

CURRICULUM VITAE

LAWRENCE M. SCHELL, Ph.D.

Address: Arts & Sciences 237, University at Albany
State University of New York, Albany, New York 12222
Phone: (518) 442-4714; Fax: (518) 442-4563
E-mail: Lmschell@albany.edu

Citizenship: U.S.A.

ACADEMIC POSITIONS:

- 2018- P Distinguished Professor, State University of New York, Albany, New York
- 1994-2018 Professor, Department of Anthropology, Professor, Department of Epidemiology and Biostatistics, University at Albany, State University of New York, Albany, New York.
- 2004-2018 Director, Center for the Elimination of Minority Health Disparities
University at Albany, State University of New York, Albany, New York.
- 1987-P Clinical Associate Professor, Department of Pediatrics,
Albany Medical College, Albany, New York
- 2018/6 Visiting Scientist, University of Padova, Padova, Italy
- 2012/10 Visiting Professor, University of Wrocław, Wrocław, Poland
- 2002-08 Associate Dean (Research) College of Arts and Sciences,
University at Albany, State University of New York, Albany, New York.
- 7/2004- Interim & Founding Director, Northeast Regional Forensic Institute
1/2005 University at Albany, State University of New York, Albany, New York.
- 1986-94 Associate Professor, Department of Anthropology,
Associate Professor Department of Epidemiology and Biostatistics,
University at Albany, State University of New York, Albany, New York.
- 1992-93 Academic Associate Dean, College of Social and Behavioral Sciences,
University at Albany, State University of New York, Albany, New York.
- 1991-92 Interim Academic Associate Dean, College of Social and Behavioral Sciences,
University at Albany, State University of New York, Albany, New York.
- 1987 Interim Chair, Department of Anthropology, University at Albany,
University at Albany, State University of New York, Albany, New York.
- 1980-86 Assistant Professor, Department of Anthropology, University at Albany,
University at Albany, State University of New York, Albany, New York.
- 1979-80 Lecturer, Department of Anthropology,
University at Albany, State University of New York, Albany, New York

EDUCATION:

Ph.D. Anthropology (Biological), Department of Anthropology, University of Pennsylvania.
Thesis: Environmental Noise and the Prenatal and Postnatal Growth of Children.

M.A. Anthropology, Department of Anthropology, Temple University.
Thesis: Growth and Development of Native American Children.

B.A. Anthropology/Sociology, Oberlin College, Oberlin, Ohio.

CURRENT RESEARCH:

Effects of multi-chemical exposure on growth, development, and reproductive functioning among the Akwesasne Mohawk population.

Croatian Island Birth Study (CRIBS): An investigation into the effects of changing Mediterranean diet and lifestyle among Dalmatian island populations on birth outcomes and early development (with S. Missoni, N. Camerin, E. Demerath,

Lead body burden during pregnancy and infant growth and development.

The relationship of features of urban environments to child growth and health.

GRANTS

“The Endowment for Community-Based Health Disparities Research and Training.” Co-Principal Investigator. National Center on Minority Health and Health Disparities (NIH); Grant # S21MD010692-01. 4/1/2016-3/31/2021, Total award \$10,000,000.

“A Childhood Obesity Prevention Program Designed by Families for Families.” Co-investigator; Co-Principal Investigators: Kirsten Davison & Janine Jurkowski; National Center on Minority Health and Health Disparities (NIH); Project Period 10/2009-9/2011, Total award \$1,100,000.

“Exploratory Center on Minority Health and Health Disparities in Smaller Cities.” Principal Investigator, National Center on Minority Health and Health Disparities (NIH), Grant # P20MD003373-10. Project Period 5/4/2009-8/31/2016, Total award: \$6,819,703.

“EXPORT Center for Health Disparities in Smaller Cities.” Principal Investigator, National Center on Minority Health and Health Disparities (NIH), Grant # R24 MD001120-01. Project Period 9/30/2004-7/31/2007. Total award: \$1,240,249.

“Mohawk culture, behavior, toxicant exposure and health.” Principal Investigator, National Institute of Environmental Health Sciences, Grant # R01 ES10904. Project Period 9/30/00 - 7/31/05. Total award: \$2,720,442.

Conference grant for “Urbanism, Health and Human Biology.” April 10-11, 1997, Cambridge, England. Organizer/Recipient, from Wenner Gren Foundation for Anthropological Research of \$6,000.

"PCB's and the well-being of Mohawk children and youth: growth, development and cognitive/behavioral functioning." Principal Investigator, Project Period 4/1/95 - 3/31/00. Direct costs: \$538,711. (A project component in: "Multidisciplinary Study of PCBs at Akwesasne." David Carpenter, Principal Investigator;

Superfund Hazardous Substance Basic Research Program, National Institute of Environmental Health Sciences, Grant # ES04913.

"Blood lead in pregnancy/infancy and infant development". Principal Investigator, Supported by the National Institute of Environmental Health Sciences, Grant # ES05280. Project Period 5/1/92 - 4/30/98. Direct costs only: \$1,463,056.

Conference support for "Urban Health and Ecology in the Third World." organized by L.M. Schell, E. Watts, M. Smith and A. Bilsborough. Held in Durham, England, September 25-27, 1990. Obtained an anonymous donation of \$8,000 to the University at Albany Fund.

"Environmental Noise Exposure and Physical Growth of Children." Research Specialist, Supported by the National Institute of Child Health and Development, Grant # HD11542. Principal Investigator: F.E. Johnston. Project Period 12/1/77- 11/30/79, Direct costs-\$38,980.

HONORS, FELLOWSHIPS:

Visiting Scientist, University of Padova, Padua, Italy, June, 2018.

Honorary Scientific Advisor, Institute for Anthropological Research, Zagreb, Croatia. 2013.

State University of New York Chancellor's Award for Excellence in Scholarship and Creative Activities, 2010-11.

Fulbright Senior Research Scholar, Dipartimento di Biologia Evoluzionistica "Leo Pardi" of the Università degli Studi di Firenze, Italy, Spring 2011.

Elected Fellow of the American Association for the Advancement of Science, 2008.

President's Award for Excellence in Research, University at Albany, 2008.

Travel Award: NATO Advanced Study Institute Workshop, Brussels, Belgium. 1982.

Travel Fellowship: NATO Advanced Study Institute, Urbino, Italy. 1979.

Aleš Hrdlička Prize: Awarded by the American Association of Physical Anthropologists for the paper, "Environmental noise and other factors in prenatal growth" presented at the annual meetings of the American Association of Physical Anthropologists, San Francisco, California, 1979.

PUBLICATIONS

Edited Volumes

Urbanism, Health and Human Biology in Industrialised Nations. L. Schell and S. Ulijaszek (eds), Cambridge: Cambridge University Press. 1999.

Urban Ecology and Health in the Third World. L.M. Schell, M. Smith and A. Bilsborough (eds), Cambridge: Cambridge University Press. 1992.

Edited Conference Proceedings and Journals

Doing Biocultural Anthropology: Continuity and Change. A special issue of the American Journal of Human Biology. Edited by Morgan Hoke and Lawrence Schell. Early view on line. 2020.

Is adaptation healthy? Interpreting growth patterns in adverse environments. A special issue of the American Journal of Human Biology. Vol. 19, No.5, Edited by Stephen Bailey and Lawrence Schell. 2007.

Human Growth in Sickness and Health. I. Nicoletti, L. M. Schell and G. Gilli (eds) 2006. Florence, Italy: Nicomp.

Human Growth from Birth to Maturity. G. Gilli, L. Schell and L. Benso (eds), London; Smith-Gordon, 2002.

BOOK REVIEWS:

The Obesity Culture: Strategies for Change. F. E. Johnston and I. Harkavy, 2009. For: *Economics and Human Biology.*

The Cambridge World History of Human Disease. Edited by K. Kiple, 1993. For: *American Journal of Human Biology*, 6:406-408.

Worldwide Variation in Human Growth (2nd edition). P.E. Eveleth and J.M. Tanner. Cambridge: Cambridge University Press, 1990. In, *Annals of Human Biology*, 20: 203-204

Methods for Assessing Exposure of Human and Non-human Biota. Edited by R.G. Tadiff and B.D. Goldstein. New York: John Wiley, 1991. In, *American Journal of Human Biology*, 4: 692-694.

Foetus into Man: Physical growth from conception to maturity (2nd edition). J.M. Tanner, Cambridge, MA.: Harvard University Press, 1989. In, *American Journal of Human Biology*, 3:217-218.

