Panel participant) National Communication Association, Chicago. (competitively selected panel)

Harrison, T. (1997). Communication audits in the 1990s. American Society for Training and Development, Hudson Chapter. (invited presentation)

Cheney, G. & Harrison, T. (1996). Organized and facilitated one-day Pre-Conference on "The Future of Democracy in/at/for/beyond Work", Organizational Communication Division of the Speech Communication Association, November. (35 attendees)

Harrison, T., & Stephen, T. (1996). Using the Internet to study communication. Presented to the American Journalism Historians Association, October. (invited panel participants)

Harrison, T. (1996). Why America needs, and now must have, corporate democracy (with apologies to Henry Mintzberg). Presented to the International Communication Association Pre-Conference on the Future of Work, May. (invited participant)

Harrison, T. (1996). Respondent. Panel of competitively selected organizational communication papers. International Communication Association, May.

Harrison, T., & Stephen, T. (1996). The digital scholar: Research and publication on the electronic frontier. Invited address presented as part of the Ellen Clarke Bertrand Library Series on Knowledge and Information. Bucknell University, April.

Stephen, T., & Harrison, T. (1995). Bibliographic tools for the communication discipline. Invited presentation to the Council for Communication Libraries, International Communication Association, May.

Harrison, T. (1994). The meaning and practice of democracy in organizational democracies. Organizational Communication Preconference on Organizational Democracy, Speech Communication Association, November. (invited speaker)

Harrison, T. (1993). Conceptions of ownership and democracy in employee-owned democratic organizations. Presented at the annual conference of the Speech Communication Association, Miami, November. (competitively selected panel participant)

Harrison, T. (1993). Organized a panel entitled "Organizational Communication and 'Alternative' Organizations" presented at the annual conference of the Speech Communication Association, November. (competitively selected panel)

Harrison, T., & Stephen, T. (1993). The case of EJC/REC: A model for producing, consuming, and delivering electronic journals electronically. University of Manitoba International Conference on Refereed Electronic Journals. October. (invited plenary speakers)

Stephen, T., & Harrison, T. (1993). ComIndex -- a software tool for bibliographic searching in the communication discipline. Presented at the annual conference of the International Communication Association, Washington, DC, May. (invited panel participant)

Finet, D., & Harrison, T. (1992). The social perspective in organizational communication. Presented at the annual meeting of the International Communication Association, Miami. (competitively selected paper)

Treadwell, D., & Harrison, T. (1992). Conceptualizing and assessing organizational image: Paradigm images, commitment, and communication. Presented at the annual meeting of the Speech Communication Association, Chicago. (competitively selected paper)

Stephen, T., & Harrison, T. (1992). Communication scholarship moves online. (Panel participant) Presented at the annual meeting of the Association for Education in Journalism and Mass Communication, Montreal. (competitively selected panel)

Stephen, T. & Harrison, T. (1992). Building electronic communities the Comserve way. Presented at "Scholarly Publishing on the Electronic Networks" -- a conference sponsored by the Association of Research Libraries and the Association of American University Presses, Washington, D.C., December. (invited plenary speakers)

Stephen, T., & Harrison, T. (1992). Online disciplinary centers: Building a community of scholars electronically. The Faxon Institute for Advanced Studies in Scientific and Scholarly Communication, Reston, VA, May. (invited plenary speakers)

Stephen, T., & Harrison, T. (1992). Introducing Comserve. Presented at the annual meeting of the Australian Communication Association, Gold Coast, Australia, June. (invited speakers)

Stephen, T., & Harrison, T. (1991). Academic international e-mail networks. (Panel participant) Presented at the annual meeting of the International Communication Association. Chicago, 1991. (competitively selected panel)

Harrison, T. (1990). Functionalist and critical research in organizational communication: A case study in incommensurability. Presented at the day-long seminar "Rational Discourse and the Problem of Incommensurability" taking place at the annual meeting of the Speech Communication Association, November.

Harrison, T., and Stephen, T. (1990). Comserve: A telecommunication resource for humanists. Presented at the annual meeting of the American Society for Information Science, November. (invited panel participants)

Harrison, T., and Stephen, T. (1990). Invited to participate in a day-long conference addressing Internet-based academic electronic publishing projects sponsored by the Association for Research Libraries at North Carolina State University, October.

Harrison, T. & Stephen, T. (1990). An online academic community for international and development communication. (panel participant) Presented at the annual meeting of the International Communication Association, June. (competitively selected panel)

Harrison, T. (1990). Alternative organizational structures: A program for research in organizational communication. Presented at "Across research contexts: Current problems for communication research", sponsored by the SUNY-Albany Department of Communication, Rensselaerville Institute, February.

