Note: These data are collected annually by the FBI Uniform Crime Reporting Program. "Full-time law enforcement employees" includes both law enforcement officers and civilian employees. Law enforcement officers include all "full-time, sworn personnel with full arrest powers." This excludes persons performing guard or protection duties (e.g., school crossing guards) who are not paid from police funds. "Civilian employees" includes persons such as clerks, radio dispatchers, meter attendants, stenographers, and mechanics. Persons not paid from police funds are excluded. Employees on leave with pay also are excluded. (U.S. Department of Justice, Federal Bureau of Investigation, Uniform Crime Reporting Handbook, p. 127 [Online]. Available: <http://www.fbi.gov/ucr/handbook/ucrhandbook04.pdf> [Mar. 4, 2009].) These data are for employees who were on the payroll on Oct. 31, 2007.

^aIncludes law enforcement agencies in cities with less than 50,000 inhabitants and county law enforcement agencies that are within a Metropolitan Statistical Area; excludes all metropolitan agencies associated with a principal city. The agencies associated with suburban areas also will appear in other groups within this table.