Growth, Health and Fitness of Teenagers. T.C.G. Kemper, editor. Karger, N.Y., 1985. In, *Human Biology*, 58(6):997-999.

CONFERENCES & SYMPOSIA ORGANIZED:

The Role of Epigenetics in Health Disparities. President's Forum on Health Disparities, At the University at Albany, November 15, 2019.

The Resistance to and Resilience of Adaptation: The Place of Evolutionary Theory in Biocultural Anthropology. Organized with Morgan Hoke. Annual Meeting of the American Anthropological Association, San Jose, CA. November 14, 2018.

Health in NY State: Addressing Barriers to Health Across Populations. President's Forum on Health Disparities, At the University at Albany, April 24, 2018

Workshop on Epigenetics: How to include epigenetics in your research. At the University at Albany, February 16, 2018.

XIV International Congress on Human Growth and Clinical Auxology. Sponsored by the International Society for the Study of Human Growth and Clinical Auxology, Buenos Aires, Argentina. November 1-3, 2017. Member, Scientific Committee.

Stress, Trauma and Violence: What can the University Do? A community university partnership event at the University at Albany, February 1, 2017.

A Moveable feast: Transformations of What's Good to Eat. Organized by L.M. Schell and J. Ravenscroft. At the 114 Annual Meeting of the American Anthropological Association, Denver, CO. November 18, 2015.

XIII International Congress on Human Growth and Clinical Auxology. Sponsored by the International Society for the Study of Human Growth and Clinical Auxology, Maribor, Slovenia, September 17-20, 2014. Chair, Scientific Committee.

Can the future escape the past: Biosocial factors in the reproduction of poverty. Organized by L.M. Schell and T. Leatherman. At the 112 Annual Meeting of the American Anthropological Association, Chicago, IL, November 20-24, 2013.

Is adaptation healthy? Contrasting views on growth patterns in adverse environments. Organized by S. Bailey, L. Schell and N. Cameron. At the 29th Annual Meetings of the American Association of Physical Anthropologists, Anchorage, Alaska, March 7-11, 2006.

The X International Congress of Auxology, Florence, Italy, July 4-7, 2004. Scientific Organizing Committee.

Applying Participatory Action Research (PAR) in Human Biology. 28th Annual Meetings Human Biology Association, Tempe, Arizona, April 25-27, 2003.

Recent Developments and Applications of Biomedical Anthropology In and Out of Academia: A Symposium in Honor of Francis E. Johnston. Annual meetings of the American Association of Physical Anthropologists, Tempe, Arizona, April 23-26, 2003.

The IX International Congress of Auxology, Turin, Italy, September 6-9, 2000. Scientific Organizing Committee.

Urbanism, Health and Human Biology (with S. J. Ulijaszek). Society for the Study of Human Biology, Cambridge, England. April 10-11, 1997.

International Conference on Environmental Pollution and Child Health: Critical Needs and Issues for Central and Eastern Europe (with Edward F. Fitzgerald and others). Sosnowiec, Poland, May 8-10, 1996.

Putting Theory into Practice: The Pedagogical Applications of Diversity (with Gregory Stevens and Joan Schulz). University at Albany, State University of New York, April 12, 1994.

A Curriculum for the 21st Century: Integrating Human Diversity into Curricular and Academic Life (with Gregory Stevens and Joan Schulz). University at Albany, State University of New York, March 11, 1993.

Urban Health and Ecology in the Third World (with E. Watts, M. Smith, A. Bilborough). Society for the Study of Human Biology, Durham, England, September 25-27, 1990.

Biological Challenges of Contemporary Urbanism. Annual meetings of the American Association of Physical Anthropologists, April 4-7, 1990, Miami, Florida.

INVITED PRESENTATIONS AND SYMPOSIA:

2020 Panelist “Mitigating Health Disparities: Leveraging Partnerships for Equitable Outcomes”; Annual meeting of the Association of Public and Land Grant Universities, and Coalition of Urban Serving Universities. Virtual. November 10, 2020.

2019 Modern water, its influence on biology and culture: what the experience of Native Americans teaches us. Lawrence Schell. 43rd Annual meeting of the Annual Meeting of the Human Biology Association, Cleveland, OH. March 27, 2019

- 2018 Intersecting Disciplines: Biocultural Anthropology and the Exposome. Julia Ravenscroft, Lawrence Schell. American Anthropological Association, San Jose, CA, November 14,
- Power, pollutant exposure and survival of indigenous peoples: the Case of Native Americans. Università degli Studi di Padova, Bressanone, Italy, June 22.
- Effects of pollutants on prenatal development. Conference on Croatian Islands Birth Cohort Study, Hvar, Croatia, June 13.
- Pollution and Human Development: from Conception to Adulthood. Dipartimento di Salute della Donna e del Bambino, Università degli Studi di Padova, Padova, Italy, June 7.
- Conversations on Research. Università degli Studi di Verona, Verona, Italy, June 7.
- When the healthy choice isn't healthy or a choice: Structural determinants in cases of environmental injustice. In, The False Meritocracy of Choice Within Social Constructs of Health. At the 87th annual meeting of the American Association of Physical Anthropologists, Austin, TX. , April 13.
- Pollution and Child Health. Indiana State University, March 23.
- Health Disparities-The special case of American Indians. The Whitman Lecture. Indiana State University, March 23.
- 2017 A public health “solution” to a water quality problem: What a holistic analysis reveals. In “Water Matters: Anthropologists on Climate, Contamination and Vulnerable Environment.” Annual meetings of the American Anthropological Association, Washington, D.C., November 29-December 3.
- New Influences on Sexual Maturation and Growth: What does Tanner’s Mirror show us now? The Tanner Lecture, XIV International Congress on Human Growth and Clinical Auxology, International Association for the Study of Human Growth and Clinical Auxology, Buenos Aires, Argentina, November 1-3.
- 2016 Toxic Water: The Poisoning of Flint, Michigan. L. M. Schell, Symposium organized by State University of New York College at New Paltz, March 15.
- 2015 Power and pollutant exposure among minorities: one Native American experience. L.M. Schell and M. V. Gallo. In, Human Biology of Poverty. Society for the Study of Human Biology symposium, Lisbon, Portugal. September 3.
- Transforming the familiar to the Strange: Is adulterated and contaminated food the new normal? In, A Moveable feast: Transformations of What’s Good to Eat. Organized by L.M. Schell and J. Ravenscroft. At the 114 Annual Meeting of the American Anthropological Association, Denver, CO. November 18, 2015.
- The perils of modern environments: pollution and health among Akwesasne Mohawk adolescents. Hardy Chair Lecture, Hartwick College March 4.
- 2014 Relationship of chemical burden to growth, maturation and the nutrition transition. L.M. Schell and M. V. Gallo. International Congress on Human Growth and Clinical Auxology. Maribor, Slovenia, September 19.
- Pollutants and human health: Child growth and development. Andrija Štampar School of Public

Health, Zagreb, Croatia, September 17.

- 2013 Poverty of environment, poverty of development: intergenerational pathways of poor health in disadvantaged US children. L.M. Schell, J. Ravenscroft, E. Holdsworth. In the symposium, Can the future escape the past: Biosocial factors in the reproduction of poverty. At the 112 Annual Meeting of the American Anthropological Association, Chicago, IL, November 20-24, 2013.

Health Disparities and Toxicant Exposure of Akwesasne Mohawk Young Adults: A Partnership Approach to Research. American Indian Public Health Disparities Symposium, Empire State Public Health Training Center. February 2.

- 2011 Growth as a mirror: reflections in growth of exposure to endocrine disruptors. Plenary address, Society for the Study of Human Biology Symposium: The Human Biology of Jim Tanner. December 14, Cambridge, England.

Toxicants and human growth and development. Plenary address, XII International Congress of Auxology. Mexico City, Mexico. September 6-9.

Toxic foods: What shouldn't be for dinner? L.M. Schell, M.V. Gallo, J. Ravenscroft, K.M. Nelder, K.K. Burnitz. Plenary address, Annual meetings of the Human Biology Association, Minneapolis, MN, April 14.

- 2009 Environmental Pollution and Human Biology. Presented at 51st SSHB Symposium and Proffered Papers Meeting, "Human Dispersals." Plenary address, Rome, Italy, June 19.

Environmental Pollution and Child Development. Presented at the 35th School of Biological Anthropology; "Biological Anthropology of health in the 21st century: From describing variation to understanding determinants." Plenary address, Zagreb, Croatia, June 10.