Harrison, T. (1990). Beyond bureaucratic hierarchy: Communication and alternative organizational structures. Presented at the annual meeting of the International Communication Association, June. (competitively selected paper)

Harrison, T. (1989). Designing the post-management organization: Toward egalitarian organizational hierarchy. Presented at the annual conference of the Speech Communication Association, November. (competitively selected paper)

Harrison, T., & Stephen, T. (1989). Comserve: An electronic forum for interactive scholarship. (panel participant) Presented at the annual meeting of the International Communication Association, May.

Harrison, T., & Newsome, S. (1989). Toward a practical theory of communication: Notes from engineering design. Presented at the Tenth Annual Conference on Discourse Analysis, Temple University, March. (competitively selected paper)

Stephen, T., & Harrison, T. (1988). Introducing Comserve: An electronic network resource for the discipline of Communication Studies. A one-hour presentation describing and demonstrating Comserve conducted at the annual convention of the Eastern Communication Association, Spring.

GRANT FUNDING AND PROPOSALS:

Harrison, T.M., & Ravi, S. S. (2014). ProjectPetition: An Interdisciplinary Investigation of the U.S. Federal Government's National Petitioning Web Site. University at Albany Faculty Research Award Program, \$10,000. (awarded through internal funding competition)

Zappen, J., Harrison, T., & Adali, S. (2005). Connected Kids: Designing database software for web-based information dissemination to multiple audiences. Supplemental grant, National Science Foundation, \$60,000, funded.

Yang, H., & Harrison, T., Learning new communication technologies: Field research and model generation. Submitted to the Human System Dynamics Program of the National Science Foundation, \$579,462 requested. (not funded)

Harrison, T., Eisenberg, B., Pomerantz, A. (2004). Professional MA Degree in Health Communication at University at Albany: A Proposal. Funded by the Council of Graduate Schools, \$4,000.

Member, Project Team. (2003). A multi-campus classroom intervention to increase organ and tissue donation. Funded by the Health Resources and Services Administration, US Dept. of Health and Human Services. \$816,000 over 3 years.

Harrison T, and Strachan, J. C. (2003). Oral discourse and civic culture: Promoting participation and social responsibility. Proposal funded by University at Albany Innovations in Teaching Program, \$5,000.

Harrison, T., Zappen, J. (2001). Electronic networks and democratic life: A workshop to develop a multi-national research agenda addressing democracy and new communication technologies. Funded by the National Science Foundation, \$27,490.

Harrison, T., Adali, S., & Zappen, J. (2001). Connected Kids: Designing database software for web-based information dissemination to multiple audiences. Funded by the National Science Foundation, \$900,000 over 3 years.

Harrison, T. & Zappen, J. (2000). Connected Kids and a Municipal Area Fiber Optic Network for the City of Troy. 3Com Urban Challenge Grant Program. Written on behalf of the City of Troy. \$100,000. Funded.

Harrison, T. (2000). Youth Online: An Electronic Database for Youth Services. Submitted in collaboration with the City of Troy to the Community Development Block Grant competition. Funded \$30,000.

Harrison, T. (May, 2000). C & CT: Computers and Communication Technology Summer Employment and Training Program. Rensselaer County Department of Employment and Training. Funded \$26,848.

Harrison, T. (November, 1999). C & CT: Computers and Communication Technology Year-Round Employment and Training Program. Rensselaer County Department of Employment and Training. Funded \$22,334.

Harrison, T. (May, 1999). C & CT: Computers and Communication Technology Summer Employment and Training Program. Rensselaer County Department of Employment and Training. Funded \$33,548.

Harrison, T., & Zappen, J. (1999). Stimulating Economic Development in Troy through Information Technology. Submitted to the Telecommunication and Information Infrastructure Assistance Program (TIIAP), for \$645,260. (not funded)

Harrison, T., (1999) Stimulating Economic Development in Troy through Information Technology. Submitted to the Howard and Bush Foundation. Funded \$80,704, contingent on funding of TIIAP proposal (not funded).

Harrison, T., Geisler, C., Halloran, M., Porter, D., Stephen, T., and Zappen, J. (1997). Rensselaer Coalition for Community Networking. Funded Strategic Initiatives proposal, Rensselaer Polytechnic Institute, \$15,000.

Stephen, T., & Harrison, T. (1989). Comserve development. Funded by the Beer Trust Mini-grant Program, School of Humanities and Social Science, RPI, \$3500.

Harrison, T., & Stephen, T. (1987). Comserve: An electronic resource for communication scholars. Funded by the Action Grants Committee of the International Communication Association, \$750.

Stephen, T., & Harrison, T. (1987). A file-server system for the discipline of communication studies. Funded by the Eastern Communication Association, \$1500.

Harrison, T. Communication and leadership. (1986). Funded by the Beer Trust Mini-grant Program, School of Humanities and Social Science, RPI, \$3000.
