Address and Personal Data

Economics Department, State University of New York at Albany, Albany, New York 12222, USA E-mail: kyun@albany.edu phone: 518-442-4754 fax: 518-442-4736

languages: Korean (native), English (fluent), Japanese (competent)

Education Stanford University, California, USA, Ph.D. in Economics

Seoul National University, BA in Economics

EmploymentsState University of New York at Albany, Albany, New York 12222, USA,and visiting ap-Professor of Economics, September 1998–, Associate Professor (tenured),pointmentsSeptember 1980–August 1998; Assistant Professor, January 1974–August 1980.

Nihon University, Economics Department, Tokyo, Japan, Visiting Professor, May 15, 2008–August 15, 2008.

Korea University, Economics Department, Seoul, Korea, Visiting Professor, September 2003–August 2005.

Osaka University, Institute of Social and Economic Research, Ibaraki, Japan, Visiting Professor, January 1999–June 1999.

University of Tokyo, Institute of Social Science, Hongo, Bunkyo-ku, Tokyo, Japan, Visiting Professor, September 1998–December 1998.

University of Tokyo, Faculty of Economics, Hongo, Bunkyo-ku, Tokyo, Japan, Foreign Professor, September 1997–August 1998.

Seoul National University, Economics Department, Visiting Professor, Fall 1995–Spring 1996, Spring Semester 1985

Seoul National University, Seoul National University Asia Center, Visiting Fellow, Summers of 2010, 2011.

Stanford University, Economics, Visiting Scholar, various times.

Stanford University, The Graduate School of Business, Visiting Scholar, January 1996-August 1996.

University of California-Berkeley, Economics, Visiting Schoar, various times.

California Institute of Technology, Division of Humanities and Social Sciences, Visiting Scholar, February-April 1988

Papers	"Production Fragmentations, Outsourcing and Factor Price Equalization," under revision at the International Journal of Economic Theory.
	"Efficient, Pareto-Improving Processes," Journal of Mathematical Economics 46 326-331, 2010.
	"Social Security Programs and Retirement Behavior in Korea and China," (with Xin Yuan), in <i>Aging Problems in Northeast Asia</i> , edited by Ogura, Seiritsu and Zhigang Yuan, 365-380, Century Publishing Group Shanghai People's Publishing Co., Shanghai, China 2006
	"Similarity of Endowments and the Factor Price Equalization Condition," Economic Theory, vol. 21, Issue 2-3, 605-612, 2003.
	"The Lens Condition with Two Factors," (with Siu-kee Wong), Review of International Economics, $11(4)$, 692-696, 2003.
	"The Lens Condition for Factor Price Equalization," (with Ufuk Demiroglu), Journal of International Economics 47 , 449-456, 1999.
	"Relative Prices and Improvement of Real Factor Rewards in Several Sectors," <i>Economics Letters</i> 55, 379-382, 1997.
	"The Dubovickii-Miljutin Lemma and Characterization of an Optimal Allocation in Non-smooth Economies," <i>Journal of Mathematical Economics</i> 24 435–460, 1995.
	"Structure of Distortion Equilibria and Welfare in a Multiregional Economy," <i>Economic Theory</i> 5, 491–512, 1995.
	"An Equilibrium Index Theory in an Economy with Convex Production Technologies," (with Seung-Jun Park), <i>Seoul Journal of Economics</i> 1, No. 2, 1988.
	"A New Proof of the Existence of an Odd Number of Economic Equilibria when Boundary Equilibrium is Absent," in <i>Economic Development, The-</i> ory and Practice–Festshrift in honor of professor Hyungyoon Byun, Seoul, Korea, 1986.
	"Optimal Tax-Subsidy Structure in an Industry with Marshallian Exter- nalities," <i>Proceedings of the Second International Conference of Korean Economists</i> , Seoul, Korea, August 1986.

"Pareto Optimality in Non-convex Economies and Marginal Cost Pricing Equilibria," *The Korean Economic Review* **1**, 1–13, December 1985.

"Uniqueness Conditions for Kuhn-Tucker Points on a Disk," *Journal of Optimization Theory and Applications*, 701–721, December 1984.

"On the Welfare Increasing Properties of the Pigouvian Taxation Scheme," in *Economics of Industry-Theory and Analysis–Festshrift in honor of Professor Byunghyou Chong*, Seoul, Korea, 127–134, May 1983.

"A Note on Nishimura's Uniqueness Theorem of General Equilibrium," *International Economic Review*, vol.22, No. 2, 471–473, June 1981.

"Some Conditions Leading to a Unique and Stable Equilibrium in Monopolistic Competition," (with Larry Chenault), *Proceedings of the Second International Conference on Mathematical Modeling*, St. Louis, August 1979.

"A Note on Some Perturbation Theorems for Price Dynamics in an Exchange Economy," *International Economic Review*, vol. 20, no. 2, 359–365, June 1979.

"On the Existence of a Unique and Stable Market Equilibrium," *Journal of Economic Theory*, vol. 20, no. 1, 118–123, February 1979.

"Stability of Competitive Industry Equilibrium," *Journal of Economic Theory*, vol. 16, no. 1, 10–16, October 1977.

"Quasi-Stability in a System of Generalized Differential Equations and its Economic Applications," *Proceedings of the First International Conference on Mathematical Modeling*, 2331–2337, St. Louis, August, 1977.

Recent Papers "The Motzkin's theorem and Pareto improving reforms," under revision.

"Notes on Comparative Advantage," under revision.

"On the possibility of Pareto gains from trade by redistribution through income taxation," under revision.

Courses Taught in the last 3 years Doctorate:

Microeconomic Theory, Mathematical Economics, International Trade, Game Theory

Undergraduate and MA:

Mathematics for Economists, International Trade, International Economic Relations, Game Theory

Doctoral Stu- Peter Coughlin, University of Maryland at College Park, Associate Prodents Super- fessor, tenured, (Chair) vised

Larry Chenault, formerly of Miami University of Ohio, Associate Professor, tenured (Chair)

Kevin Currier, Oklahoma State University, Professor, tenured (Chair)

Seung-Jun Park, Dankook University, Professor, tenured (Chair)

Insoo Kang, Korea Information Society Development Institute, Senior Research Fellow (Chair)

Laiwu Zhang, Department of Science and Technology, China, Deputy Minister; formerly of Beijing University, Professor (Committee member)

Jiro Akita, Faculty of Economics, Tohoku University, Professor and Dean, (Committee member)

Xin Yuan, Dun & Bradstreet, Director of Statistical Consulting (Chair)

Santanu Pal, Citi-Financial International (Committee member)

Other Profes- Director of Graduate Studies, Economics, Fall 2007–Summer 2012 sional Activities

Co-editor, Seoul Journal of Economics, 1990–2003.

Co-chair, Program Committee, The Far Eastern Meeting of the Econometric Society, Seoul, Korea, June 1991.

Member, The Far Eastern Standing Committee of the Econometric Society, 1991–1997.

Member, Program Committee, The Far Eastern Meeting of the Econometric Society, Taiwan, June 1993.

Grants andJapan Ministry of Education, Culture, Sports, Science and TechnologyAwards:Grant 2003-2008, Joint Research Project on Population Aging in Japan,

China and Korea (co-principal investigator and country coordinator for Korea).

National Science Foundation Research Grant SOC 78-01381 with S. Ogura, 1978-9, to study Optimal Pricing Rules Under Income Distribution Policies.

Dissertation Supported by National Science Foundation Grant (GS 3269-A2)