The social construction of pollutant exposure and the perpetuation of social disadvantage: Anthropological approaches to pollution, human biology and health. Department of Anthropology, State University of New York at Buffalo, Buffalo, NY March 6.

- 2008 Engaging, Researching and Learning. L. M. Schell and J. Ravenscroft. In the symposium, "Inclusion, Collaboration, Engagement: Advancing the biocultural perspective in anthropological inquiry." Annual meeting of the American Anthropological Association, San Francisco, November 20.

Evidence of endocrine disruption among youth of the Akwesasne Mohawk Nation. Conversations in the Capital District on Hormones, University at Albany, State University of NY, Oct 24.

The social construction of pollutant exposure and the perpetuation of social disadvantage. Bouvé School of Health Sciences, Northeastern University, Boston, MA. April 10.

Community partnerships in research: benefits and challenges. ACCEND Workshop at Oxford Brookes University, Oxford, UK, April 30.

Environmental influences on human growth and development. Society for the Study of Human Biology, 50th Anniversary Meeting, New College Oxford, April 1-3.

- 2007 Impact of pollution on physiological systems: from laboratory to the field. Joint meeting of the Society for the Study of Human Biology and the Japanese Society of Physiological Anthropologists, Cambridge University, Cambridge, U.K. September 24-26.

Pollution and human growth and development. Loughborough University, Loughborough, U.K., September 27.

- 2006 Challenges of contemporary urbanism to human growth and health., European Anthropological Association, Budapest, Hungary, plenary address. September 1.

Social construction of adverse influences of industrial environments and their biological challenges. 8th International Congress of Physiological Anthropology, Kamakura, Japan, October 9.

What does growth mean? Biomedical and Adaptationist Interpretations. L. M. Schell. In, symposium , Is adaptation healthy? Contrasting views on growth patterns in adverse environments. At the 29th Annual meetings of the American Association of Physical Anthropologists, Anchorage, Alaska, March 7-11.

Social construction of children's exposure to toxic pollutants: What can be done? Center for Social and Demographic Analysis, University at Albany, Albany, NY. January 27, 2006.

- 2005 Social construction of adverse environmental impacts: Children, lead and PCBs. School of Public Health, Boston University, Boston, MA. December 8.

Advancing biocultural models by working with communities. L. M. Schell, J. Ravenscroft; M. Gallo, Denham M., M. Schneeberger and the Akwesasne Task Force on the Environment. In, Symposium entitled, At the interface of biology and culture: Biocultural models in human biology. At the 30th Annual Meeting of the Human Biology Association, April 6. Milwaukee, WI. *American Journal of Human Biology*, 17(2): 266-67 (abstract).

The effects of multichemical exposure on Akwesasne Mohawk youth. Invited Paper at the International Joint Commission Science Advisory Board, Workgroup on Ecosystem Health's Conference: Chemical Exposure and Effects in the Great Lakes Today, March 30, Chicago, IL.

- 2004 Effects of toxicants on human growth and development. L.M. Schell, Denham M., M. Schneeberger, J. Ravenscroft, M.V. Gallo. Paper presented at the 7th International Congress of Physiological Anthropology. Columbus, OH, Sept. 4. *Journal of Physiological Anthropology and Applied Human Science*. 23(6):369-70 (abstract).

Urbanism and growth. At the X International Congress of Auxology, Florence, Italy, July 4-7.

- 2003 The partnership model of community research: Akwesasne and Albany. Schell, L.M. Center for Public Health Research and Health Promotion, University of Massachusetts Lowell. March 28, 2003.

Weight growth velocity from birth to 2 years of age in relation to lead burden. Schell, L.M. and Cameron N. Speaker in the symposium: Recent Developments and Applications of Biomedical Anthropology In and Out of Academia: A Symposium in Honor of Francis E. Johnston. Annual meetings of the American Association of Physical Anthropologists, Tempe, Arizona, April 23-26, 2003. *American Journal of Physical Anthropology*. Suppl. 36:185 (abstract).

Using Participatory Action Research to build policy making capacity in minority communities exposed to toxicants. Schell L.M, Ravenscroft J., Gallo M. Speaker in the symposium: Applying Participatory Action Research (PAR) in human biology. Annual meetings of the Human Biology Association, Tempe, Arizona, April 25-27. *American Journal of Human Biology*. 15(2): 283 (abstract).

Toxicants and child growth and development: PCB's and lead. L.M. Schell. Harpur College

Dean's Workshop Lecture, University at Binghamton, Binghamton, NY, April 30.

PCB's and the well-being of Akwesasne Mohawk youth. Schell, L.M., Newman, J., and the Akwesasne Task Force on the Environment. At, Iakoti'satstenhsrawis Ne Ohwentsia (Strengthening our relationship to the Earth); A Conference on Environmental Research, Akwesasne, NY, May 22-23.

2002 Thyroid function in relation to burden of polychlorinated biphenyls, DDE, HCB, mirex and lead among Akwesasne Mohawk youth. Schell LM, Gallo MV, Ravenscroft J, DeCaprio AP, Hubicki LA, and the Akwesasne Task Force on the Environment. At, *International Conference on Chemical Mixtures*, Sept. 10-12.

2000 Pollution and child growth: Polychlorinated biphenyls and thyroid function. Schell, L.M.; Hubicki, L.; DiCaprio, A.; and the Akwesasne Task Force on the Environment. Speaker in the symposium: *Auxology*. The 96th Annual Meeting of the German Society of Pediatrics, Stuttgart, Germany, September 14. *Klinische Pädiatrie*. 2000. 212(5): 54 (abstract).

Urban ecology in the 21st Century: The challenge to human biological adaptation. Plenary speaker in the Symposium, *Human Biology in the 21st Century*. The 12th Congress of the European Anthropological Association, Cambridge, England, September 11.

Polychlorinated biphenyls (PCBs) and thyroid function in adolescents of the Mohawk Nation at Akwesasne. Schell, L.M.; Hubicki, L.; DiCaprio, A.; Gallo, M.V. and the Task Force on the Environment. Speaker in the symposium: *Pollutants and Development*. The IX International Congress of Auxology, Turin, Italy, September 6. *Acta Medica Auxologica*. 2000. 32(1):71-72 (abstract).

Environmental contaminants and growth of Mohawk adolescents at Akwesasne. Gallo, M.V.; Ravenscroft, J.; Schell, L.M.; DiCaprio, A.; and the Akwesasne Task Force on the Environment. At the IX International Congress of Auxology, Turin, Italy, September 6. *Acta Medica Auxologica*. 2000. 32(1):72 (abstract).

Polluted environments as extreme environments: Evidence for effects on growth. Schell, L.M. and E.A. Hills. Speaker in the symposium: *Growth in Extreme Environments*. The IX International Congress of Auxology, Turin, Italy, September 5. *Acta Medica Auxologica*. 2000. 32(1):47 (abstract).

Toxicants and child development: PCBs and lead. At the Institute for Environmental Studies, University of Pennsylvania, Philadelphia, PA., February 11.

1999 PCBs and their effects on the health and well-being of the Mohawk youth of Akwesasne. Iroquois Indian Museum, Howes Cave, NY. Jun 17.

1997 Toxic Substances in the Environment and Human Growth. Invited Plenary Lecture: The Eighth International Congress of Auxology, Philadelphia, PA., June 29-July 3.

PCBs. Plenary speaker in the Symposium, *Bridging the Gap between Children's Health and the Environment*. Sponsored by The Children's Health Environmental Coalition. Sundance, UT, April 25-27.

Pollution and child health. Plenary speaker. In the symposium *Urbanism, Health and Human Biology*. Cambridge, England. April 10-11. Sponsored by the Society for the Study of Human Biology,

Methodological concerns bridging physical anthropology and environmental health. In the symposium, *Habitats, habits, hazards and health: Environmental factors and the health of human populations*. Annual meetings of the American Association of Physical Anthropologists, St. Louis, MO. April 4. *American Journal of Physical Anthropology*. Suppl. 24:205 (abstract).

PCBs and the Well-Being of Mohawk Children and Youth. L. Schell, J. Newman and M. Gallo. At, Superfund Basic Research Program: A Decade of Improving Health Through Multi-Disciplinary Research. Research Triangle Park, N.C., February 23-26.

PCBs and Mohawk Youth: A Partnership Study. L. Schell and Alice Tarbell. Plenary speaker at, *Children's Environmental Health: Research, Practice, Prevention, Policy*. Sponsored by the Children's Environmental Health Network. Washington, D.C., February 21-23.

