Note: These data were collected in conjunction with the 2004 Census of State and Local Law Enforcement Agencies, which was sponsored by the U.S. Department of Justice, Bureau of Justice Statistics. Agencies serving United States 4-year universities and colleges with a fall 2004 enrollment of 2,500 students or more, and agencies serving 2-year public colleges with a fall 2004 enrollment of 10,000 students or more were included in the survey. The survey was initially conducted as a web-based questionnaire. Followup contacts to nonrespondents provided agencies with fax and mail-in response options. The final response rate was 82%; 749 of the 913 potential respondents participated. The data presented above include only 4-year colleges and universities.

<sup>a</sup>Per student rates were calculated using a weight of 0.5 for part-time employees.

<sup>b</sup>Includes University of Colorado at Denver, Metropolitan State College, and the Community College of Denver.