1996 Pollution and child growth: combining anthropologic and epidemiologic methods. Plenary speaker: *European Anthropological Association*, Brussels, Belgium, August 19-22.

The evolution of the city: a biocultural perspective. Plenary speaker at the LEAD International Second International Session "Rural-Urban Dynamics: Interventions for Sustainable Development". Okinawa, Japan, October 17.

Environmental health and social inequality. In the symposium, *Human Biology and Social Inequality*; Society for the Study of Human Biology. The London School of Hygiene and Tropical Medicine, London, U.K. March 28-29.

1995 Environmental inequity, pollutant burdens and the physical and cognitive development of children. In the symposium, *Environmental Justice in America: Paradigms and Politics*. Annual meeting of the American Anthropological Association, Washington, D.C., November 15-19.

Pollution, health and culture. October 26, 1995. Oberlin College, Oberlin, Ohio.

Neonatal blood lead level and size at birth: problems in multivariate analysis. 4th Annual Human Growth Workshop. Emory University, Atlanta, Ga. October 1-3.

PCBs and the well-being of Mohawk children and youth: growth, development and cognitive/behavioral functioning. L. M. Schell and J. Newman. At 13th *International Neurotoxicology Conference*, April 1-3, Hot Springs, AK. *Neurotoxicology*. 16(4):759-60 (abstract).

1994 Growth as an outcome of research design and non-nutritional factors. 3rd Annual Human Growth Workshop. Emory University, Atlanta, Ga. October 2-4.

The relationship of urban poverty to pollutant exposure and pollutant effects. L. M. Schell. In the symposium of *Social and Political-Economic Perspectives in Biological Anthropology* at the 63rd annual meetings of the American Association of Physical Anthropologists, Denver, Colorado, April 2.

1992 Effect of 1st trimester cigarette smoking on the frequency of low birthweight. M. Madan, L.M. Schell, J.H. Relethford, E.B. Hook and A. Dunn. *Symposium in honor of S.M. Garn*, at the 61st Annual Meeting of the American Association of Physical Anthropologists, April 1-4. Las Vegas, Nevada. *American Journal of Physical Anthropology*. Suppl. 14:115 (abstract).

Nutrition and Health Status of Urban Children: Lead Pollution. At the conference, *The Role of University Assisted Community Schools in Improving Nutrition and in Careers in Nutrition and Health*. University of Pennsylvania, Philadelphia, Pennsylvania, June 22-23.

1990 Introduction to the symposium, *Biological Challenges of Contemporary Urbanism*. Presented at the annual meetings of the American Association of Physical Anthropologists, April 4-7, Miami, Florida.

Trends in blood lead among urban women during pregnancy. Stark AD and L.M. Schell. In the symposium, *Biological Challenges of Contemporary Urbanism*. At the annual meetings of the American Association of Physical Anthropologists, April 4-7, Miami, Florida.

Postnatal growth of children in relation to noise from Osaka International Airport. In the symposium, *Biological Challenges of Contemporary Urbanism*. At the annual meetings of the American Association of Physical Anthropologists, April 4-7, Miami, Florida.

Social factors, health and epidemiologic transitions. L.M. Schell. Presented at the Fifth Anniversary Symposium of the School of Public Health, *The Scientific Basis of Health Policy in the 1990's*, April 25-26, Albany, New York.

Hazards to child growth and health from urban pollution. Anthropological Society of Washington, Washington, D.C., September 19.

Industrial pollution and the physical growth of children. University of Pennsylvania, Human Biology Colloquium, September 20.

Human growth and urban pollution. Presented at the 16th School of Biological Anthropology, entitled, *Human Ecology and Anthropology: Lessons for the 21st Century*, October 1-5, Zagreb, Yugoslavia.

Impact of Urban Pollution on Human Growth and Development. L.M. Schell. In the symposium, *Health and Disease: Anthropologists Assess the Human Condition*. American Anthropological Association, December 1, New Orleans, Louisiana.

1989 Hazards to child growth and health from urban pollution. Anthropological Society of Washington, Washington, D.C., September 19.

Industrial pollution and the physical growth of children. Human Biology Colloquium, Department of Anthropology, University of Pennsylvania, September 20.

1988 The biomedical anthropologist in multidisciplinary research. L.M. Schell and Stark AD. In the symposium of *Multidisciplinary Perspectives on Applied Biomedical Anthropology*, at the annual meetings of the Society for Applied Anthropology in Tampa, Florida, April 21-23, 1988.

Urbanism and Human Health: Implications for Biocultural Models. Department of Anthropology, University of Pennsylvania, April 29, 1988.

1987 Airport noise and human physical development (with D.C. Hodges). In the Special Invited Session, *Effects of Noise on Unborn Babies and Children*, at the 16th International Conference on Noise Control Engineering, Beijing, Peoples Republic of China, September 15-17, Chinese Journal of Acoustics 6:227-228.

1982 Auxological Epidemiology and the Determination of the Effects of Noise on Human Growth, at NATO Workshop "*Genetical and Environmental Factors During the Growth Period*". August 24-25, Brussels, Belgium.

1980 The effects of airport noise on human prenatal growth. At Meetings of the *Acoustical Society of*

America, Los Angeles, California. J. Acoust. Soc. Am. Supl. 1, 68:590 (abst).

CONTRIBUTED PRESENTATIONS

- 2019 Impact of socioeconomic status on breastfeeding initiation and duration. E.E. Tyler, L.M. Schell. 88th Annual Meeting, of the American Association of Physical Anthropologists, March 27-30, 2019, Cleveland, Ohio
- 2018 Persistent organic pollutants as predictors of increased FSH:LH ratio. Mia V. Gallo, Julia Ravenscroft, David O. Carpenter, Lawrence M Schell, Akwesasne Task Force on the Environment. 43rd Annual meeting of the Human Biology Association, Austin, TX. April 11.
- Relationship between autoimmune disease and toxicant exposure. Florence Lee, Mia V. Gallo and Lawrence M. Schell. 43rd Annual meeting of the Human Biology Association, Austin, TX. April 11.
- 2017 Maternal experiences of childhood adversity are associated with age at menarche and offspring asymmetric fetal growth. Elizabeth A. Holdsworth, Lawrence M. Schell, and Allison A. Appleton. U.S. Society for the Developmental Origins of Health and Disease Conference, Detroit, MI. September 25-27, 2017.
- Relationship of environmental endocrine-disrupting pollutants to ovulatory status. MV Gallo, J Ravenscroft, DO Carpenter, C Frye, LM Schell. Presented at the 42st annual meeting of the Human Biology Association, April 19-20, New Orleans, LA.
- 2016 Associations between Serum Concentrations of Perfluorinated Chemicals (PFCs) and Thyroid Hormones in White Males from the National Health and Nutrition Examination Survey (NHANES) III (2011-2012). CA Ehret, MM Bleuze, LM Schell. Presented at the 41st annual meeting of the Human Biology Association, April 13-14, Atlanta, GA.
- Exposure to environmental toxicants as a predictor of infant neurodevelopment. NH Graham, LM Schell, PJ Parsons, PC Kruger. Presented at the 41st annual meeting of the Human Biology Association, April 13-14, Atlanta, GA.
- 2015 Do endocrine disrupting chemicals affect ovulatory status? MV Gallo, JC Ravenscroft, LM Schell. Presented at the 40^h annual meeting of the Human Biology Association, March 25, St. Louis, MO.
- 2014 Reproductive hormone levels and organochlorine toxicants: Is there a relationship? MV Gallo, LM Schell, J Ravenscroft, KR Nelder. Presented at the 39th annual meeting of the Human Biology Association, April 9-11, Calgary, Alberta.
- Infant fatness and mother's engagement. EA Holdsworth and LM Schell. Presented at the 39th annual meeting of the Human Biology Association, April 9-11, Calgary, Alberta.
- 2013 Preliminary analysis of the relationship between persistent organic pollutants (POPs) and indices of health and reproductive well-being among women of reproductive age. LM Schell, MV Gallo, KK Burnitz, KR Nelder. Presented at the 38th annual meeting of the Human Biology Association, April 16, 2013, Knoxville, TN
- 2012 Health disparities in smaller cities: What differences make a difference? L.M. Schell, L. Alomar, W. Alvarado-Little, E. Campisi, R.L. Miller, Jr., D. Strogatz. 2012 Summit on the Science of Eliminating Health Disparities. Dec. 17-19, NIH, National Harbor, Md.
- Social pathways to pollutant exposure and health effects in a Native American community. L.M.

Schell and M.V. Gallo. 2012 Summit on the Science of Eliminating Health Disparities. Dec. 17-19, NIH, National Harbor, Md,

Toxicant exposure and the association with adolescent height growth in the Akwesasne Mohawk
KK Burnitz, LM Schell, MV Gallo. Presented at the 37th annual meetings of the Human Biology Association, April 11, Portland, Oregon. American Journal of Human Biology. 24: 221 (abstract).

Testosterone links polychlorinated biphenyls to higher waist-hip ratios: preliminary results from a sample of Native American male adolescents. KR Nelder, LM Schell, MV Gallo. Presented at the 37th annual meetings of the Human Biology Association, April 11, Portland, Oregon. American Journal of Human Biology. 24: 236 (abstract).

- 2011 Cultural configuration through competing demands of environmental risk, social integration and personal identity. L.M. Schell and M.V. Gallo. In, Re-envisioning culture: challenging legacies and shifting tidemarks in the study of human diversity. American Anthropological Association, Montreal, Quebec, November 17.

The influence of breastfeeding duration on the cognitive functioning of adolescents exposed to persistent organic pollutants. G. Brooke, B. Behforooz, J. E. Lee, J. Newman, L. M. Schell, M. V. Gallo, and The Akwesasne Task Force on the Environment. American Psychological Association, Washington DC, August 2011

The influence of breastfeeding on the cognitive functioning of children raised in an environment polluted with PCBs. B. Behforooz, G. Brooke, W. Fan, J. E. Lee, J. Newman, L. M. Schell, M. V. Gallo, and The Akwesasne Task Force on the Environment. Society for Research in Child Development, Montreal, March 2011.

The impact of early exposure to PCBs and *p,p'*-DDE on adult BMI in the Akwesasne Mohawk. K.K. Burnitz, L.M. Schell, M.V. Gallo. Presented at the 36th Annual meetings of the Human Biology Association, Minneapolis, MN, April 13.

The impact of toxicants and maternal cigarette use on sex steroid levels in pre-menarcheal Mohawk females. J.K. Karsten, L.M. Schell, and M.V. Gallo. Presented at the 36th Annual meetings of the Human Biology Association, Minneapolis, MN, April 13.

Persistent organic pollutants and testosterone levels in a male adolescent Native American sample. K.R. Nelder, L.M. Schell, M.V. Gallo. Presented at the 36th Annual meetings of the Human Biology Association, Minneapolis, MN, April 13.

- 2010 Native American risk to obesity: dietary and thyroid relationships among the Akwesasne Mohawk. K.K. Burnitz, L.M. Schell, M.V. Gallo. Presented at the 35th Annual Meeting of the Human Biology Association. Albuquerque, NM, April 1.

- 2009 Assessing material well-being in field situations: When education and income just don't measure up. Annual meetings of the American Anthropological Association, December 4. Philadelphia, PA.

Is immune function altered by exposure to common pollutants? L. M. Schell, M. V. Gallo, DeCaprio AP. and J. Ravenscroft. Presented at the 34th Annual Meeting of the Human Biology Association. Chicago, Illinois, April 1.

- 2008 Sexual maturation and environmental contaminants: is there cause for concern? M. Gallo and L. M. Schell. Annual meetings of the Human Biology Association, Columbus OH, April 10.

Low levels of lead in blood affect infant growth. L. M. Schell. XI International Congress of Auxology, Tokyo, Japan, September 10.

- 2007 Infant growth in a low socioeconomic urban environment. T. Comer and L. M. Schell. Annual meetings of the American Association of Physical Anthropologists, Philadelphia, PA, March 28-31. *American Journal of Physical Anthropology*. Suppl. 44:89 (abstract).

Dietary patterns and exposure to environmental contamination at Akwesasne. J. Ravenscroft, L. M. Schell. Poster to be presented at the 32st annual meeting of the Human Biology Association. Philadelphia, PA, March 28-31. *American Journal of Human Biology*. 19(2): 275 (abstract).

Is there an effect of persistent organic pollutants on anthropometric measures among youth? M.V. Gallo, L. M. Schell. Poster to be presented at the 32st annual meeting of the Human Biology Association. Philadelphia, PA, March 28-2. *American Journal of Human Biology*. 19(2): 255 (abstract).

- 2005 Thyroid function and pollution exposure among Akwesasne Mohawk youth. L.M. Schell, Denham M., M.V. Gallo, J. Ravenscroft, A. DeCaprio & Akwesasne Task Force on the Environment. At the annual meetings of the American Association of Physical Anthropologists. Milwaukee, WI. April 9. *American Journal of Physical Anthropology*. Suppl. 40:182 (abstract).

- 2004 PCBs and adolescent cognition in the Mohawk Nation community of Akwesasne. J. Newman, A. Aucompaugh, L. Schell. Paper presented at the Annual meeting of the American Psychological Association, Honolulu, July.

Age at menarche among Akwesasne Mohawk girls exposed to lead, mercury, mirex, dichlorodiphenyldichloroethane (DDE), hexachlorobenzene (HCB) and polychlorinated biphenyls (PCBs). Denham M., L. Schell, G. Deane, M.V. Gallo, J. Ravenscroft, A. DeCaprio, Akwesasne Task Force on the Environment, L.M. Schell. Paper to be presented at the 29th annual meeting of the Human Biology Association. Tampa, FL, April 14. *American Journal of Human Biology*. 16(2): 201 (abstract).

Dietary patterns of Mohawk youth. J. Ravenscroft, M.V. Gallo, Denham M., Akwesasne Task Force on the Environment, L.M. Schell. Poster to be presented at the 29th annual meeting of the Human Biology Association. Tampa, FL, April 14. *American Journal of Human Biology*. 16(2): 220-221 (abstract).

- 2003 Age at menarche among Akwesasne Mohawk girls exposed to lead, mercury, mirex, dichlorodiphenyldichloroethane (p,p'-DDE), hexachlorobenzene (HCB) and polychlorinated biphenyls (PCBs). Denham M, Deane G, Gallo MV, Ravenscroft J, DeCaprio AP, Akwesasne Task Force on the Environment, Schell LM. At "The Role of Environmental Factors on the Onset and Progression of Puberty – Expert Panel Workshop": Sponsored by Serono Symposia International, Inc. Rosemont, IL, Nov. 5-8.

Body size in Akwesasne Mohawk youth 10-16 years of age. Gallo MV, Ravenscroft J, Denham M, Schell LM, and the Akwesasne Task Force on the Environment. 28th Annual Meeting Human Biology Association, Tempe, Arizona, April 25-27. *American Journal of Human Biology*. 15(2): 262 (abstract).

- 2002 Thyroid Function in Relation to Polychlorinated Biphenyl Burden in Akwesasne Mohawk Adolescents. Schell LM, Gallo MV, Ravenscroft J, DeCaprio AP, Hubicki LA, and the Akwesasne Task Force on the Environment. At "Thyroid hormone and brain development: Translating molecular mechanisms to population at risk. Research Triangle Park, NC Sept. 23-25, 2002

Growth of Akwesasne Mohawk adolescents and environmental contaminants. M. Gallo, J. Ravenscroft, L. Schell, A. DeCaprio, Denham M., and the Akwesasne Task Force on the Environment. At the 71st Annual meeting of the American Association of Physical Anthropologists. Buffalo, NY, April 11. *American Journal of Physical Anthropology*. Suppl. 34:74 (abstract).

Thyroid function and polychlorinated biphenyls (PCBs) in adolescents of the Akwesasne Mohawk Nation. L. Schell, A. DeCaprio, M. Gallo, and the Akwesasne Task Force on the Environment. At the 71st Annual meeting of the American Association of Physical Anthropologists. Buffalo, NY, April 11. *American Journal of Physical Anthropology*. 34:136 (abstract).

- 2000 Relationship of polychlorinated biphenyls (PCBs) in Akwesasne Mohawk Nation youth and maternal fish consumption before and during pregnancy. M.V. Gallo, L.M. Schell, J. Newman, A. DiCaprio, and the Akwesasne Task Force on the Environment. At the 25th Annual meetings of the Human Biology Association, San Antonio, TX, April 10. *American Journal of Human Biology*. 12(2):266-267 (abstract).

Relationship between body size, body composition and sexual maturation among Akwesasne Mohawk youth. Denham M., L. M. Schell, M. Gallo, Akwesasne on the Environment. At the 25th Annual meetings of the Human Biology Association, San Antonio, TX, April 10. *American Journal of Human Biology*. 12(2):265 (abstract).

Infant cognitive development: a risk focusing approach. J. Ravenscroft and L. Schell. At the 25th Annual meetings of the Human Biology Association, San Antonio, TX, April 10. *American Journal of Human Biology*. 12(2):270 (abstract).

- 1999 Maternal ethnicity/race, nutrition, and anthropometry predict neonate's blood lead level. L.M. Schell, A. Aydemir, Stark AD, P. Parsons, M. Gallo, J. Ravenscroft, M. Gomez, and K. Fuschillo. 17th International Neurotoxicology Conference, Little Rock, AK, October 17-20. *Neurotoxicology*. 20(4) (abstract).

Change in maternal blood lead level during pregnancy and fetal exposure. L.M. Schell, Stark AD, P. Parsons, A. Aydemir, M. Gomez, and M. Gallo. 17th International Neurotoxicology Conference, Little Rock, AK, October 17-20. *Neurotoxicology*. 20(4) (abstract).

Growth of the Akwesasne Mohawk Nation youth. M. V. Gallo, L. M. Schell, J. Newman, and the Akwesasne Task Force on the Environment. At the 68th Annual meetings of the American Association of Physical Anthropologists, Columbus, OH, April 26. *American Journal of Physical Anthropology*. Supp 28:132 (abstract).

Diet and lifestyle factors during pregnancy among socioeconomically disadvantaged urban women. S. A. Czerwinski, L. M. Schell, and A. D. Stark. At the 24th Annual meetings of the Human Biology Association, Columbus, OH, April 26. *American Journal of Human Biology*. 11: 108 (abstract).

Length at birth: its value for the assessment of newborn status and prenatal growth. A. C. Choh, L. M. Schell, and A. D. Stark. At the 24th Annual meetings of the Human Biology Association, Columbus, OH, April 26. *American Journal of Human Biology*. 11: 107 (abstract).

Sexual maturation of Akwesasne Mohawk youth. Denham M., L. M. Schell, A. Choh, M. Gallo, J. Newman, and the Akwesasne Task Force on the Environment. At the 24th annual meetings of the Human Biology Association, Columbus, OH, April 28. *American Journal of Human Biology*. 11:109 (abstract).

- Change in blood lead levels during pregnancy in a socioeconomically disadvantaged population. L.M. Schell, S. Czerwinski, Stark AD, P. Parsons, M. Gomez. At the 12th Annual meeting of the Society for Pediatric and Perinatal Epidemiologic Research, Baltimore, MD, June. *Paediatric and Perinatal Epidemiology*. 13:A21 (abstract).
- Length at birth: its value for the assessment of newborn status and prenatal growth. L. M. Schell, A. C. Choh, and A. D. Stark. At the 12th Annual meeting of the Society for Pediatric and Perinatal Epidemiologic Research, Baltimore, MD, June. *Paediatric and Perinatal Epidemiology*. 13:A22 (abstract).
- 1998 Birth weight, length and body composition among Black-Americans, and White-Americans of low socioeconomic status. M. V. Gallo, M. Denham M., L. M. Schell, S. Czerwinski and Stark AD. At the 67th annual meetings of the American Association of Physical Anthropologists, Salt Lake City, UT, April 3. *American Journal of Physical Anthropology*. Suppl. 26:102 (abstract).
- 1997 Determinants of blood lead levels among socio-economically disadvantaged children. S. A. Czerwinski, L. Schell and A. Stark. At the 66th annual meetings of the American Association of Physical Anthropologists, St. Louis, MO., April 4. *American Journal of Physical Anthropology*. Suppl 24:98 (abstract).
- 1996 Early childhood blood lead levels of the urban poor in Albany, New York. S.A. Czerwinski and L.M. Schell. At the 21st Annual Meeting of the Human Biology Council, Durham, NC., April 8-10. *American Journal of Human Biology*. 8:112 (abstract).
- 1995 Using patterns of child growth and development to assess community-wide effects of low-level exposure to toxic materials. L. M. Schell. At the International Congress on Hazardous Waste: Impact on Human and Ecological Health, Atlanta, GA., June 5-8.
- Relationship between cigarette smoking and fat patterning in a sample of young women from NHANES-II. L.T. Barrett and L.M. Schell. At the 20th Annual Meetings of the Human Biology Council, Oakland, CA, March 28-29. *American Journal of Human Biology*. 7:117 (abstract).
- Dietary assessment of socioeconomically disadvantaged pregnant women S. Czerwinski and L.M. Schell. At the 20th Annual Meetings of the Human Biology Council, Oakland, CA, *American Journal of Human Biology*. 7:121 (abstract).
- 1993 Maternal morphology and neonatal blood lead levels. S. A. Czerwinski, L. M. Schell, Stark AD and W. Grattan. At the 62nd annual meetings of the American Association of Physical Anthropologists, Toronto, Canada, April 14-17. *American Journal of Physical Anthropology*. 16:77-78 (abstract).
- 1992 Effects on size at birth from low lead exposure. L.M. Schell, Stark AD and M. Madan. At the 61st Annual Meeting of the American Association of Physical Anthropologists, April 1-4, Las Vegas, Nevada. *American Journal of Physical Anthropology*. Suppl. 14: 147-8 (abstract).
- 1992 Social support and birthweight in an urban, socioeconomically disadvantaged, biracial sample. J. Ravenscroft, L.M. Schell, and Stark AD. At the 18th Annual Meeting of the Human Biology Council, March 30-31, Las Vegas, Nevada. *American Journal of Human Biology*. 4:148 (abstract).
- 1991 Ethnic differences in maternal weight gain. G.K. Davidson, K. Damus, E. Graham, M. Hamburg and L.M. Schell. At the 16th Annual Meeting of the Human Biology Council, April 2-3, Milwaukee, Wisconsin. *American Journal of Human Biology*. 3:64 (abstract).
- 1990 Trends in blood lead among urban women during pregnancy. Stark AD and L. M. Schell. At the

23rd Annual Meeting of the Society for Epidemiologic Research, Snowbird, Utah, June 13-15.

- 1989 Maternal serum lead levels during pregnancy and their relationship to maternal anthropometry and ethnicity. L. M. Schell, Stark AD, and W.A. Grattan. At the 58th Annual Meeting of the American Association of Physical Anthropologists, San Diego, California, April 4-8. *American Journal of Physical Anthropology*. 78:297 (abstract).

Relationship of cigarette smoking during pregnancy to other influences upon birthweight. P. Naamon, L. Schell and E. Hook. At the 58th Annual Meeting of the American Association of Physical Anthropologists, San Diego, California. April 4-8, *American Journal of Physical Anthropology*. 78:278 (abstract).

Maternal cigarette smoking during pregnancy and reduced head circumference in the offspring. G. Davidson, L. Schell and E. Hook. At the 58th Annual Meeting of the American Association of Physical Anthropologists, San Diego, California. *American Journal of Physical Anthropology*. 78:210 (abstract).

A comparison of birthweights of infants born to women with differing histories of cigarette smoking. D. Sanders, L. Schell, and E. Hook. At the 58th Annual Meeting of the American Association of Physical Anthropologists, San Diego, California. *American Journal of Physical Anthropology*. 78:295 (abstract).

- 1987 Effect on birthweight of mother's daily cigarette consumption during pregnancy and of trimesters of cigarette use. L. M. Schell, P. Naamon, J. H. Relethford, and E. B. Hook. At the 56th Annual Meeting of the American Association of Physical Anthropologists, New York, New York, April 5. *American Journal of Physical Anthropology*. 72:251 (abstract).

- 1986 Size at birth and patterns of cigarette use during pregnancy. L. M. Schell, E. B. Hook and P. Naamon. At the 55th Annual meeting of the American Association of Physical Anthropologists, Albuquerque, New Mexico, April 9-12. *American Journal of Physical Anthropology*. 69:262 (abstract).

- 1985 Anthropometry of children 6-11 years born to mothers who smoked during pregnancy. L. M. Schell, D. C. Hodges, and J. H. Relethford. At the 54th Annual Meeting of the American Association of Physical Anthropologists, Knoxville, Tennessee, April 12. *American Journal of Physical Anthropology*. 66:182 (abstract).

Cigarette smoking during pregnancy and variation in size at birth. L. M. Schell and D. C. Hodges. At the 54th Annual Meeting of the American Association of Physical Anthropologists, Knoxville, Tennessee, April 12. *American Journal of Physical Anthropology*. 66:226 (abstract).

Cigarette use during pregnancy and the anthropometry of offspring 6-11 years of age. L. M. Schell, J. H. Relethford, and D. C. Hodges. At the IV International Congress of Auxology, Montreal, Quebec, June 20. *Annals of Human Biology*. 12 (suppl.):52 (abstract).

- 1983 Anthropometry of children exposed to airport noise. L. M. Schell and R. J. Norelli. At the 52nd Annual Meeting of the American Association of Physical Anthropologists, Indianapolis, Indiana, April 5-11. *American Journal of Physical Anthropology*. 60:232 (abstract).

- 1982 The effect of chronic noise exposure on human prenatal growth. At the IIIrd International Congress of Auxology, August 23-30, Brussels, Belgium.

- 1981 Socioeconomic status and prenatal growth. At the 50th Annual Meeting of the American Association of Physical Anthropologists, Detroit, Michigan, April 22-25. *American Journal of*

- Physical Anthropology*. 54:274 (abstract).
- 1980 Environmental noise and other factors in human postnatal growth. At the Annual Meeting of the American Association of Physical Anthropologists, Niagara Falls, New York, April 16-19. *American Journal of Physical Anthropology*. 52:277 (abstract).
- 1979 Environmental noise and other factors in human prenatal growth. At the Annual Meeting of the American Association of Physical Anthropologists, San Francisco, California. *American Journal of Physical Anthropology*. 50:479 (abstract).
- 1978 Asymmetry of body dimensions among white adolescent males. At the Annual Meeting of the American Association of Physical Anthropologists, Toronto, Canada, April 15-17. *American Journal of Physical Anthropology*. 48:435 (abstract).
- 1976 Study of albumin polymorphism among the Apache, Winnebago, Micmac Indians and the Baffin Islands Eskimos. L. M. Schell and S. S. Agarwal. At the Annual Meeting of the American Association of Physical Anthropologists, St. Louis, Missouri, April 15-17. *American Journal of Physical Anthropology*. 44:204 (abstract).
- 1975 Skeletal maturation in a longitudinal sample of children from the upper socio-economic level of Guatemala City. At the Annual Meeting of the American Association of Physical Anthropologists, Denver, Colorado, April 10-12. *American Journal of Physical Anthropology*. 42:327 (abstract).
- 1973 Tempest in a teapot: some problems associated with the critical weight hypothesis. F. E. Johnston and I. M. Schell. At the Annual Meeting of the American Association of Physical Anthropologists, Dallas, Texas, April 12-14. *American Journal of Physical Anthropology*. 40:141 (abstract).

GRADUATE STUDENT SUPERVISION

Doctoral Committees (Anthropology Department unless noted otherwise):

In progress:

Florence Lee (Chair); Elizabeth Holdsworth (Chair); Kyrie Nelder (Chair); Casey West (Chair); Erica Tyler (Chair); Jessica Somers (Committee member); Ajay Yesupryia (Committee member); Delisha Bella (Committee Member, Department of Environmental Sciences, School of Public Health).

Completed as Chair:

Julia Ravenscroft, Ph.D. 2016. Environmental Contamination and the Transformation of Food Choice, Dietary Patterns, and Health in Adolescents from the Mohawk Nation at Akwesasne.

Christopher Lynn, Ph.D. 2009. Glossolalia Influences on Stress Response among Apostolic Pentecostals.

Mia Gallo, Ph.D. 2007. The Influence of Toxicants on Growth among Native American Adolescents of the Akwesasne Mohawk Nation.

Melinda Denham, Ph.D. 2005. Experiences of in vitro Fertilization Donor Egg Recipients; The Impact of Technology on Reproduction.

Kristen Knutson, Ph.D. 2004. Sleep, Health and Socioeconomic Status among Adolescents of the National Longitudinal Study of Adolescent Health.

Stefan Czerwinski, Ph.D. 1998. Determinants of Blood Lead Levels in Socioeconomically Disadvantaged Children from Birth to Two Years: A Biocultural Perspective.

Completed as Committee member:

- Samuel C. Byrne, Ph.D. 2016 (Department of Environmental Health Sciences) Exposure to Polychlorinated Diphenyl Ethers and Perfluoroalkyl Acids and Associations with Thyroid Function in a Remote Population of Alaska Natives.
- Jonathan Maupin, Ph.D. 2006 Jonathon N. Maupin (2006) Fruit of The Accords: Health Care reform, Decentralization, & Community Participation in Highland Guatemala.
- Mathew Taylor, Ph.D. 2006. Diachronic Changes in Hunter-gatherer Dental Health & Disease on the Texas Central Gulf Coastal Plain.
- Martin Solano Ph.D. 2006. The Life Stresses of Poverty: Skeletal & Historical Indicators of Activity Patterns in the Albany County Almshouse Skeletal Collection, 1825-1925
- Jackson Sekhobo, Ph.D. 2004. (Department of Epidemiology and Biostatistics) Comparisons of the body mass index (BMI) and bioelectrical impedance analysis (BIA) as measures of body composition in African American adults: The Pitt County Study.
- Audrey Choh, Ph.D. (2002) The Genetics of Obesity & Obesity Related Factors among Samoans.
- Gwynne Jenkins, Ph.D. (1999) The Bureaucratization of birth: Midwifery Programs, National Health Care, & Local Birth Conventions in Rural Costa Rica.
- Lynnette Leidy, Ph.D. (1991) The Timing of Menopause in Biological & Socio-cultural Context: A Lifespan Approach.
- Kim Lanphear, Ph.D. (1988) Health & Mortality in a Nineteenth Century Poorhouse Skeletal Sample.
- Denise Hodges, Ph.D. (1986) Agriculture Intensification & Prehistoric Health in the Valley of Oaxaca, Mexico.
- Forrest Tierson, Ph.D. (1982) Influences of Dietary Cravings & Aversions during Pregnancy on Maternal Diet & Pregnancy Outcome.
- Richard Norelli, Ph.D. (1982) Differential Mortality in Lower Mohawk Valley Community: Waterford, New York, 1790-1880.

Master's Degree Committees (Chaired 25 committees)

COURSES TAUGHT

Reproductive Epidemiology	Bio-Medical Anthropology
Research Methods	Human Adaptation
The City and Human Health	Human Variation
Human Growth and Development	Introduction to Physical Anthropology
Human Biology	Introduction to Anthropology
Culture, Environment and Health	
Methods of Partnership Research	

PROFESSIONAL MEMBERSHIP AND SERVICE ACTIVITIES:

Associations:

- American Association for the Advancement of Science (Fellow)
- American Anthropological Association
- American Association of Physical Anthropologists (1972-2008, 2016-2017)
- American Public Health Association (former member)
- Council of Colleges of Arts and Sciences (2002-2007)
- International Society for the Developmental Origins of Health and Disease
- Human Biology Association (Fellow)
- European Anthropological Association

International Association of Physiological Anthropology (Executive Committee of the Council)
International Association for Human Auxology, (Executive Committee)
International Society for Environmental Epidemiology (former member)
Society for the Study of Human Biology
Society for Pediatric and Perinatal Epidemiologic Research (former member)

Editorial Boards:

Annals of Human Biology. 1997-
American Journal of Human Biology. 1988-1997, 2002-
Anthropological Review. 2017-
Environmental Health and Preventive Medicine. 2006-
Human Biology. 1985-1988
Journal of Physiological Anthropology and Applied Human Science 2006-
Man in the Northeast. 1985-1996
Yearbook of Auxology (book series) 1997- 2002

Manuscript Reviews:

American Journal of Epidemiology
American Journal of Physical Anthropology
American Journal of Human Biology
Annals of Human Biology
Canadian Journal of Anthropology
Chemosphere
Collegium Antropologicum (Zagreb – Croatia)
Economics and Human Biology
Environmental Health Perspectives
Environmental Health and Preventive Medicine
Environmental Research
Expert Reviews in Endocrinology & Metabolism
Global Health Action
Human Biology
Human Reproduction
International Journal of Obesity
Journal of Developmental Origins of Health and Disease
Journal of Physiological Anthropology (Japan)
Journal of Policy Analysis
Medical Anthropology Quarterly
Pediatrics
PLOS One
Sleep
Social Science and Medicine

Research Proposal Reviews:

Agency for Toxic Substances and Disease Registry
Birth Defects Foundation of the March of Dimes
Fogarty International Center
Agence Nationale de la Recherche (French National Research Agency, 2016)
Foundation for Polish Science (2018)
Fulbright Scholar Program (CIES, 2010, 2011)

11/10/2020

Italian Ministry of Health, Scientific Research and Health Innovation (2014, 2015)
National Institutes of Health (Special Emphasis panels, most recently 2018)
National Science Foundation (most recently, 2017)

Other: Advisory Board (Chair), Children's Environmental Health Center, T. H. Chan School of Public Health, Harvard University. 2006-2007.
Mentor, JPB Environmental Health Fellowship Program, T. H. Chan School of Public Health, Harvard University. 2015-2018.

UNIVERSITY, COLLEGE AND DEPARTMENTAL SERVICE ACTIVITIES:

2019 to 2020 Sabbatical leave spring 2020.
Director, Program in Human Biology (College)
Undergraduate Committee (Department)

2018-2019 Director, Program in Human Biology (College)
Undergraduate Committee (Department)

2017-2018 Public Engagement Council (University)
CAS Public Engagement Advisory Committee (College)
Graduate Committee, Department of Anthropology (Department)

2016-2017 Public Engagement Council (University)
Ad hoc review committee, Undergraduate Research Fellowships (University)
Faculty mentor, Department of Epidemiology and Biostatistics (Department)
Graduate Committee, Department of Anthropology (Department)

2015-2016 Public Engagement Council (University)
Public Engagement Awards Committee (University)
Ad hoc review committee, Undergraduate Research Fellowships (University)
Faculty mentor, Department of Epidemiology and Biostatistics (Department)
Graduate Committee, Department of Anthropology (Department)
Search Committee, All ranks position, Department of Anthropology (Department)
Search Committee, Junior rank position, Department of Anthropology (Department)

2014-2015 Public Engagement Council (University)
Search Committee, Africana Studies department (College)
Advisory Committee, Center for Public Health Continuing Education, School of Public Health
Ad hoc review committee, Presidential Initiatives Fund for Research and Scholarship (University)
Ad hoc review committee, Undergraduate Research Fellowships (University)
Faculty mentor, Department of Epidemiology and Biostatistics (Department)
Graduate Committee, Department of Anthropology (Department)

2013-2014 University Senate
University Planning and Policy Committee
Campus Committee on University-Community Engagement (University)
Review Committee for the President's Award for Excellence in Research and Creative Activities.
University Review Committee for Community Engagement Awards
Awards and Nominations Committee (Department)
Review Committee for E. Andaya tenure (Department)
Anthropology Department – Awards/Recognition Committee

2012-2013 University Senate

University Planning and Policy Committee
 Campus Committee on University-Community Engagement (University)
 Visiting Speakers Committee Co-chair (Department)

2011-2012
 Campus Committee on University-Community Engagement (University)
 Strategic Plan Implementation Work Group on Research (University)
 Albany Promise – Data committee (University/community)
 Anthropology Department Self-Study Committee Co-chair

2010-2011
 Vice President for Research Search Committee
 Speakers Committee (Department)

2009-2010
 Committee on Centers and Institutes of the Research Council (University)
 Committee to Assess Graduate Programs (University)
 Strategic Planning Committee (University)
 Vice President for Research Search Committee

2008-2009
 Awards and Nominations Committee *Chair* (Department)
 Senator, University Senate
 Executive Committee, University Senate
 Research Council (University) *Chair*

2007-2008
 Graduate Affairs Committee (Department)
 Senator, University Senate
 Executive Committee, University Senate
 Research Council (University) *Chair*

2006-2007
 Graduate Affairs Committee (Department)
 Senator, University Senate
 Executive Committee, University Senate *1/2007*
 Research Council (University) *Chair 1/2007*
 Research Liaison Committee (9-12/06)
 Life Sciences Blue Ribbon Panel (College of Arts and Sciences)

2005-2006
 Graduate Affairs Committee (Department)
 Senator, University Senate
 Research Council (University)
 Research Liaison Committee
 Life Sciences Blue Ribbon Panel (College of Arts and Sciences)

2004-2005
 Senator, University Senate
 Research Council (University)
 Governance Committee
 Excellence in Research Evaluation Committee
 Search Committee: Associate Director, Division of Research
Ad hoc Search Committee: Director, Northeast Regional Forensics Institute

2003-2004
 Senator, University Senate
 Research Council (University)

1-9/2003
 Senator, University Senate
 Research Council (University)
 College Council service precluded by Associate Dean position

9-12/2002
 Senator, University Senate
 Research Council (University)
 College Council (College of Arts and Sciences)
 Personnel Committee- Promotion & Continuing Appointment (School of Public Health)
 Undergraduate Committee (Department of Anthropology)

2001-2002
 Senator, University Senate
 Research Council (University)

College Council (College of Arts and Sciences)
 Personnel Committee- Promotion & Continuing Appointment (School of Public Health)
 Awards & Honors Nomination Committee (Department of Anthropology)

2000-2001
 Senator, University Senate
 Research Council (University)
 Personnel Committee- Promotion & Continuing Appointment (School of Public Health)
 Awards & Honors Nomination Committee (Department of Anthropology)

1999-2000
 Senator, University Senate
 Research Council (University)
 Personnel Committee- Promotion & Continuing Appointment (School of Public Health)
 Awards & Honors Nomination Committee (Department of Anthropology)

1998-1999
 Chair, Search Committee for Chair of the Department of Biology (University)
 Personnel Committee- Promotion & Continuing Appointment (School of Public Health)
 Awards & Honors Nomination Committee (Department of Anthropology)

1997-1998
 Chair, Search Committee for Chair of the Department of Biology (University)
 Doctoral Program Review Committee (University)
 Chair, Awards & Honors Nomination Committee (Department of Anthropology)
 Advisory Committee, Center for International Health (School of Public Health)
 Member, Center for Minority Health (School of Public Health)

1996-1997
 President's Long Range Resource Allocation Committee (University)
 Doctoral Program Review Committee (University)
 Chair, Awards & Honors Nomination Committee (Department of Anthropology)
 Advisory Committee, Center for International Health (School of Public Health)
 Member, Center for Minority Health (School of Public Health)

1995-1996
 President's Long Range Resource Allocation Committee (University)
 Committee on External Research Linkages (University)
 Awards & Honors Nomination Committee (Department of Anthropology)
 Academic Committee (Department of Epidemiology)

1994-1995
 President's Long Range Resource Allocation Committee (University)
 Dean's Research Advisory Committee (College)
 Curriculum Committee (Department of Anthropology)

1993-1994
 Diversity Committee (University)
 Human Biology major (College) - Co-director
 Sexual Harassment Advisor (College)
 Undergraduate Affairs and Curriculum Committee (Department of Anthropology)
 Academic Committee (Department of Epidemiology)

1992-1993
 Human Biology major (University) - Co-director
 Graduate Committee (Department of Anthropology)- member
 Personnel Committee (Department of Epidemiology)- member
 Grievance Committee (College) - Convener as Associate Dean
 Academic Committee (College) - Convener as Associate Dean
 Computer Committee (College) - Convener as Associate Dean
 Research Committee (College) - Convener as Associate Dean
 Sexual Harassment Advisor (College)

1991-1992
 Graduate Committee (Department of Anthropology)- member
 Personnel Committee (Department of Epidemiology)- member
 Grievance Committee (College) - Convener as Associate Dean
 Academic Committee (College) - Convener as Associate Dean
 Computer Committee (College) - Convener as Associate Dean

Research Committee (College) - Convener as Associate Dean
 Human Biology major (College) - Faculty member
 Arts & Sciences Curriculum Council - as Associate Dean
 1990-1991 Personnel Committee (Chair) (Department of Epidemiology)
 Curriculum Committee (Department of Anthropology)
 1989-1990 Graduate Affairs Committee (Department of Anthropology)
 Search Committees (Department of Anthropology)
 Research Council (University)
 Committee on Research Incentives (Chair) (University)
 1988-1989 Academic Council (School of Public Health)
 Search Committees (Department of Epidemiology)
 Visiting Speakers Committee (Department of Anthropology)
 Undergraduate Committee (Department of Anthropology)
 Faculty Associate Program (University)
 1987-1988 Search Committee: Executive Vice President.
 Search Committee: Department of Epidemiology
 1986-1987 Graduate Affairs Committee (Department of Anthropology).
 Committee on Medical Anthropology (Department of Anthropology).
 Invited Speakers Committee (Department of Anthropology).
 Computer Advisory Committee (College).
 Art Gallery Evaluation Committee (University).
 Council on Research, Subcommittee on Research
 Incentives (University).
 World Week Lecture Series (University).
 Academic Computer Advisory Committee (University).
 University Budget Panel.
